

Puxadores

Catálogo 2022

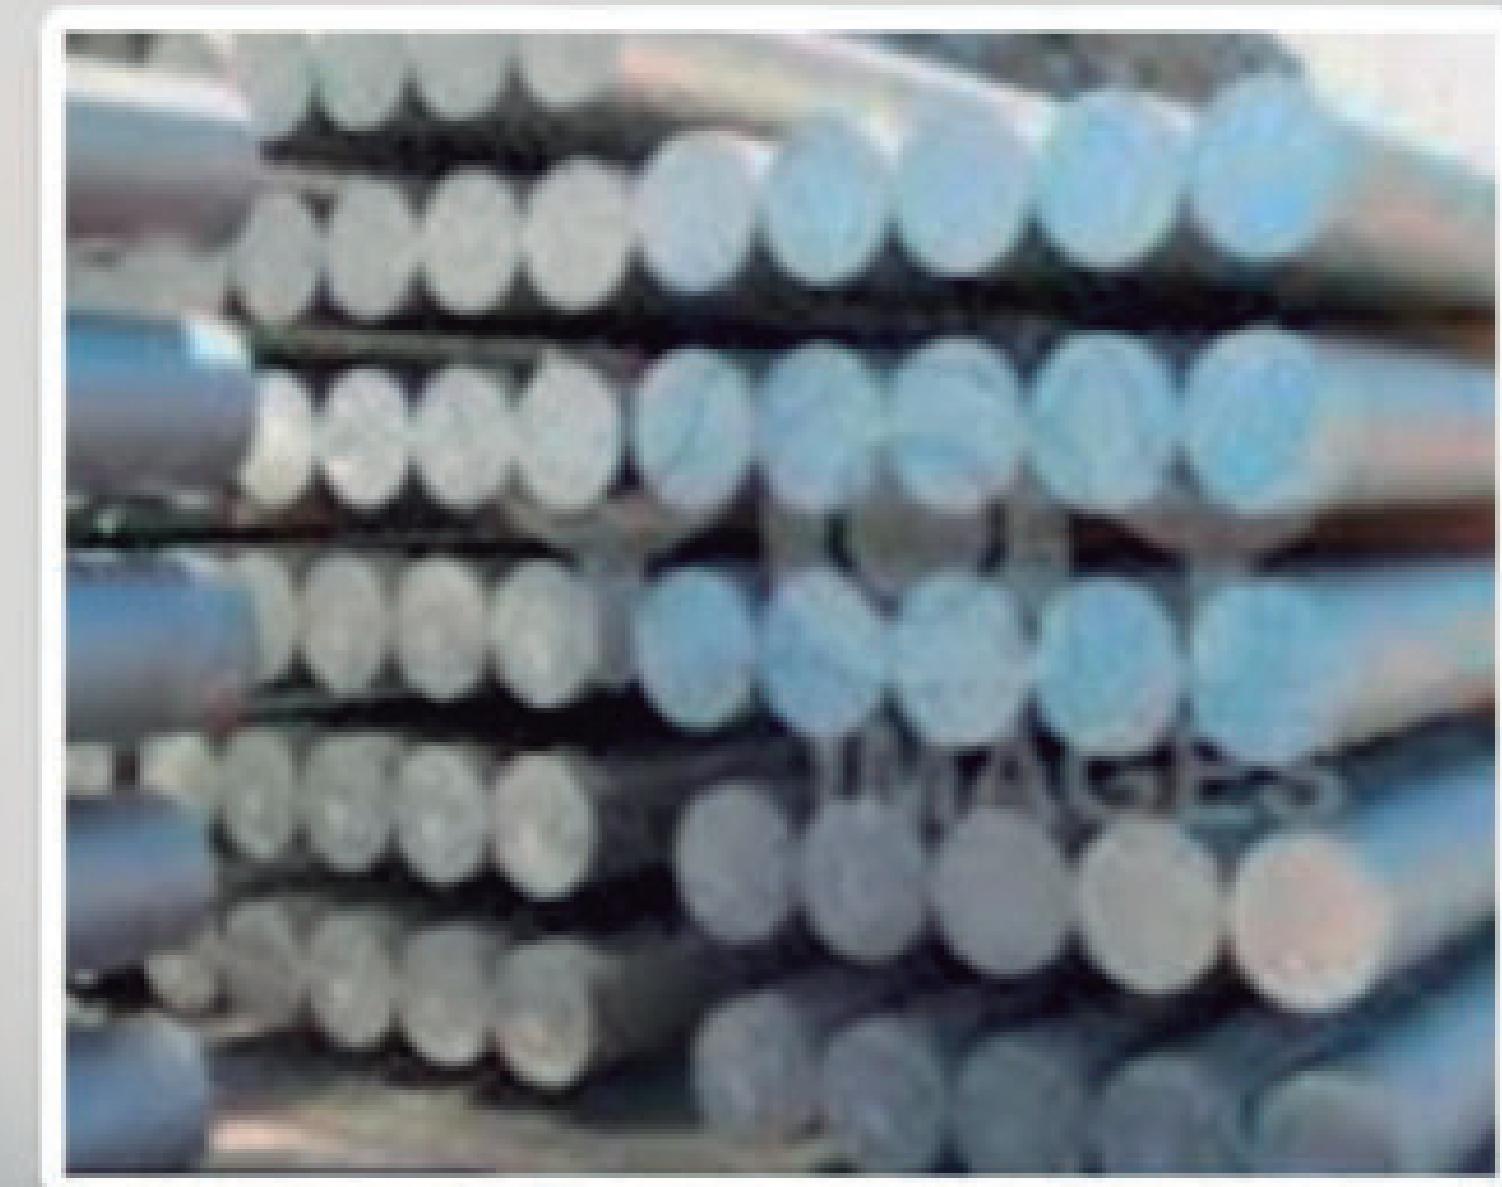

A Empresa possui em sua estrutura organizacional e comercial maquinários e instrumentos industriais para atender as exigências do Ramo Moveleiro.

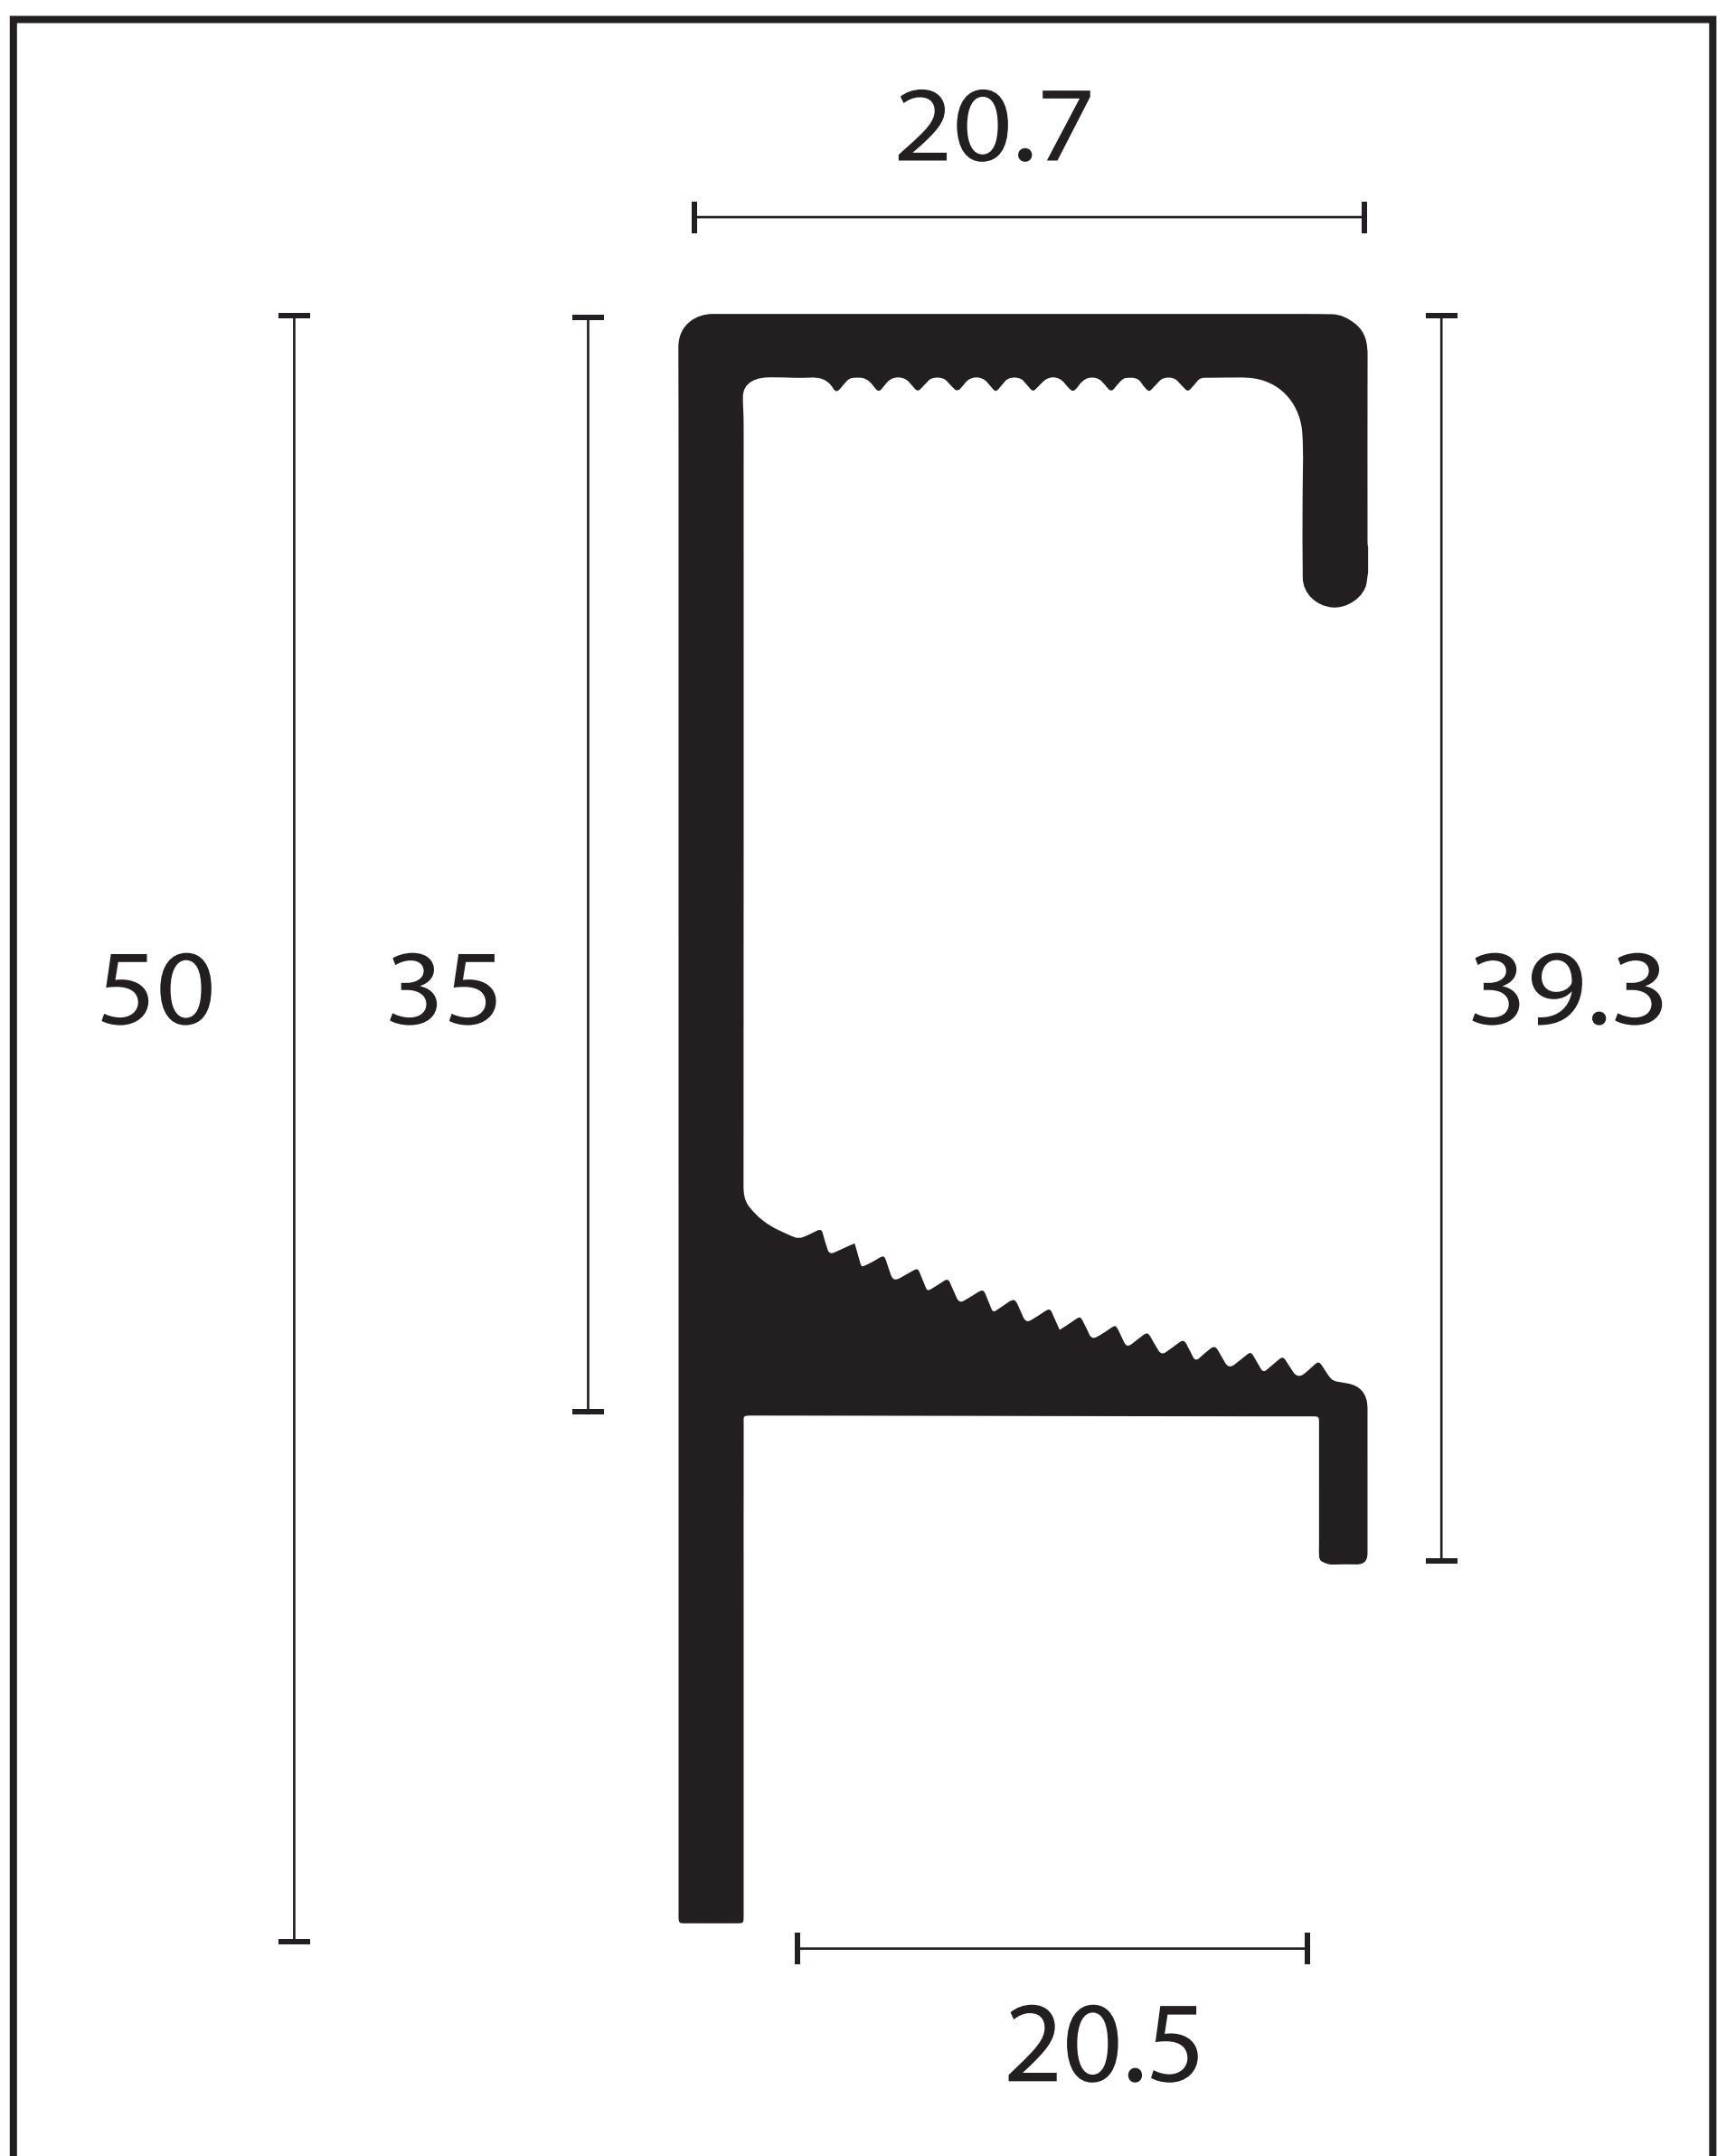

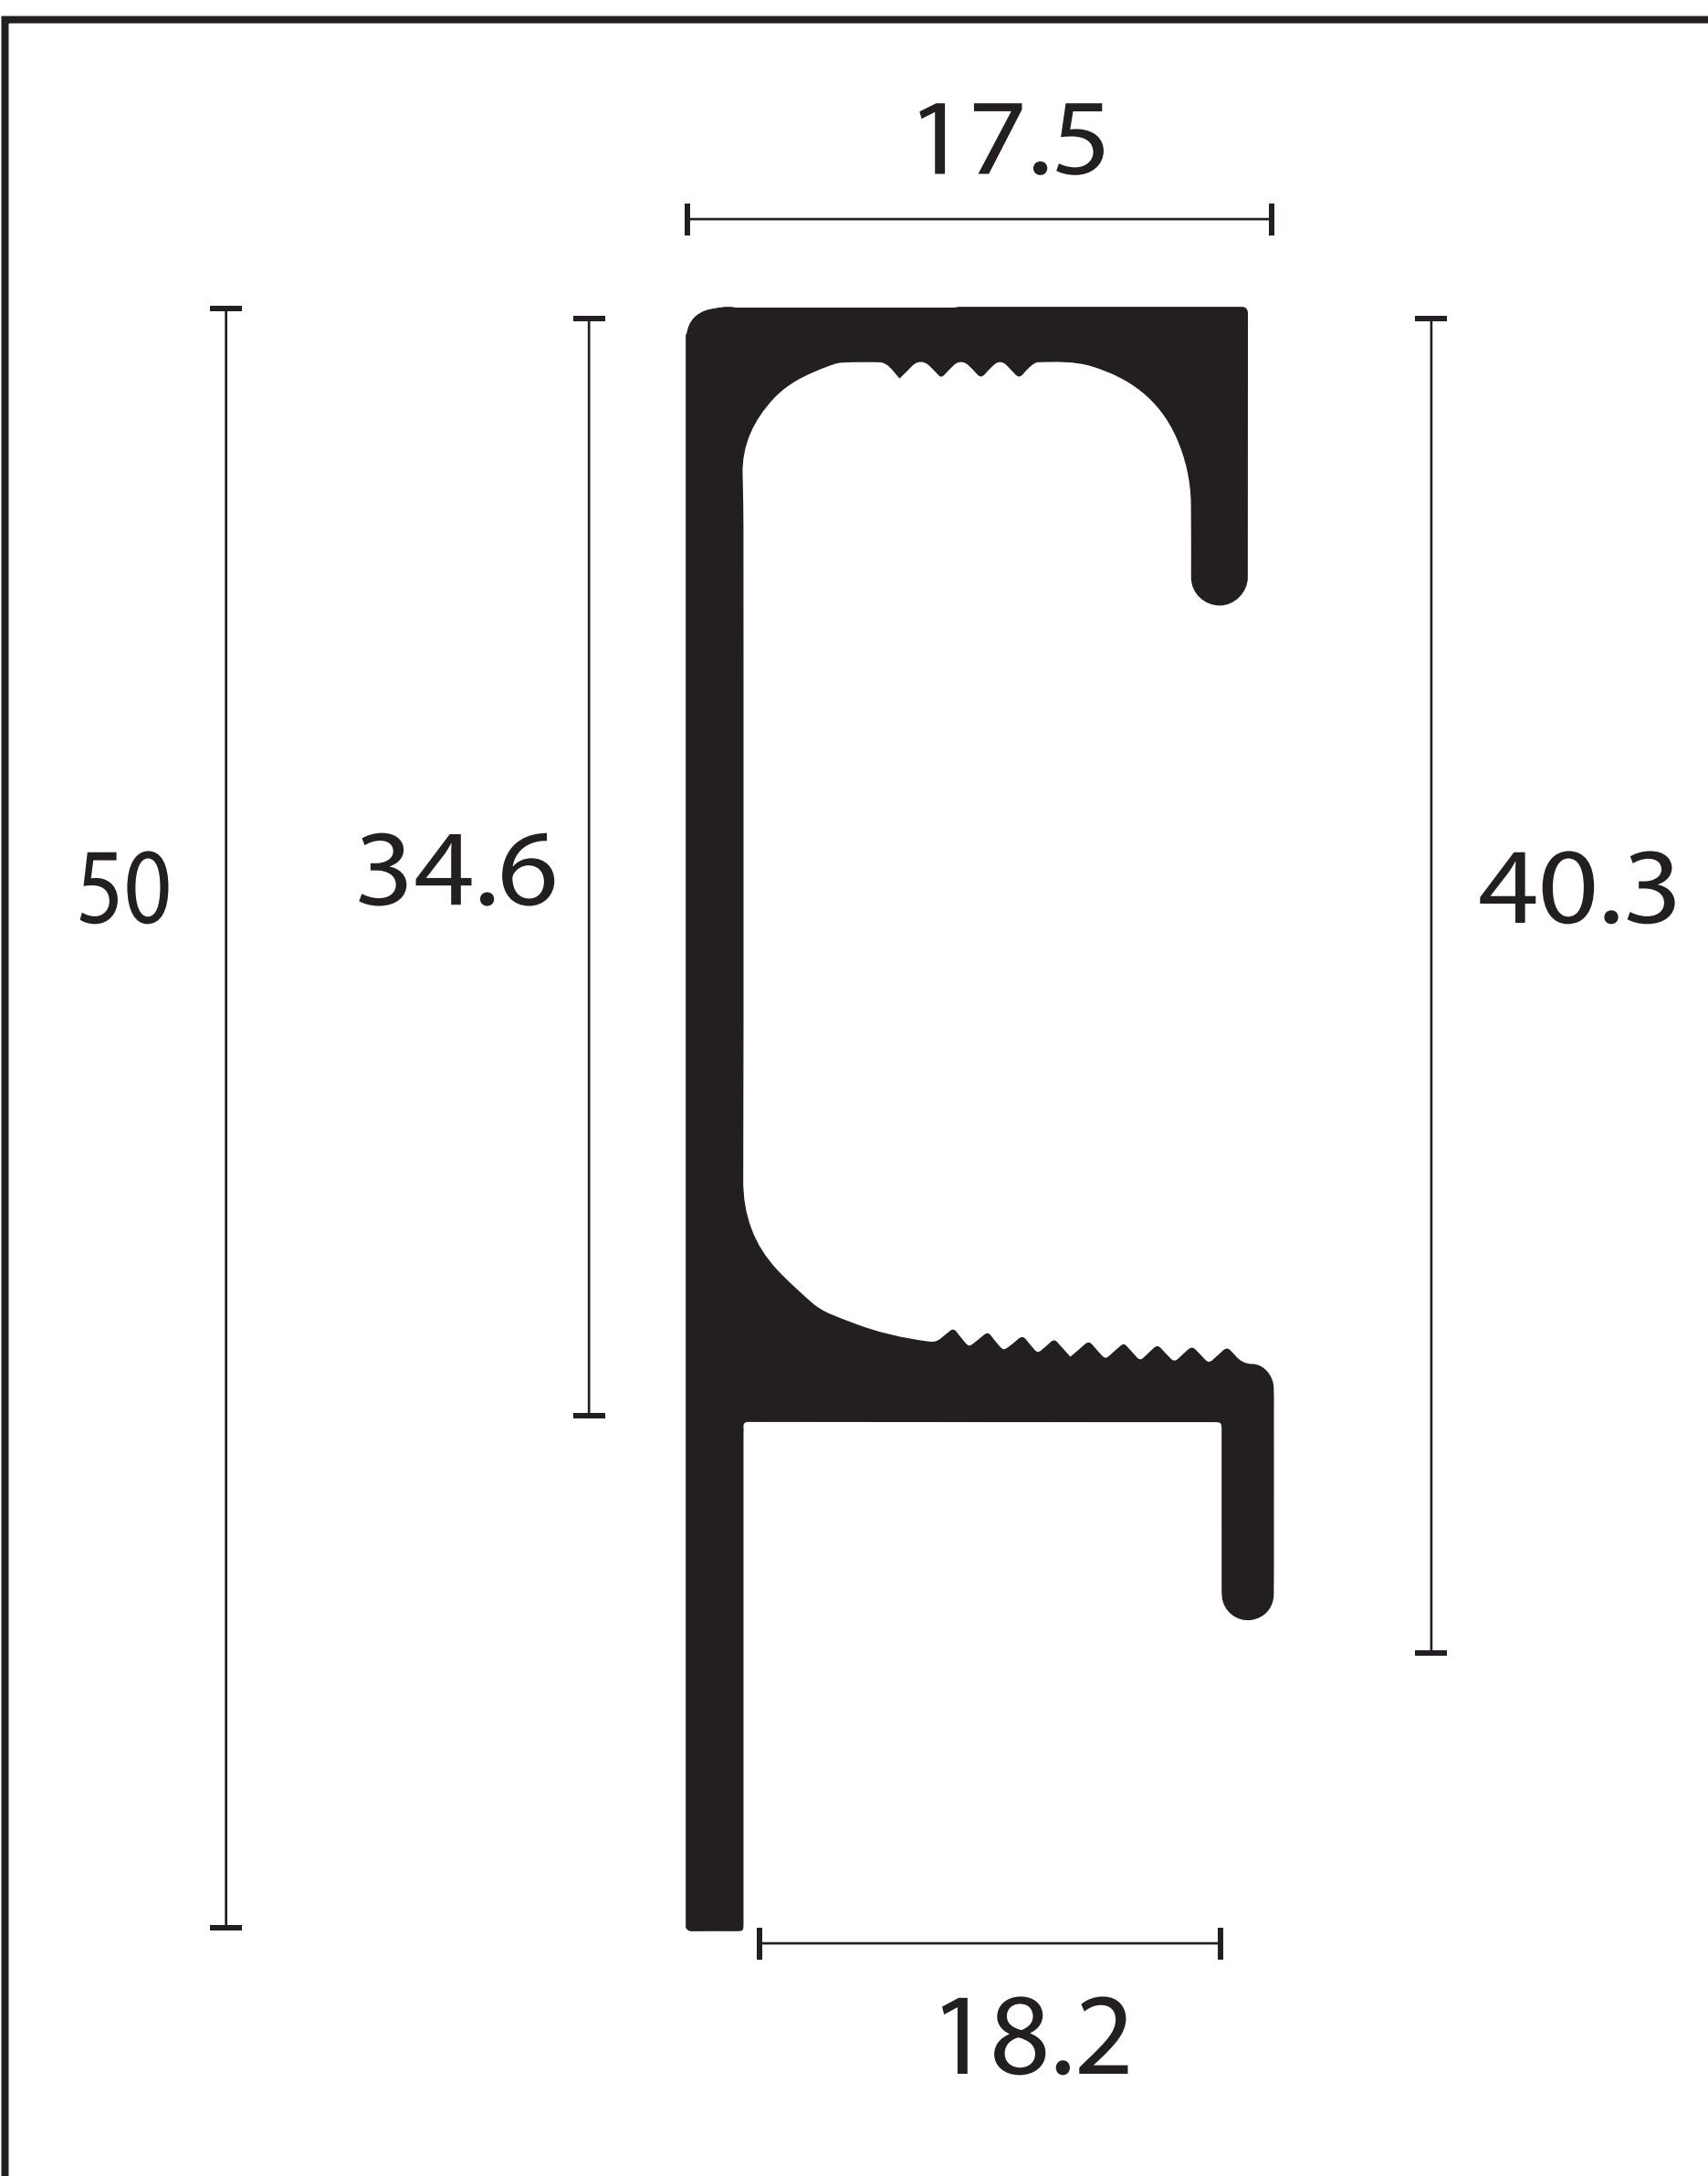

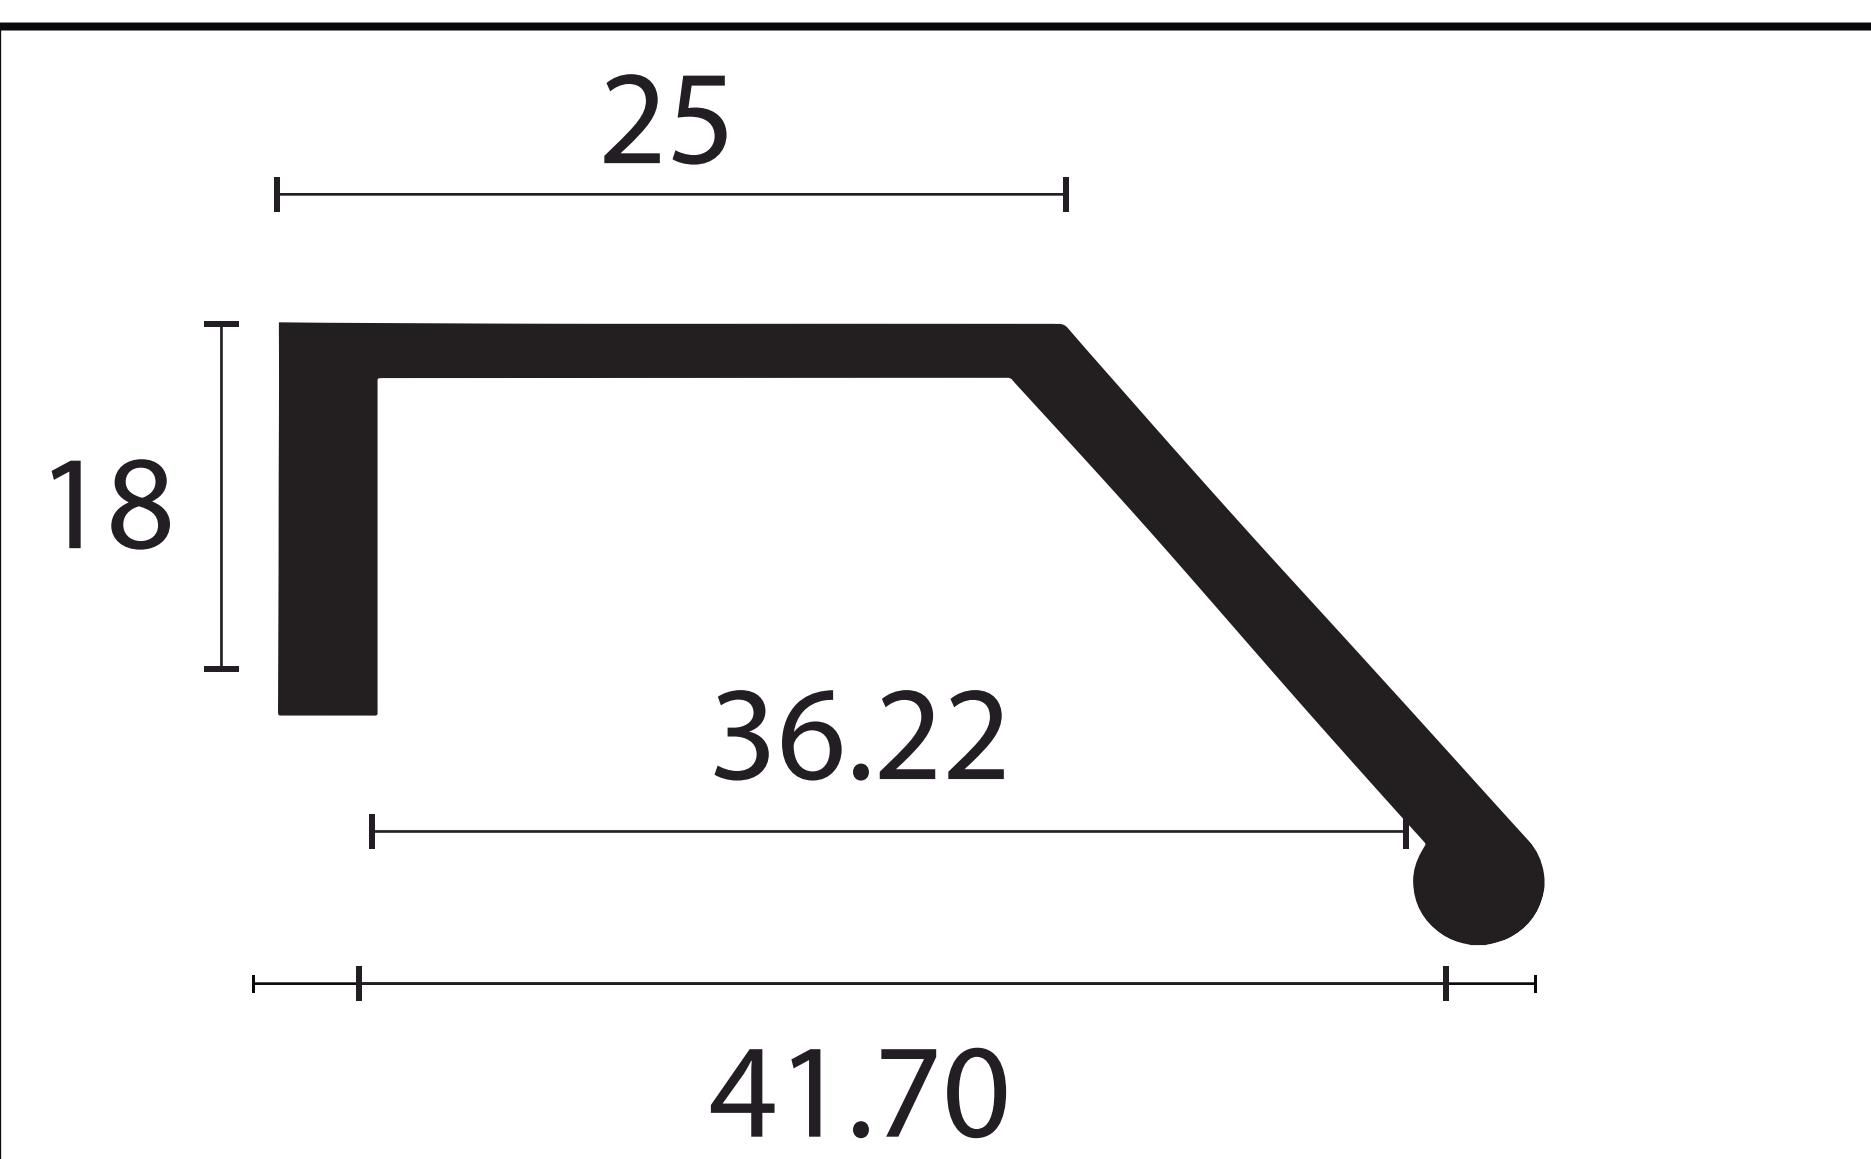

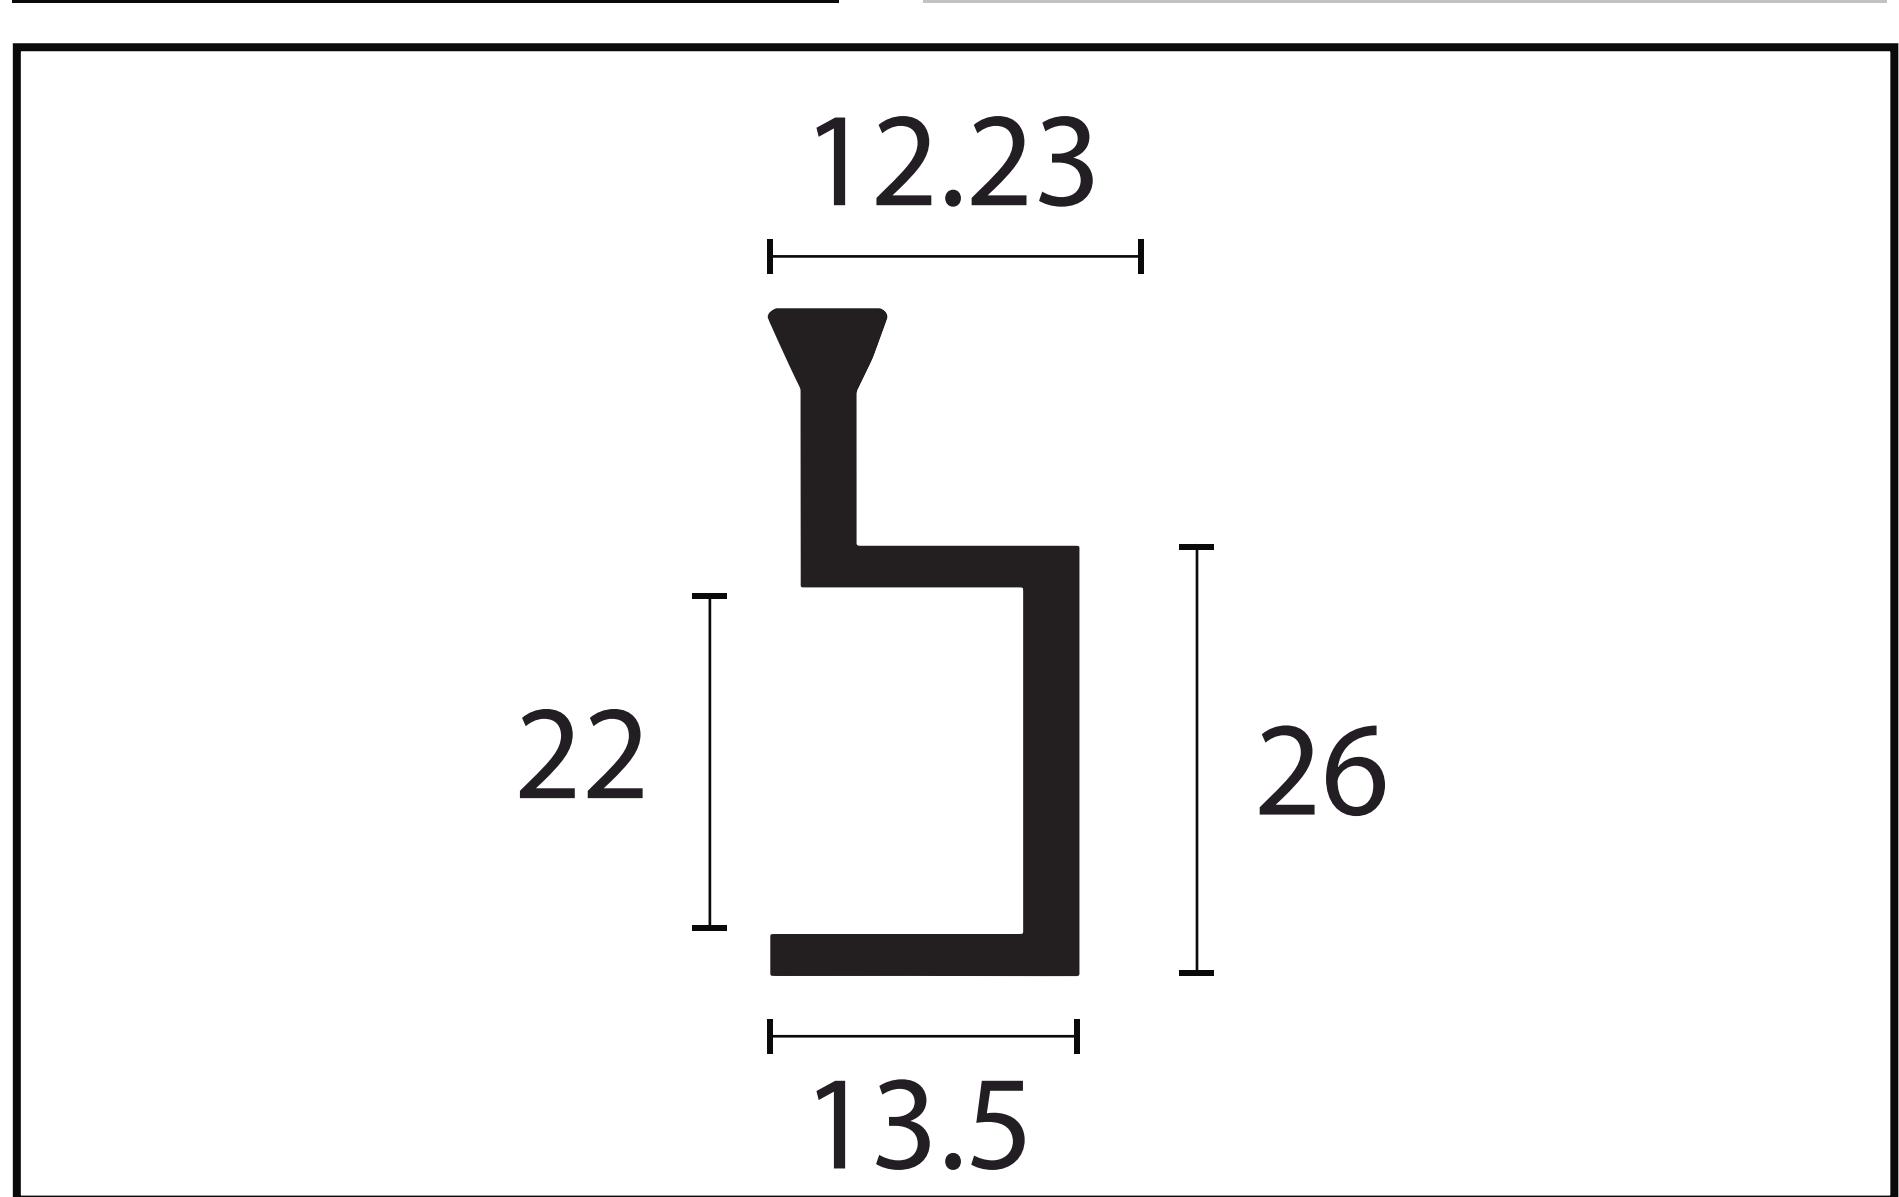

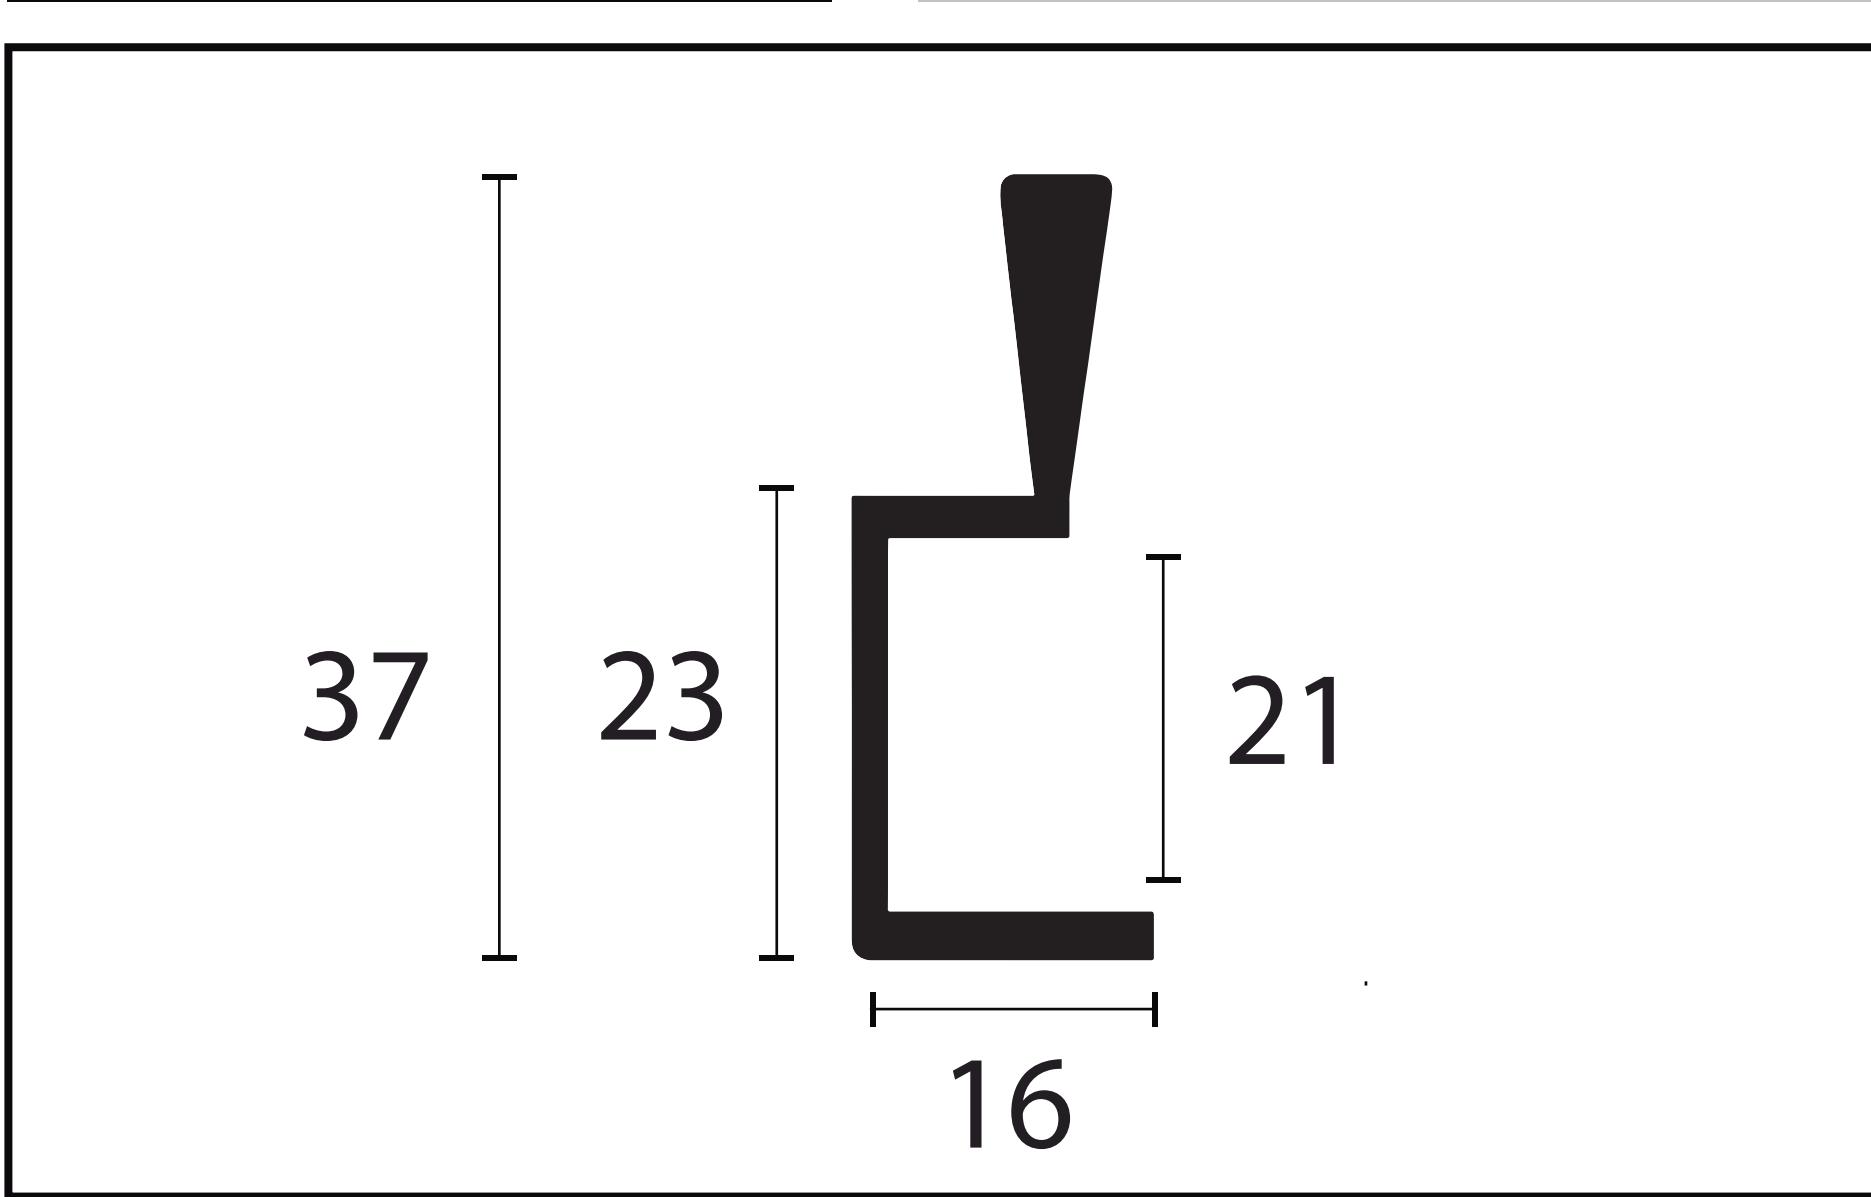

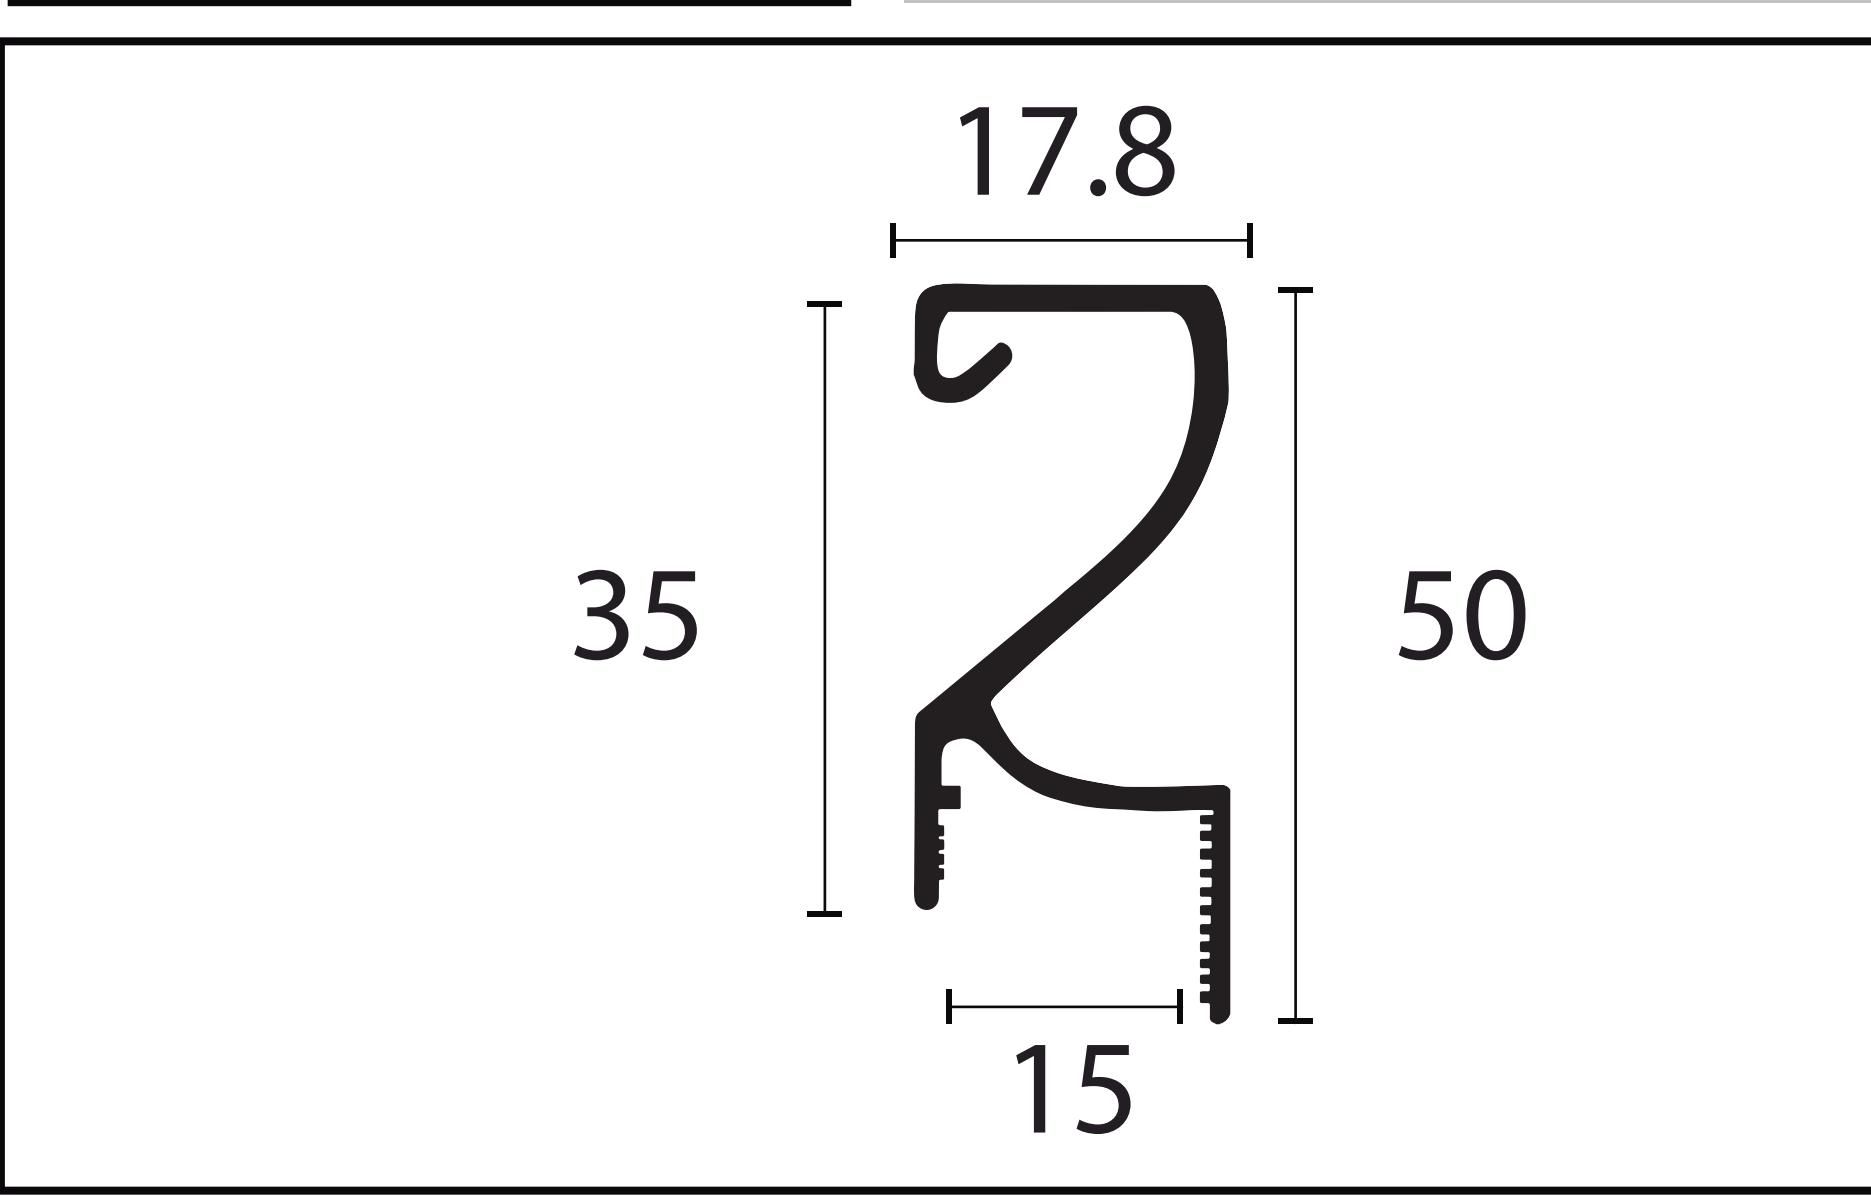

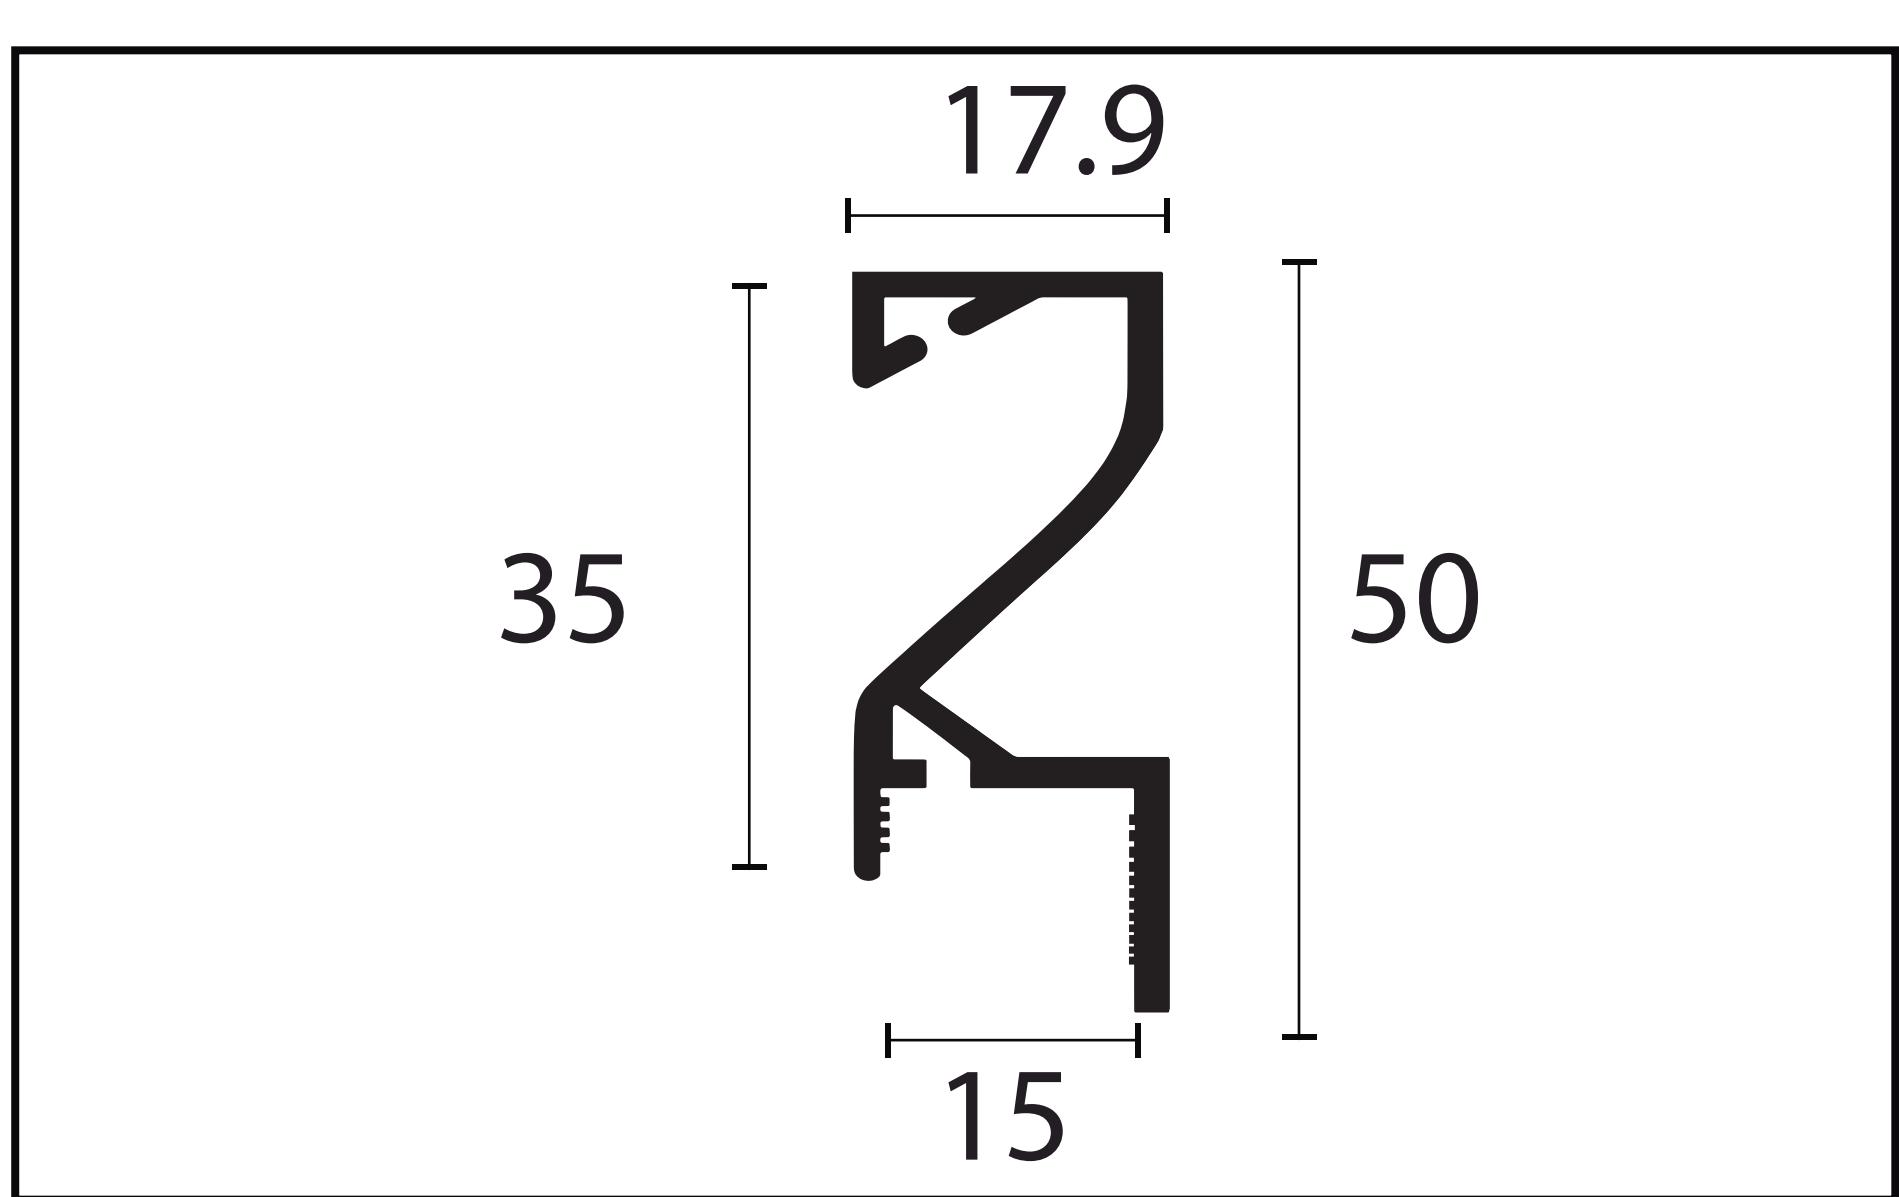

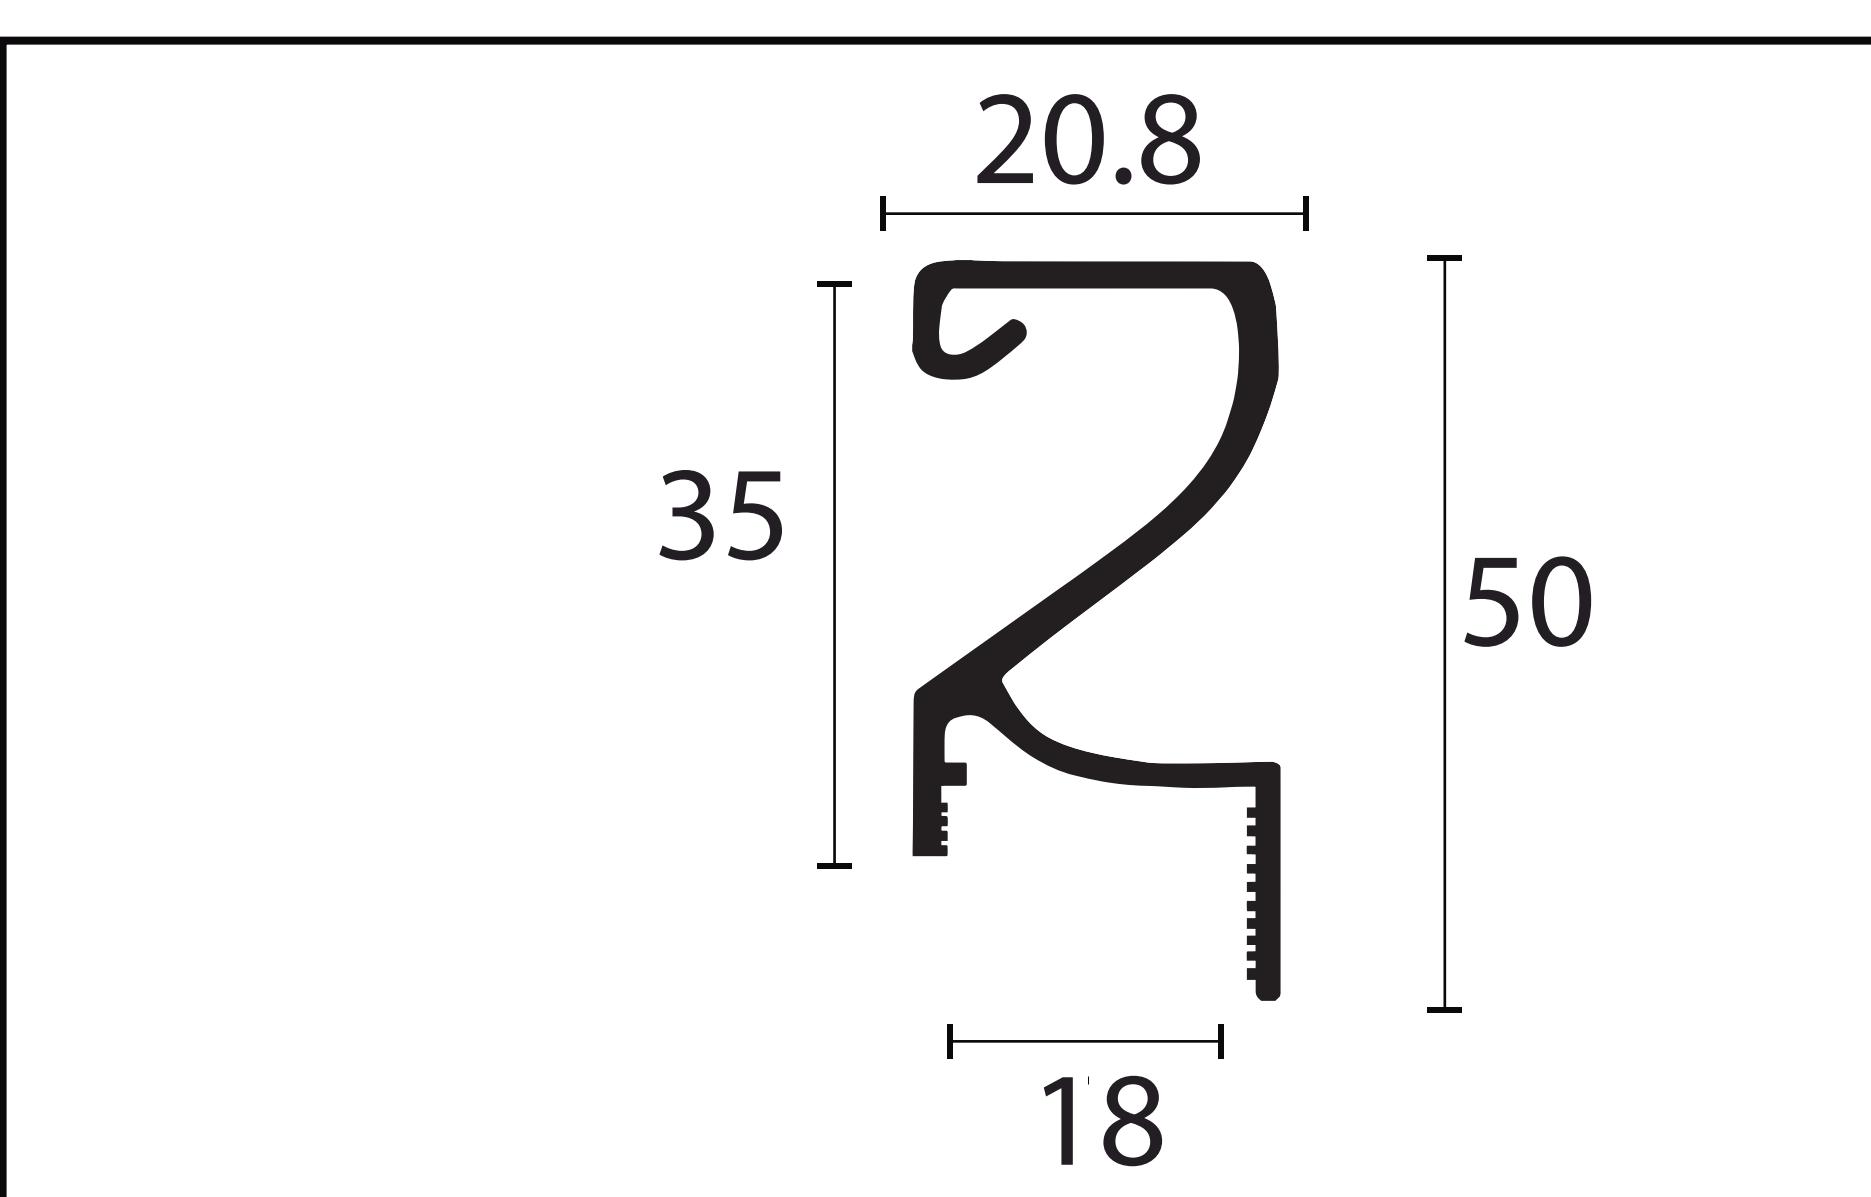

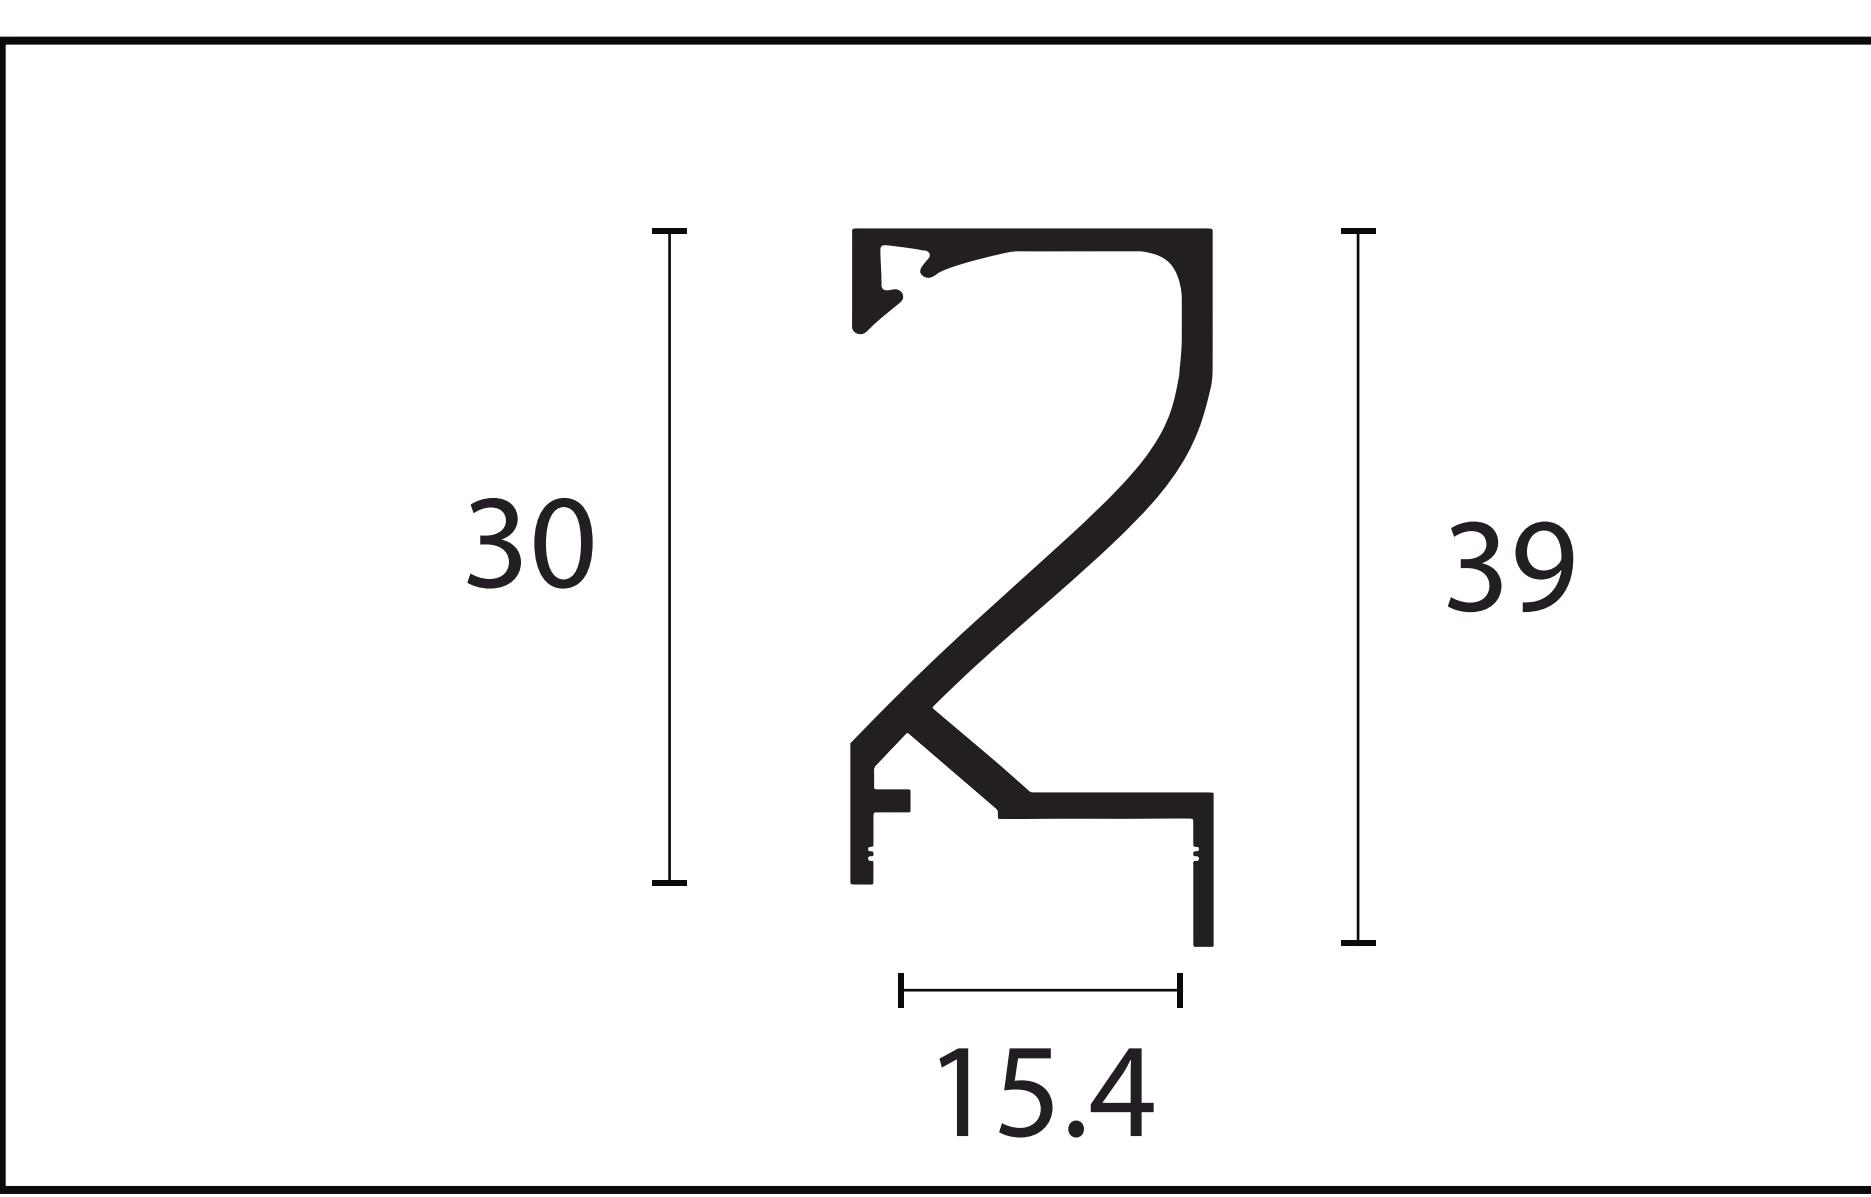

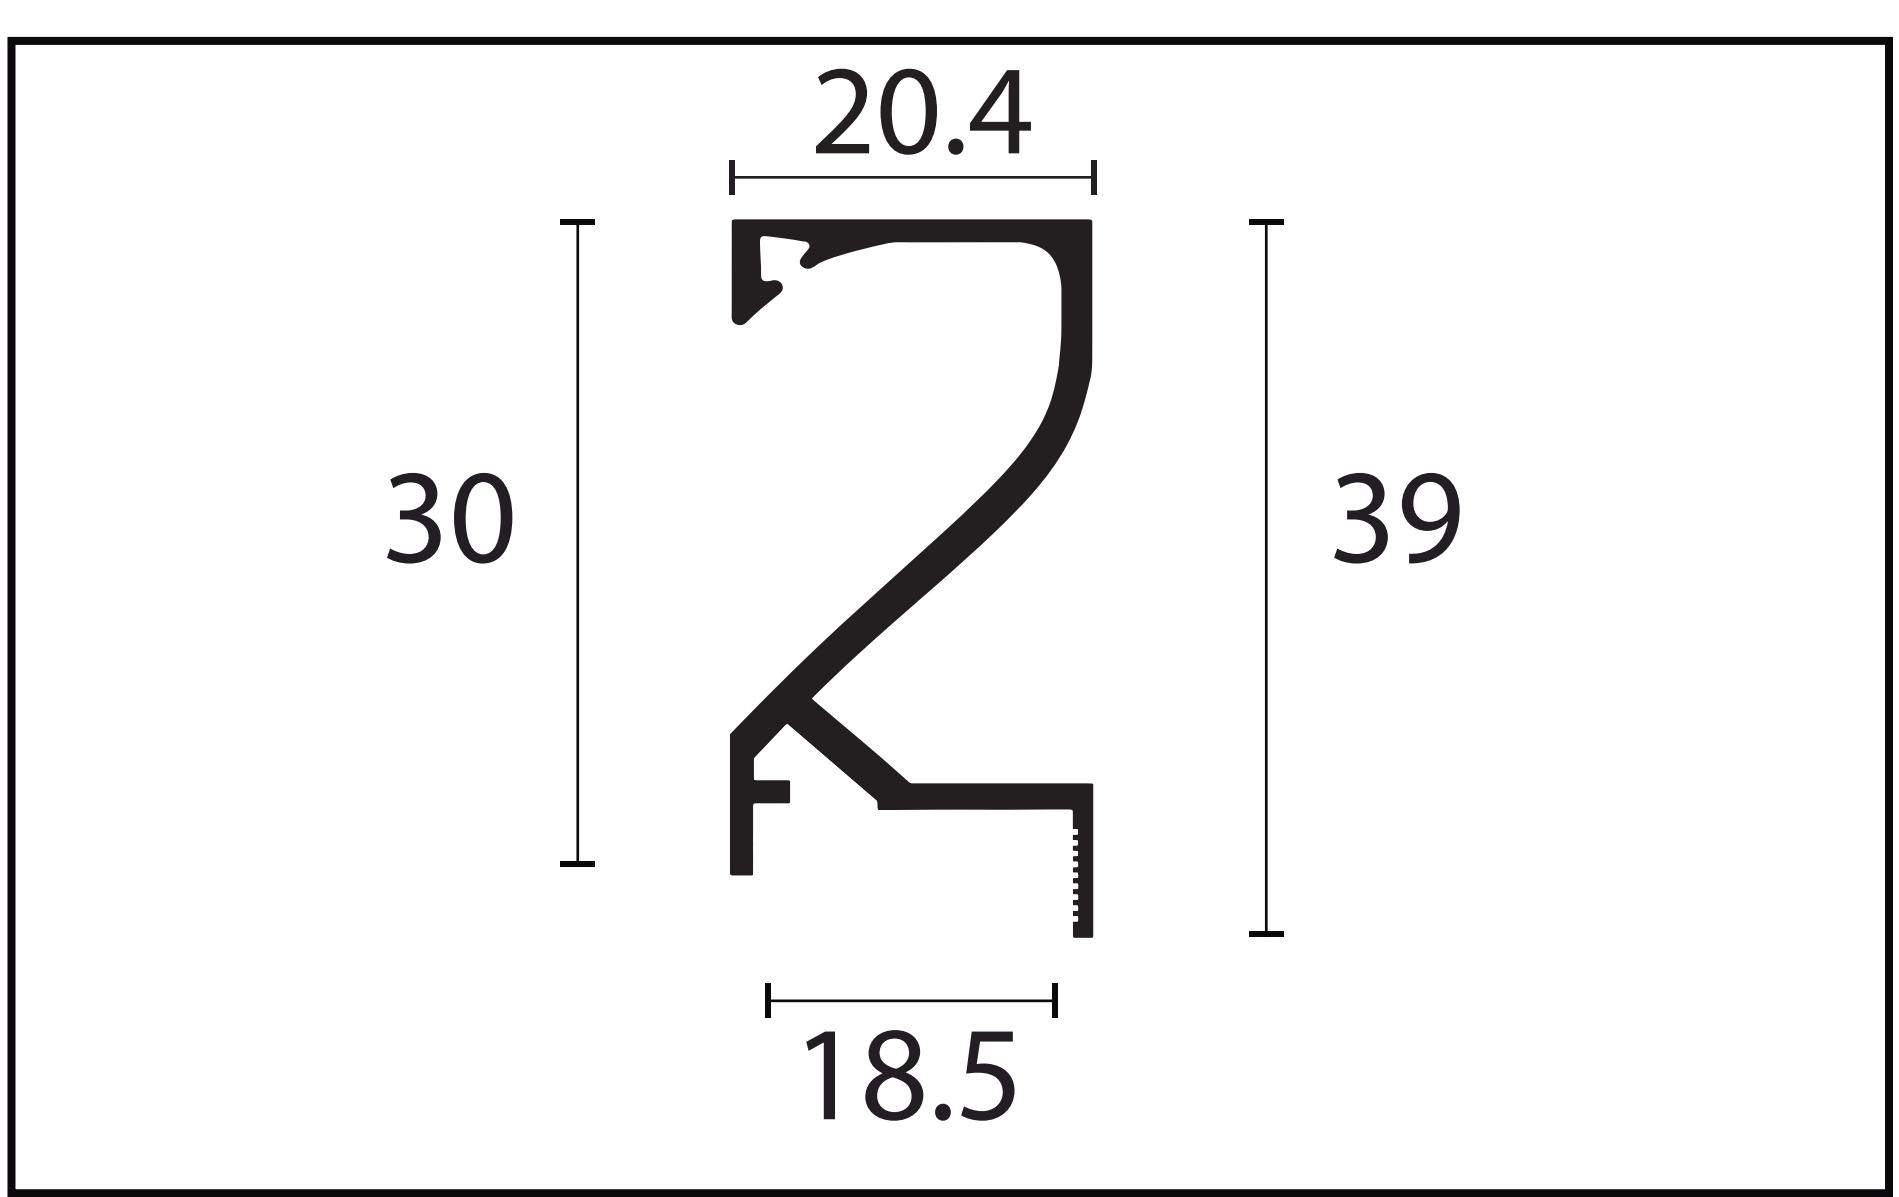

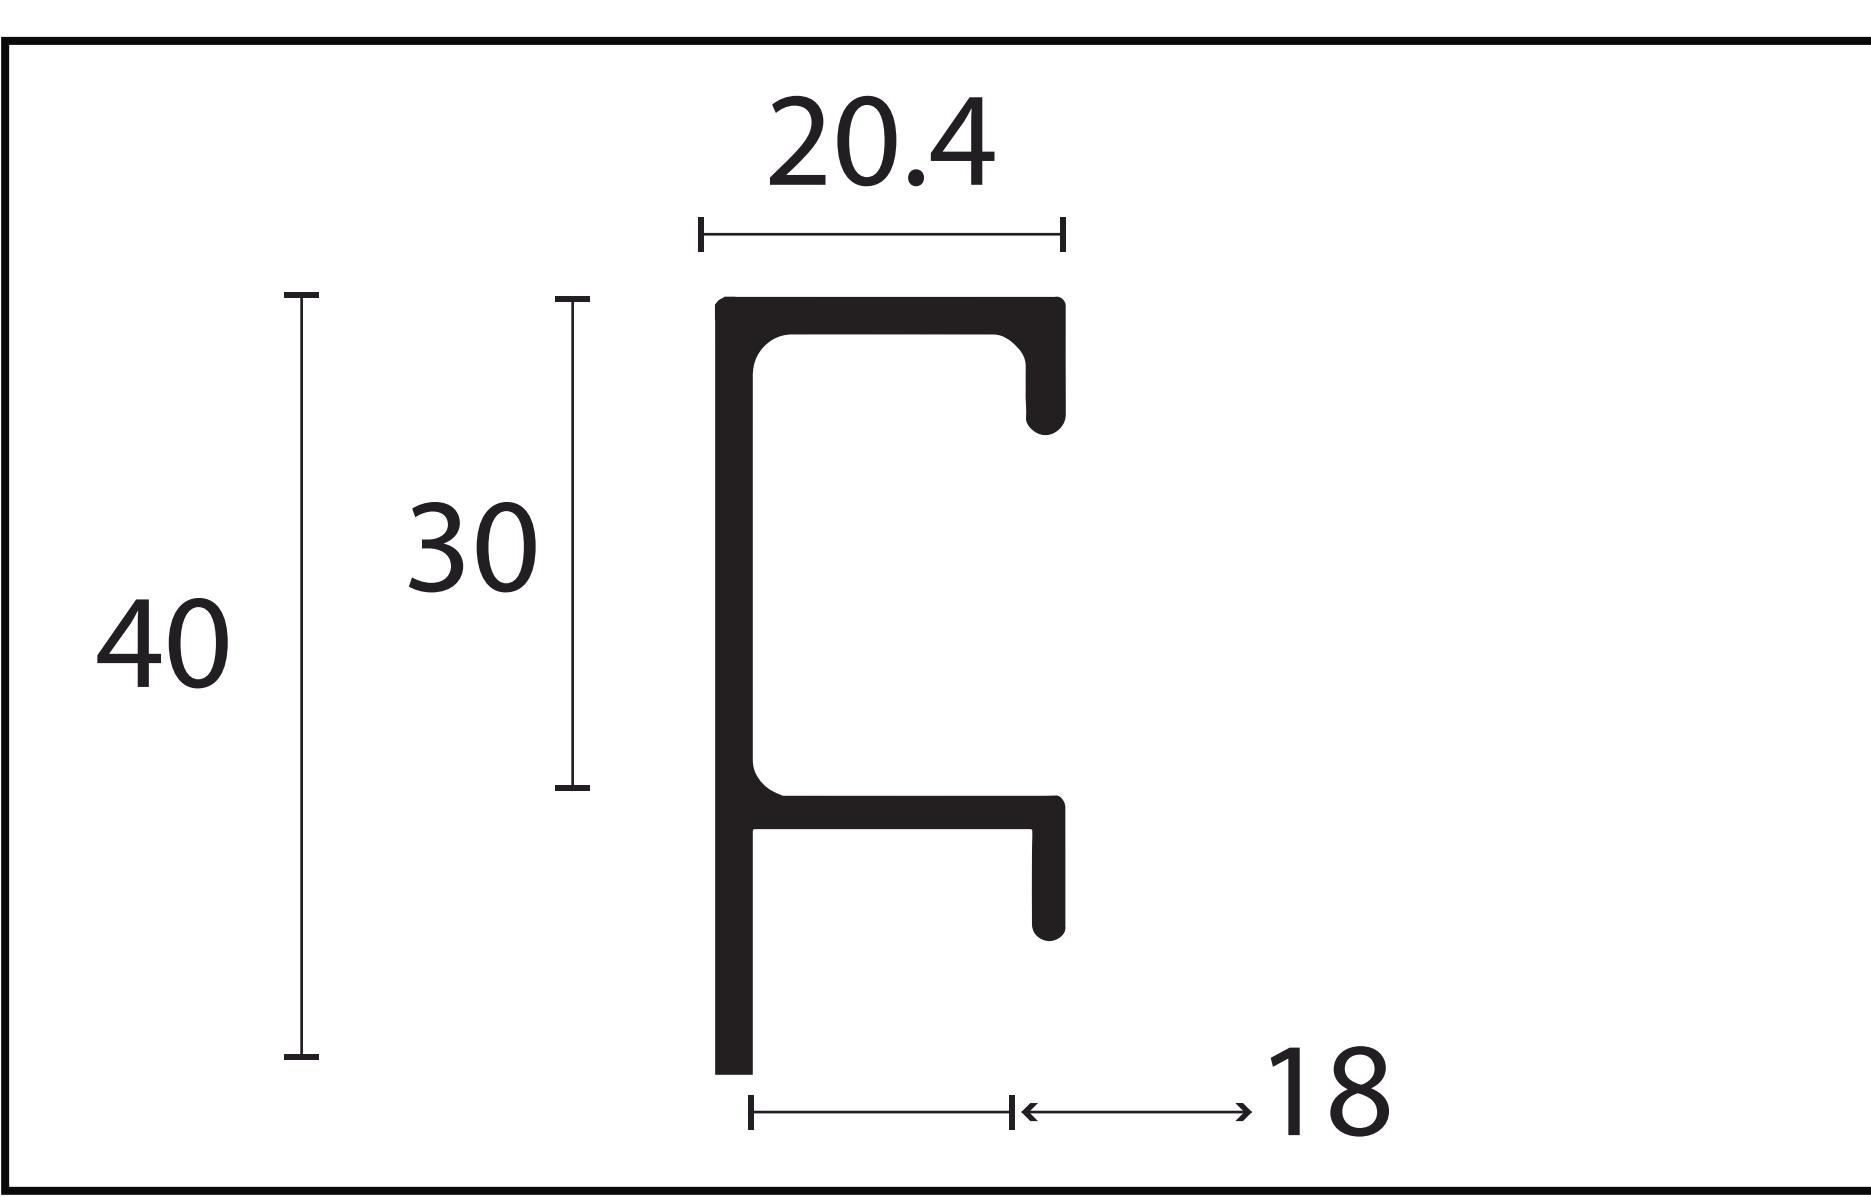

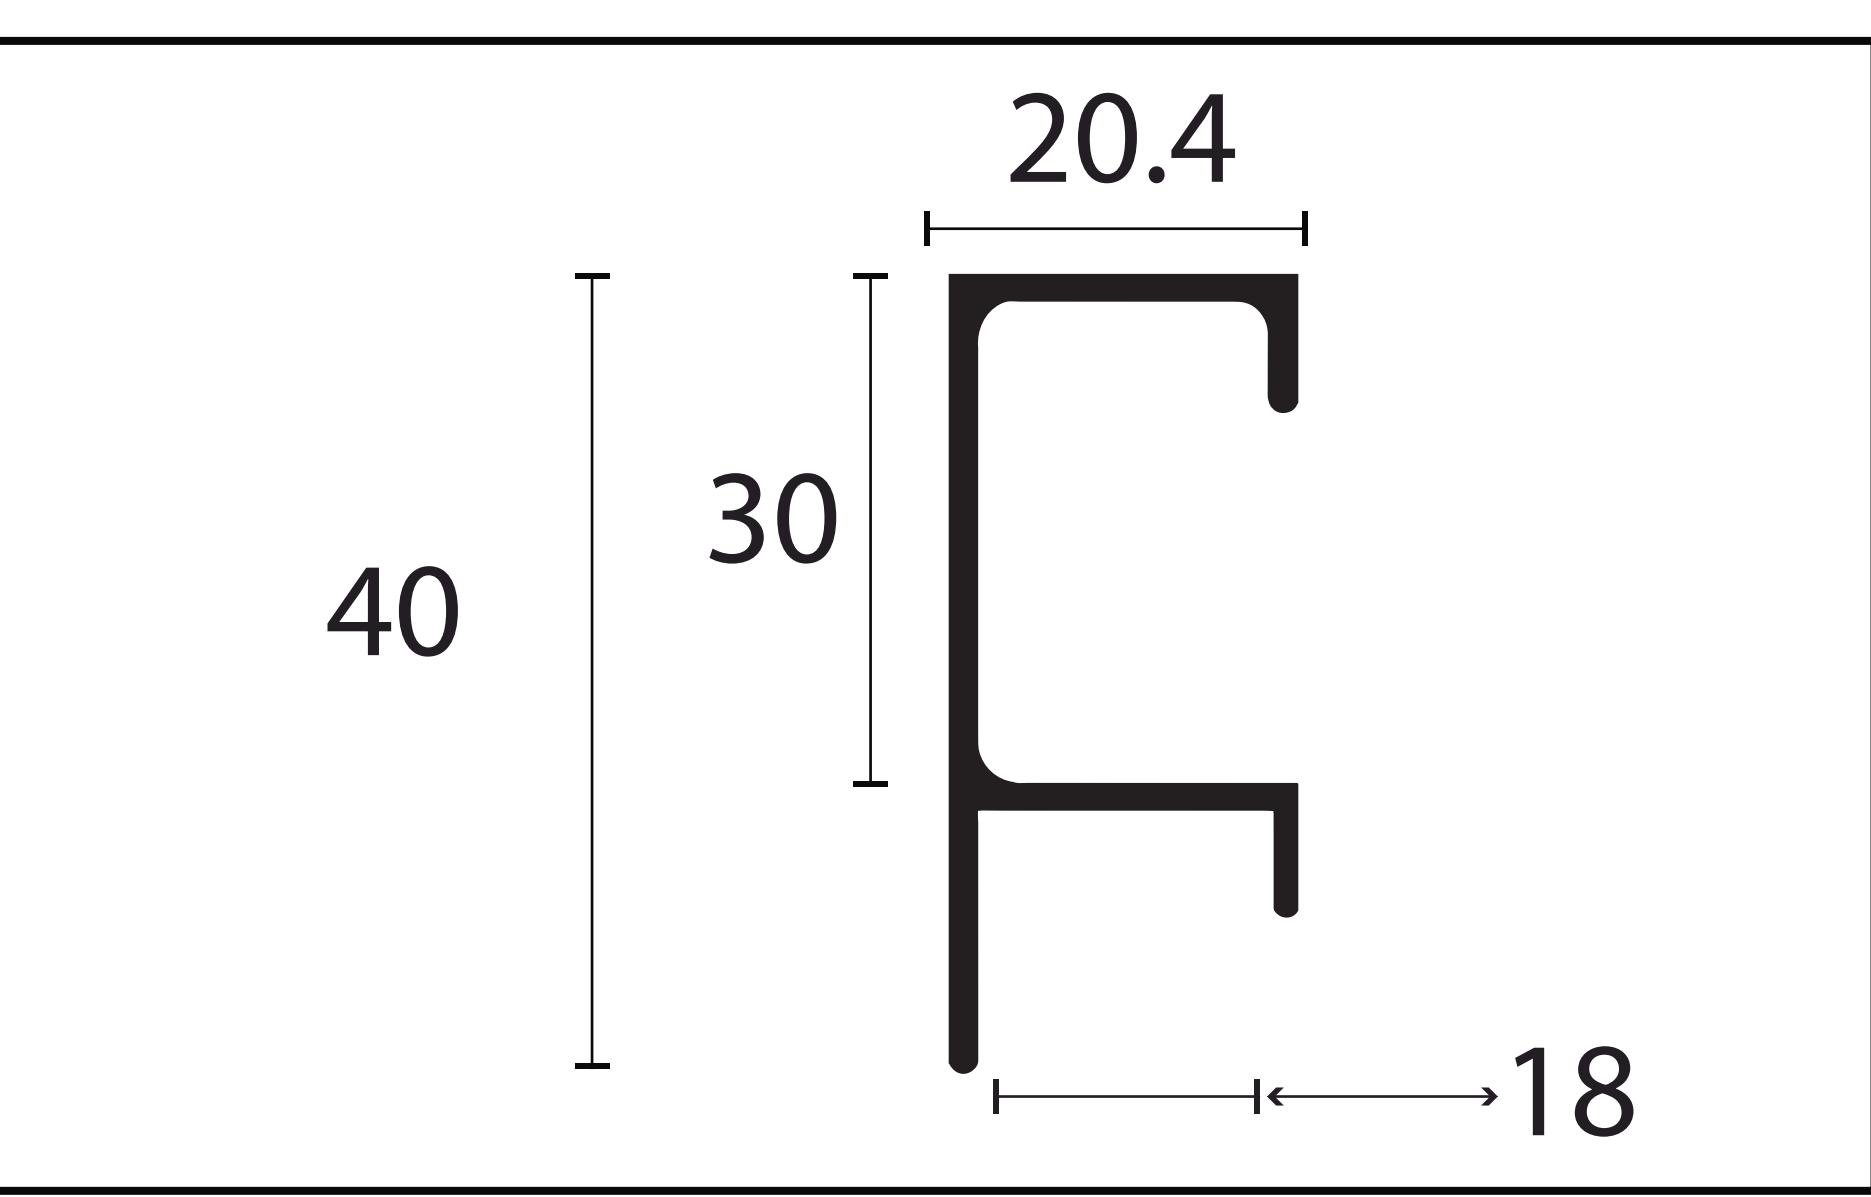

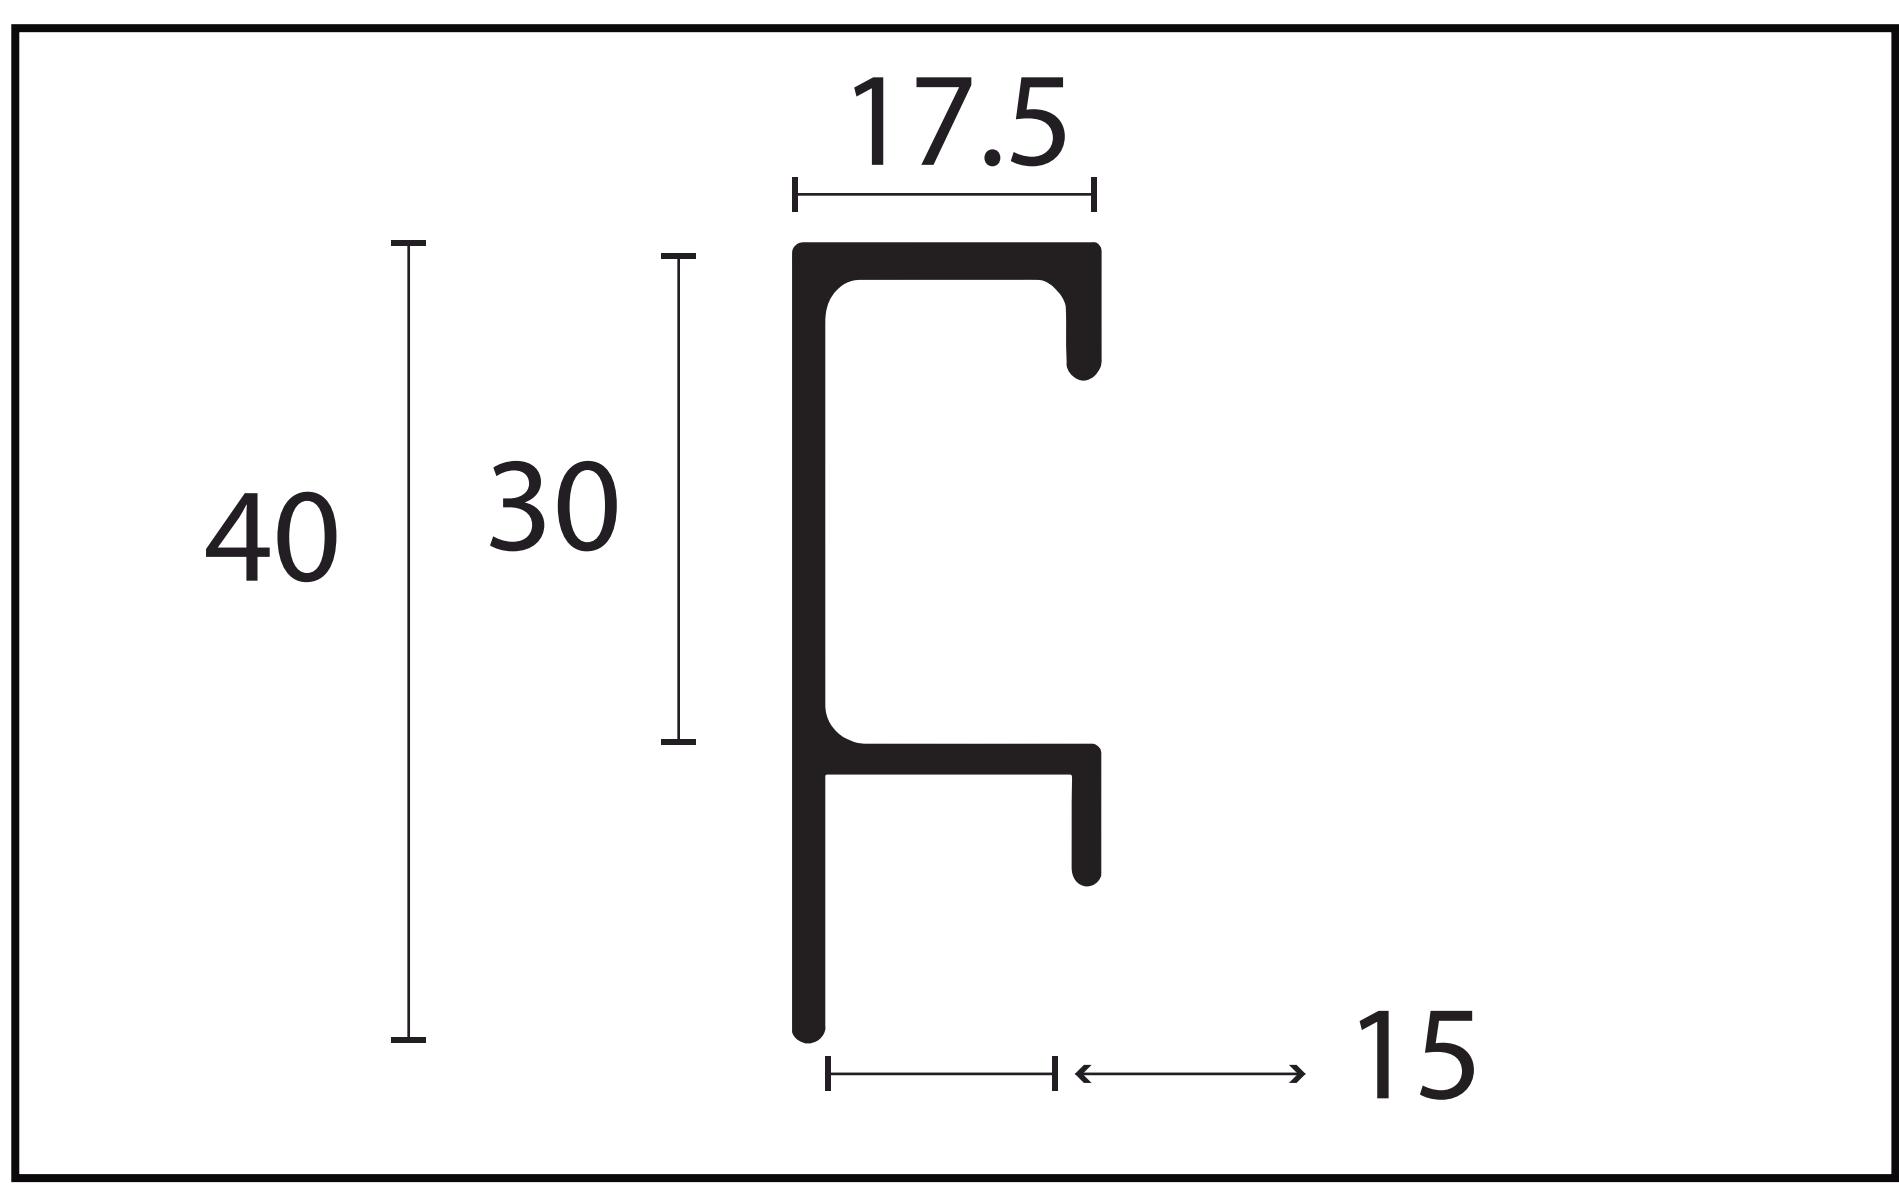

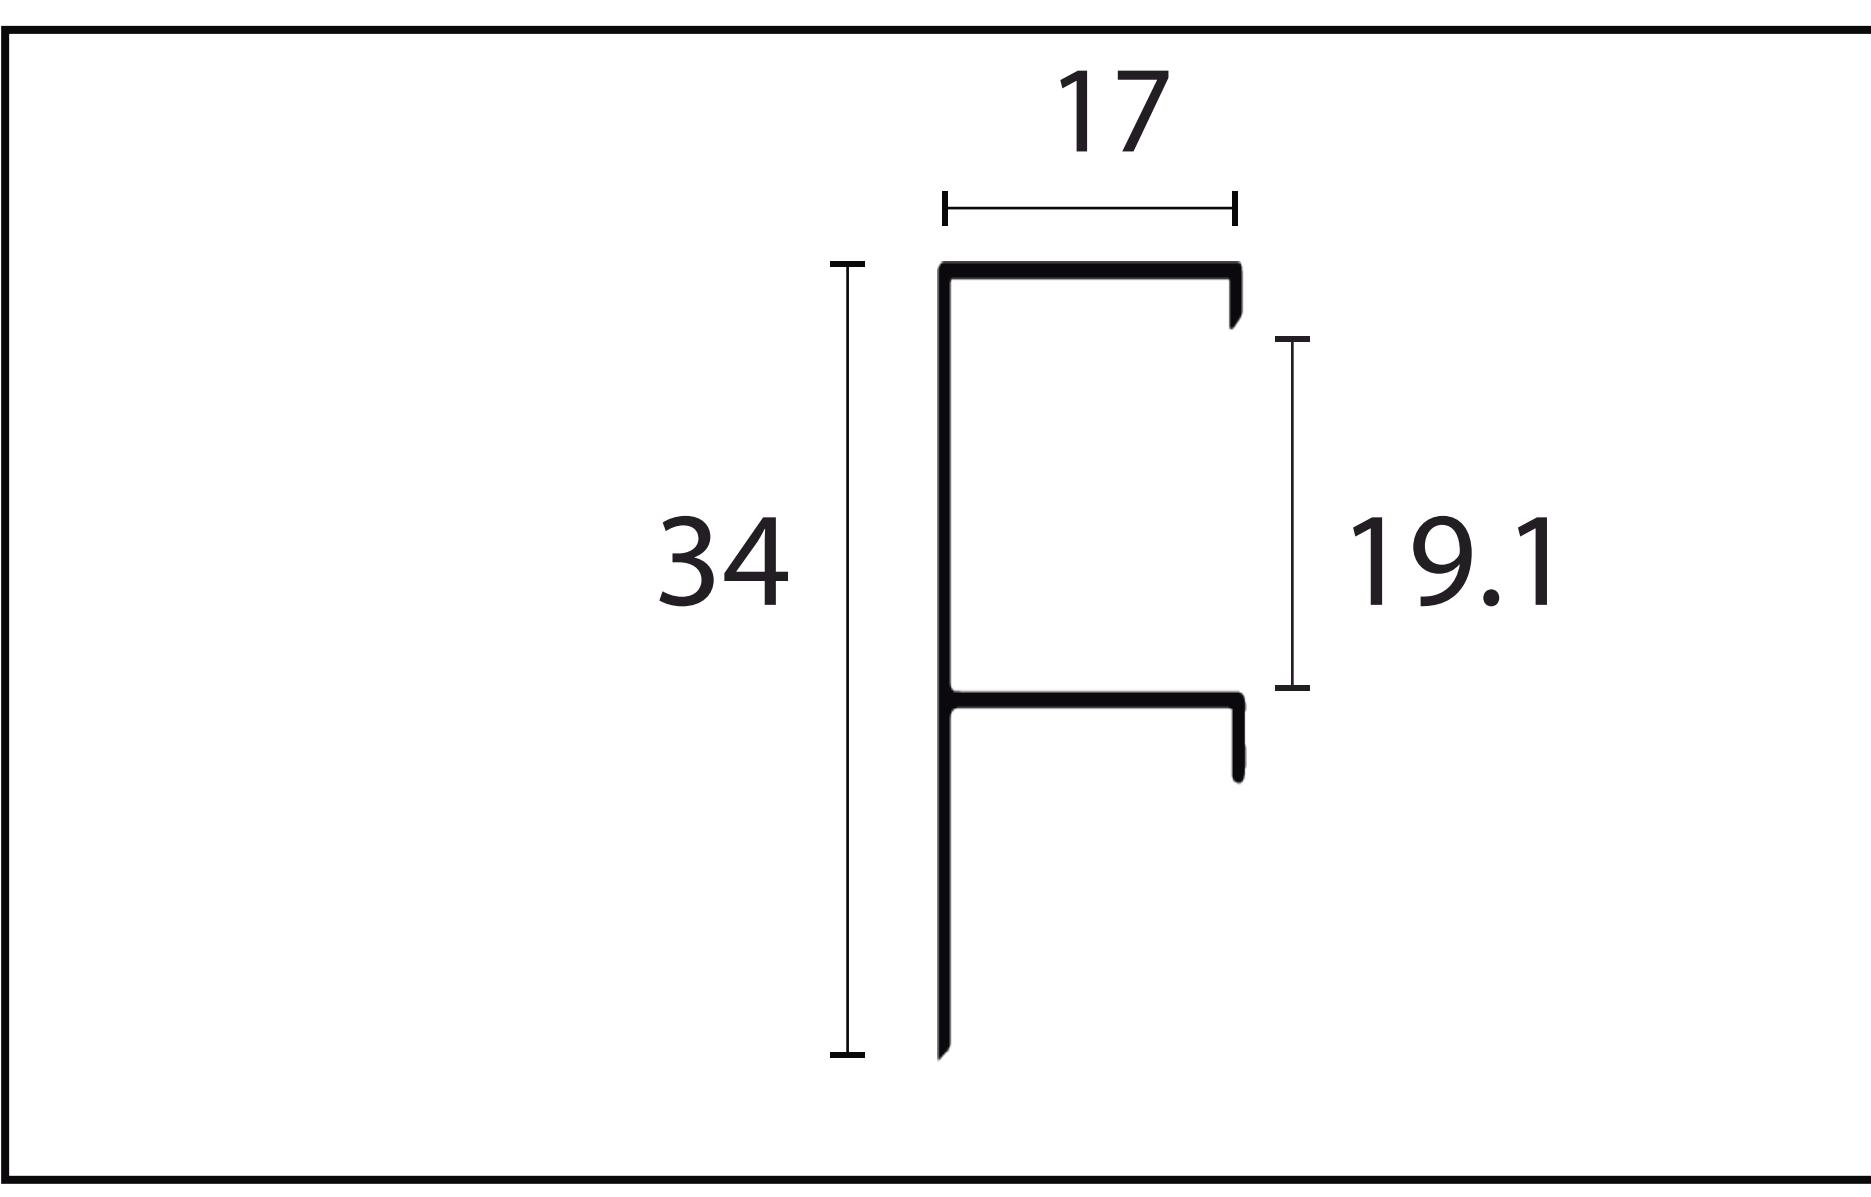

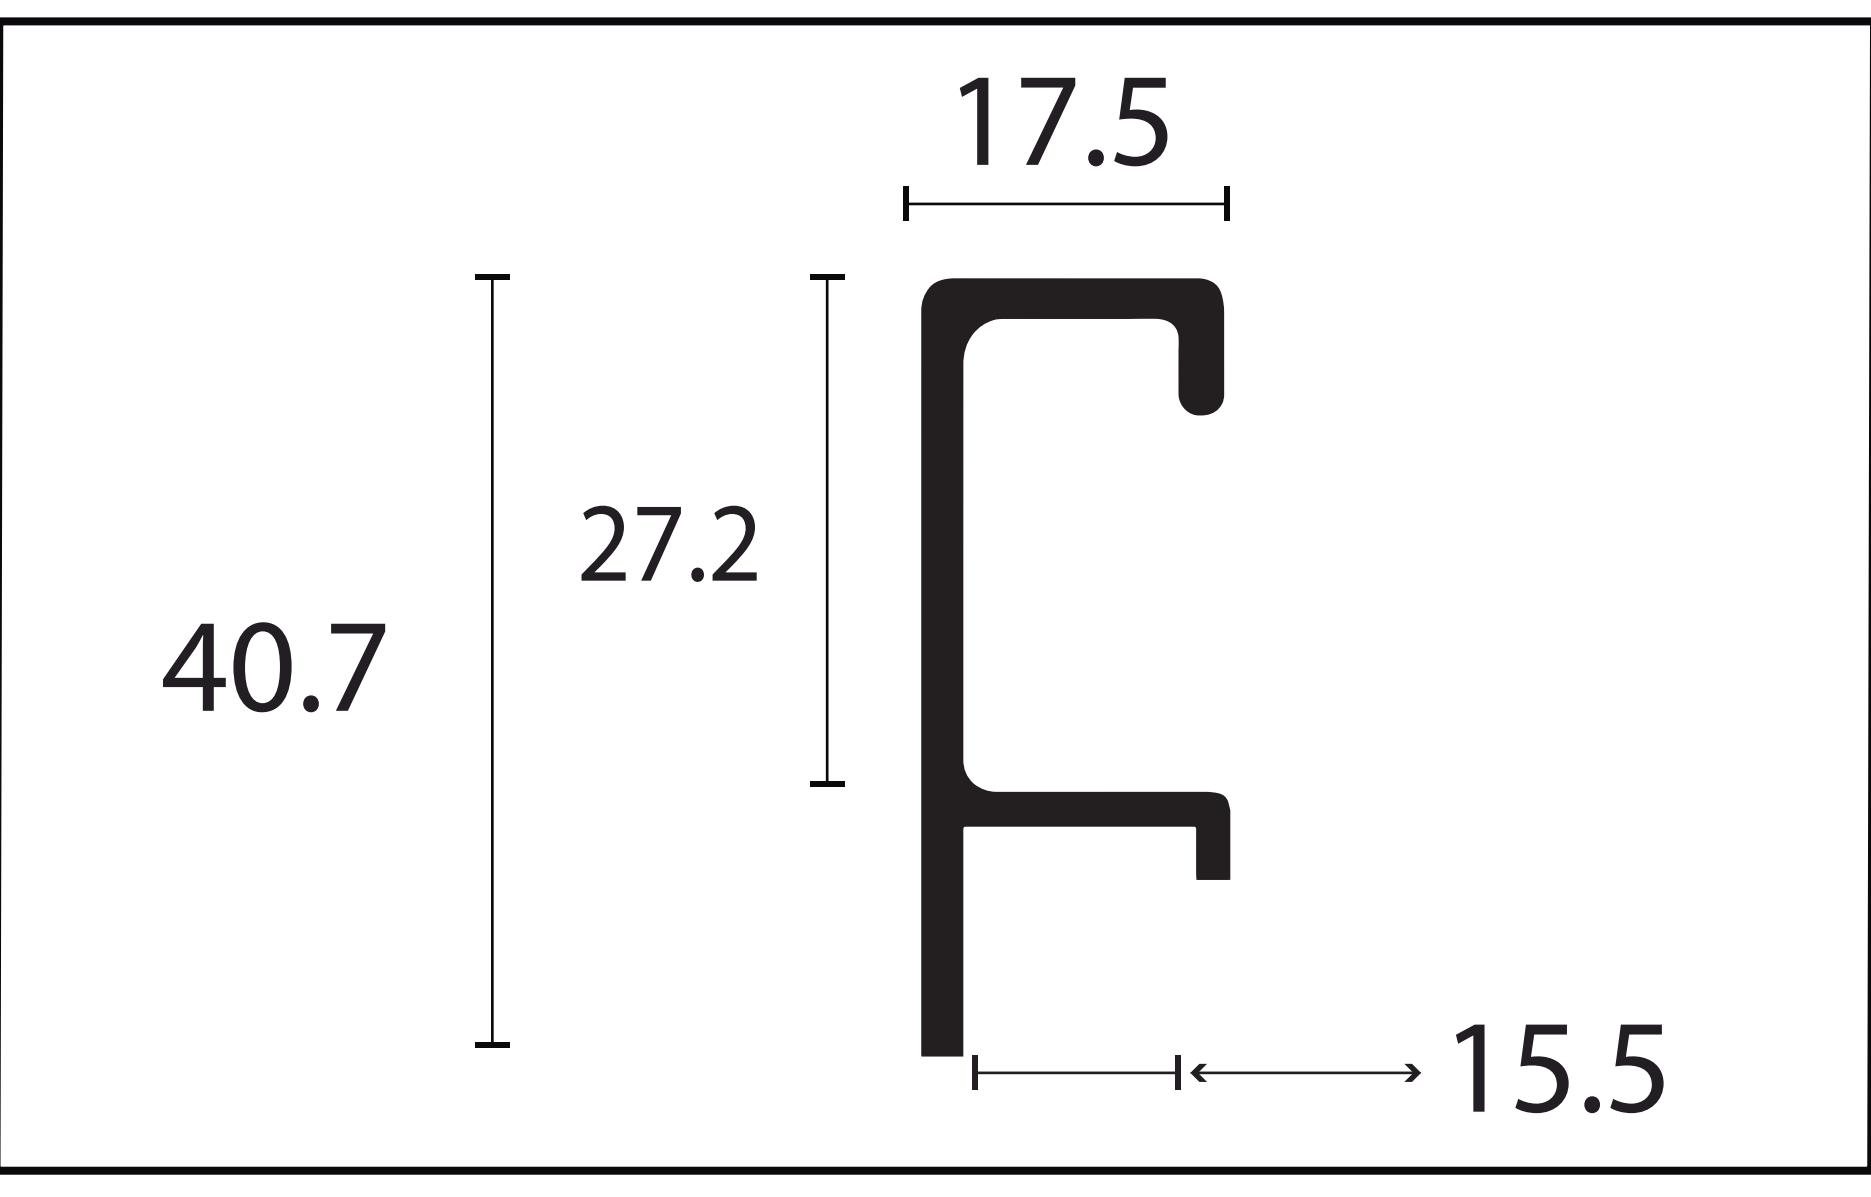

Temos em nossa linha de produção Anodização Própria com os acabamentos: Fosco Anodizado, e em sua Linha Decorativa: Bronze, Inox, Preto, Branco, Orion, Ouro, Fumê, Rosê, Titânio entre outras cores.

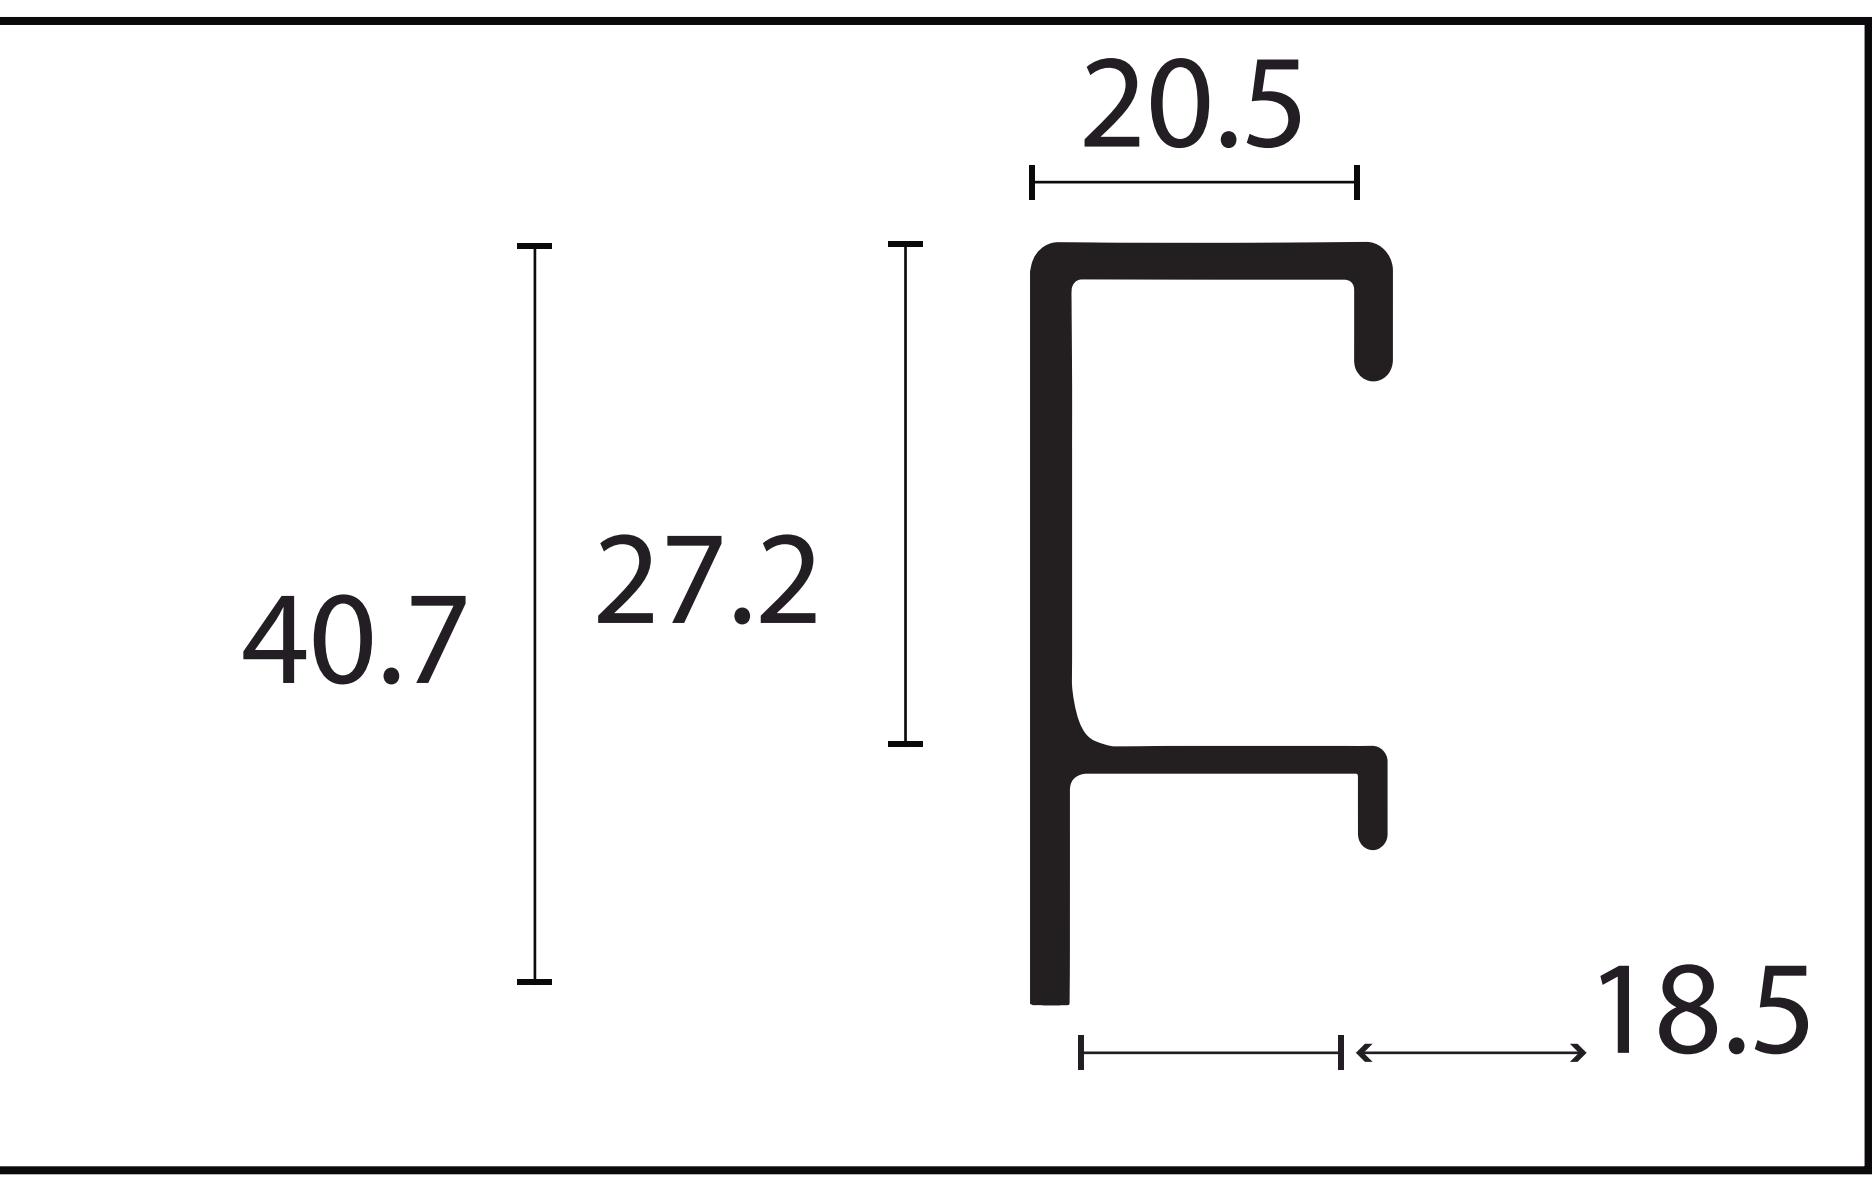

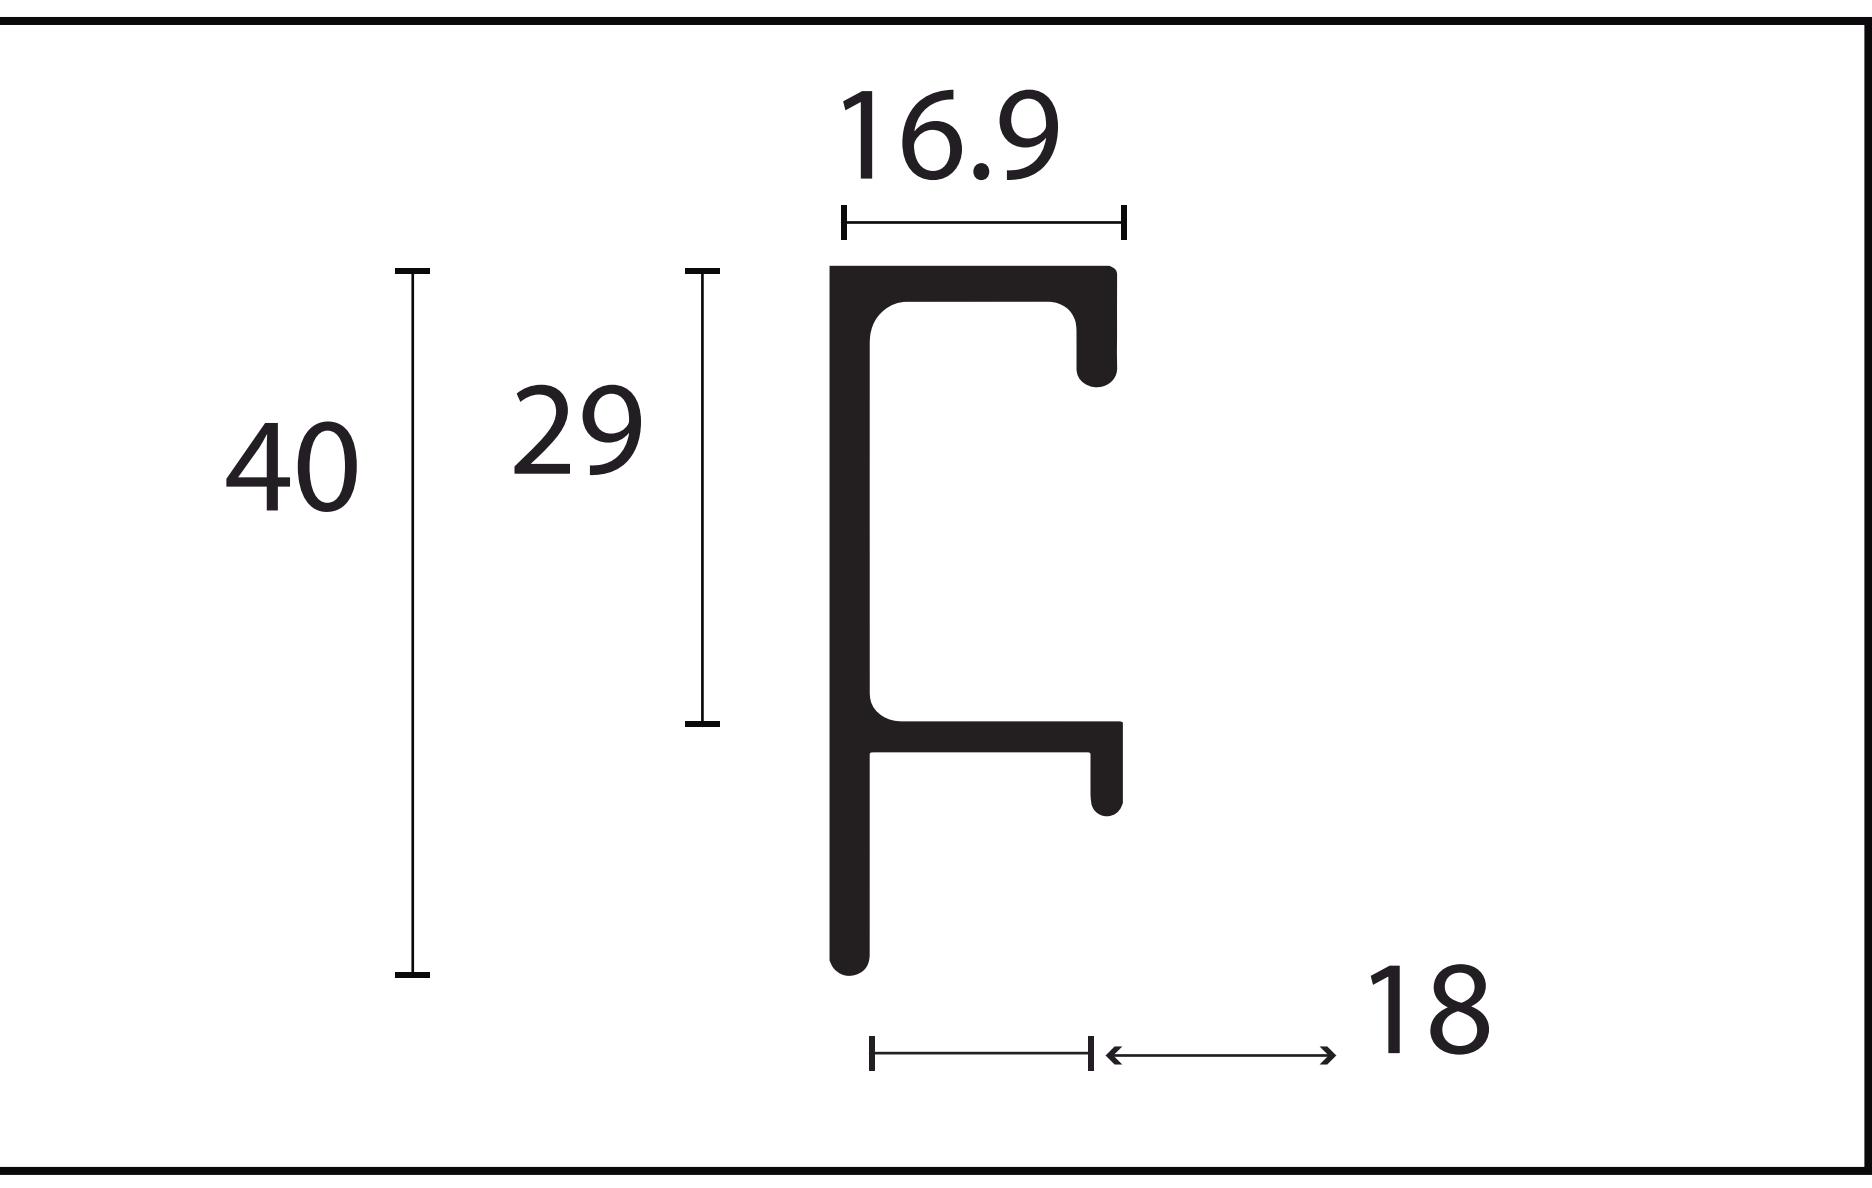

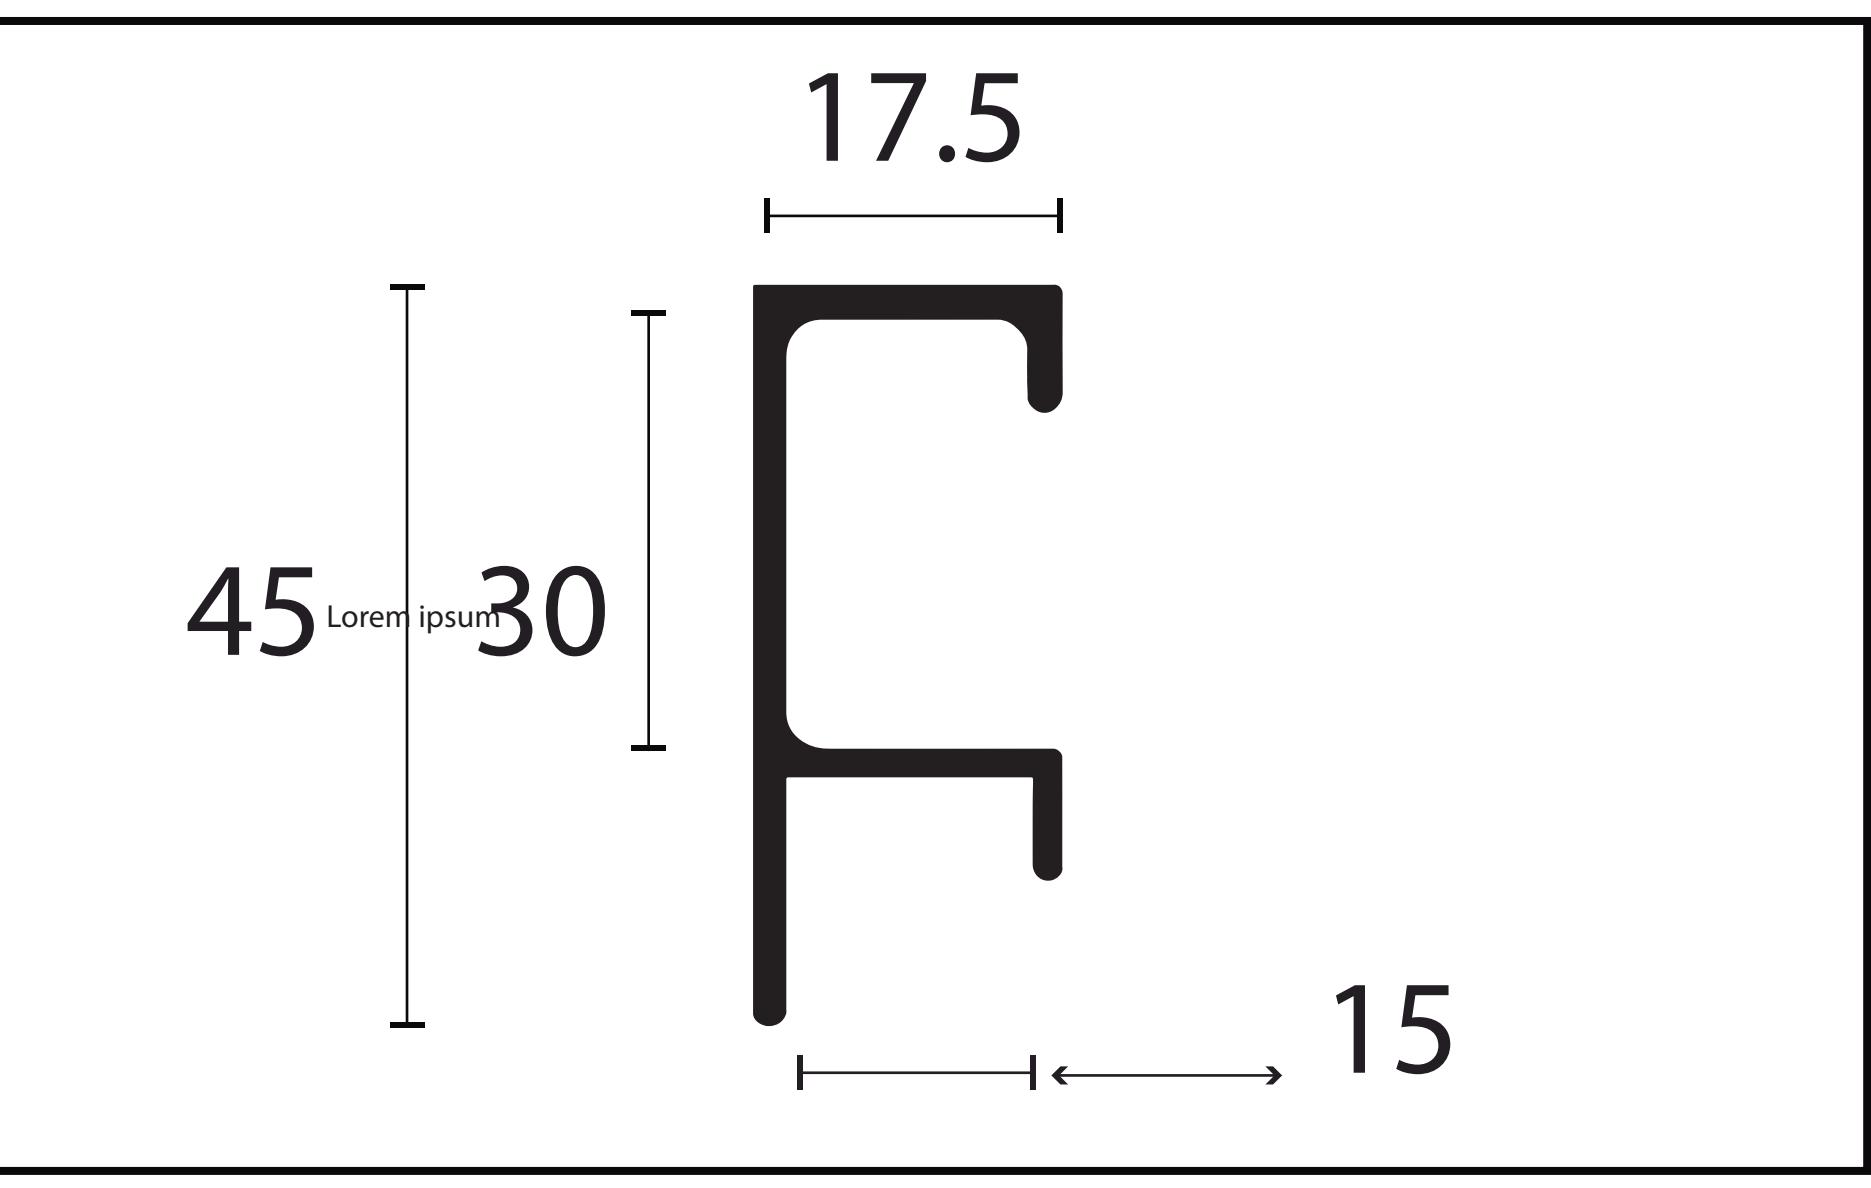

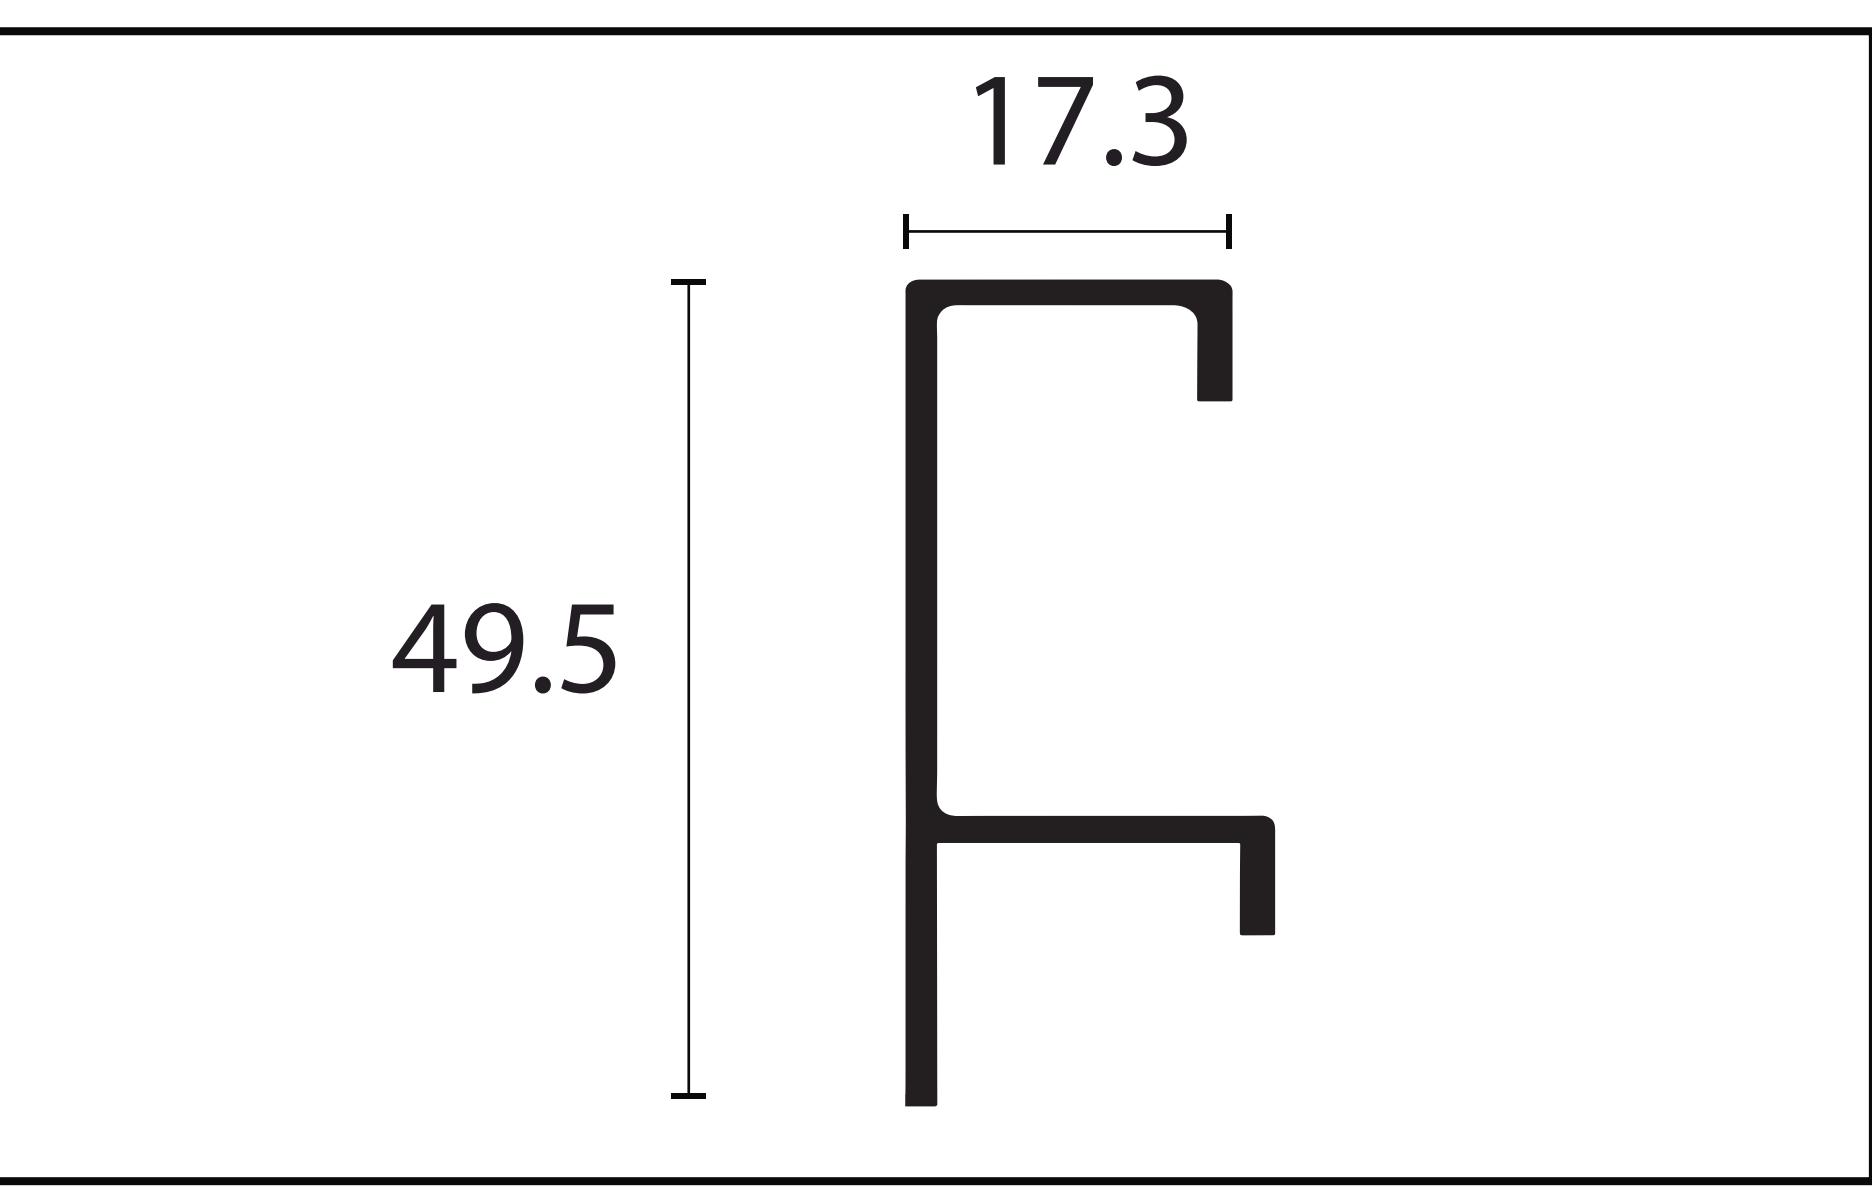

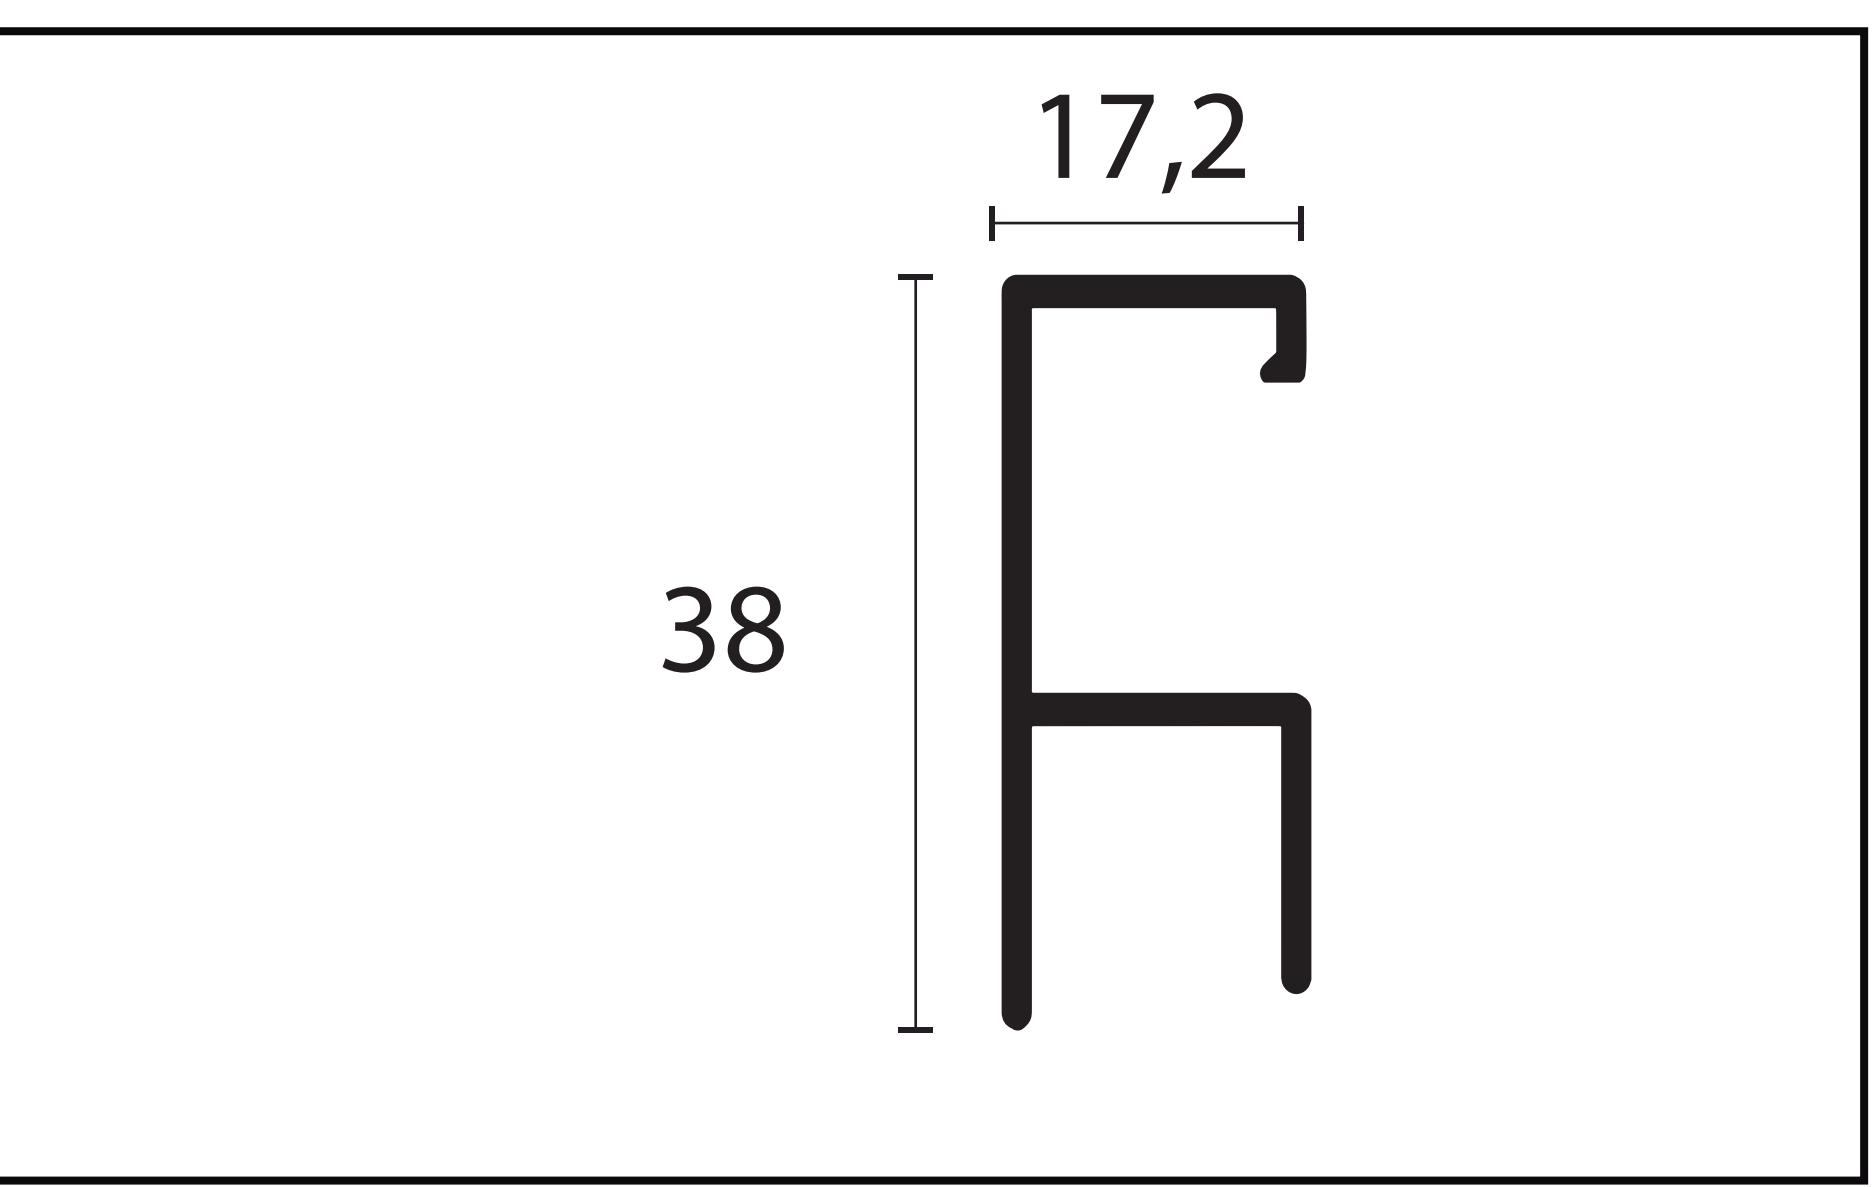

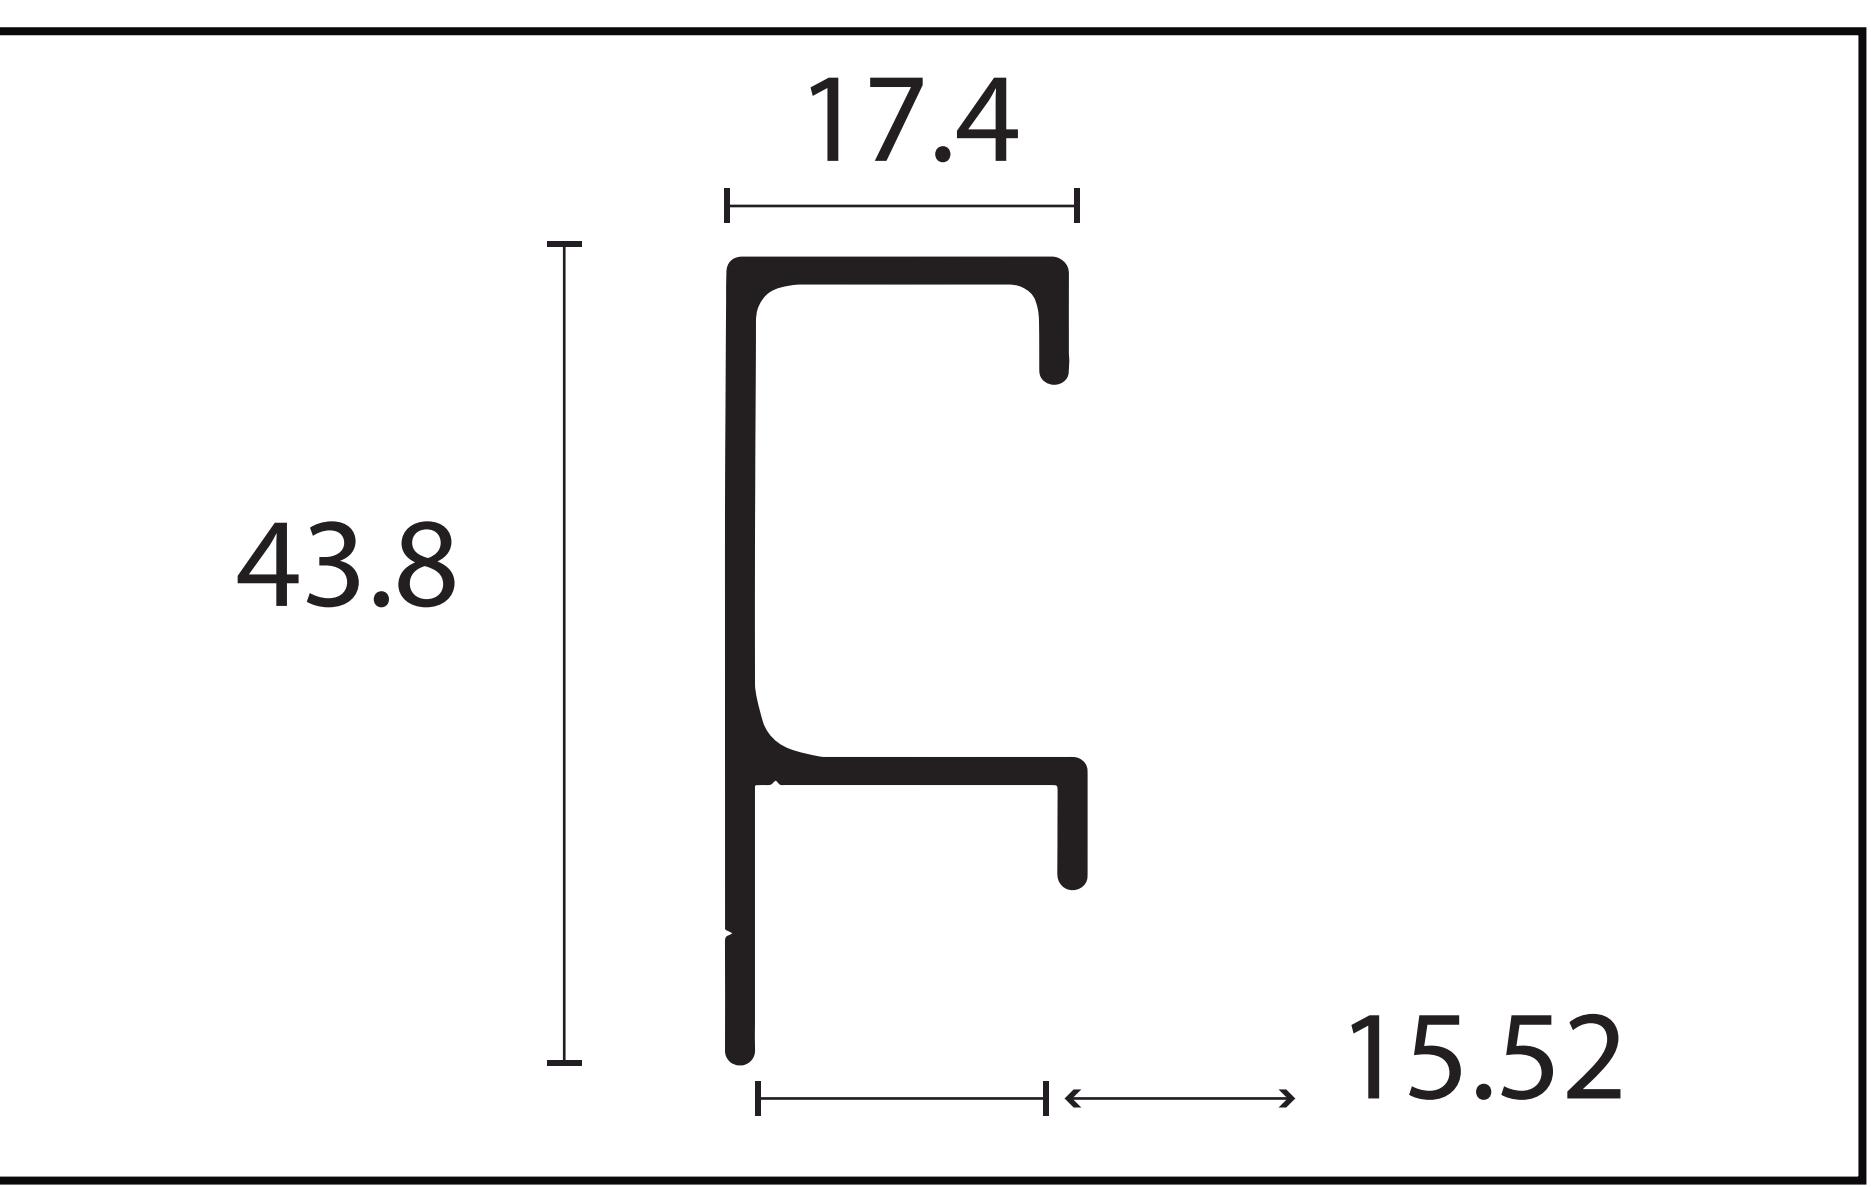

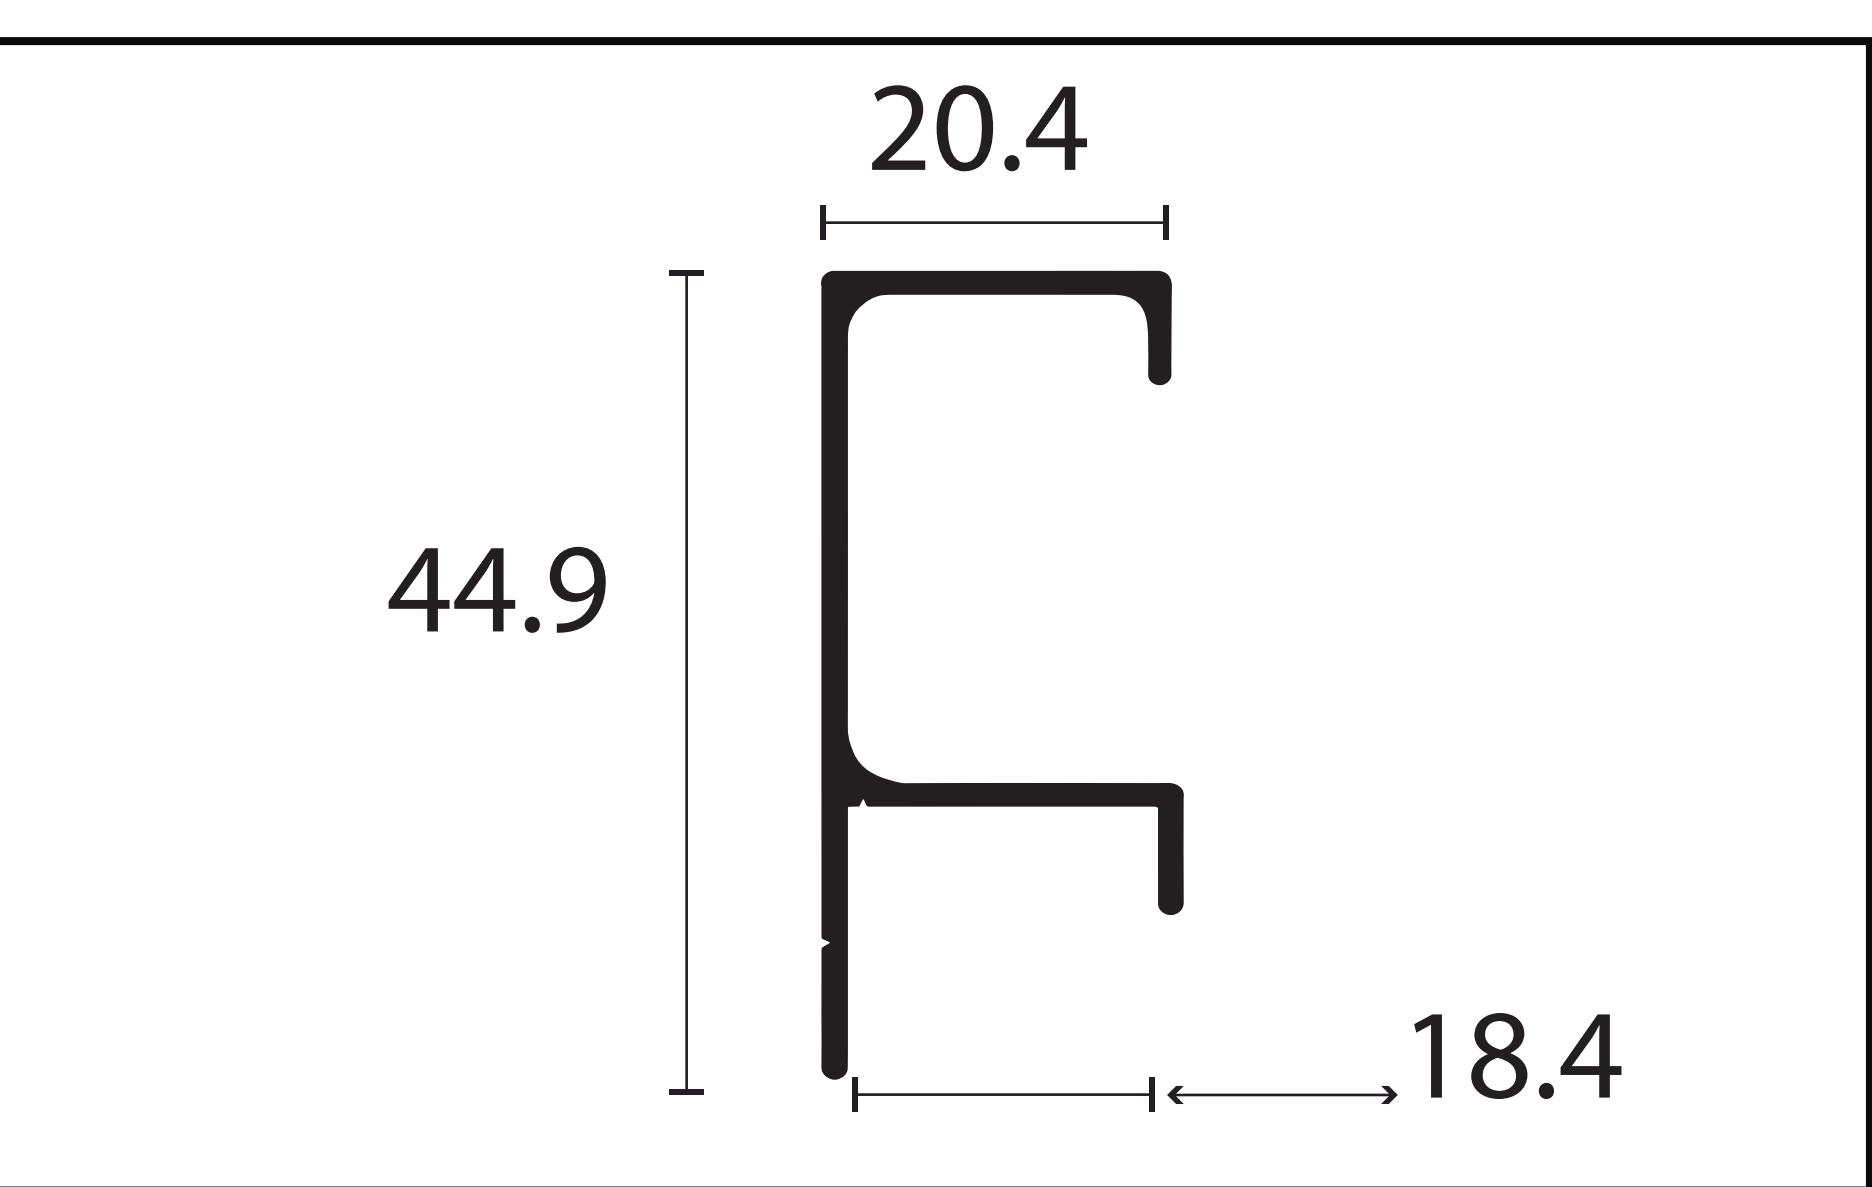

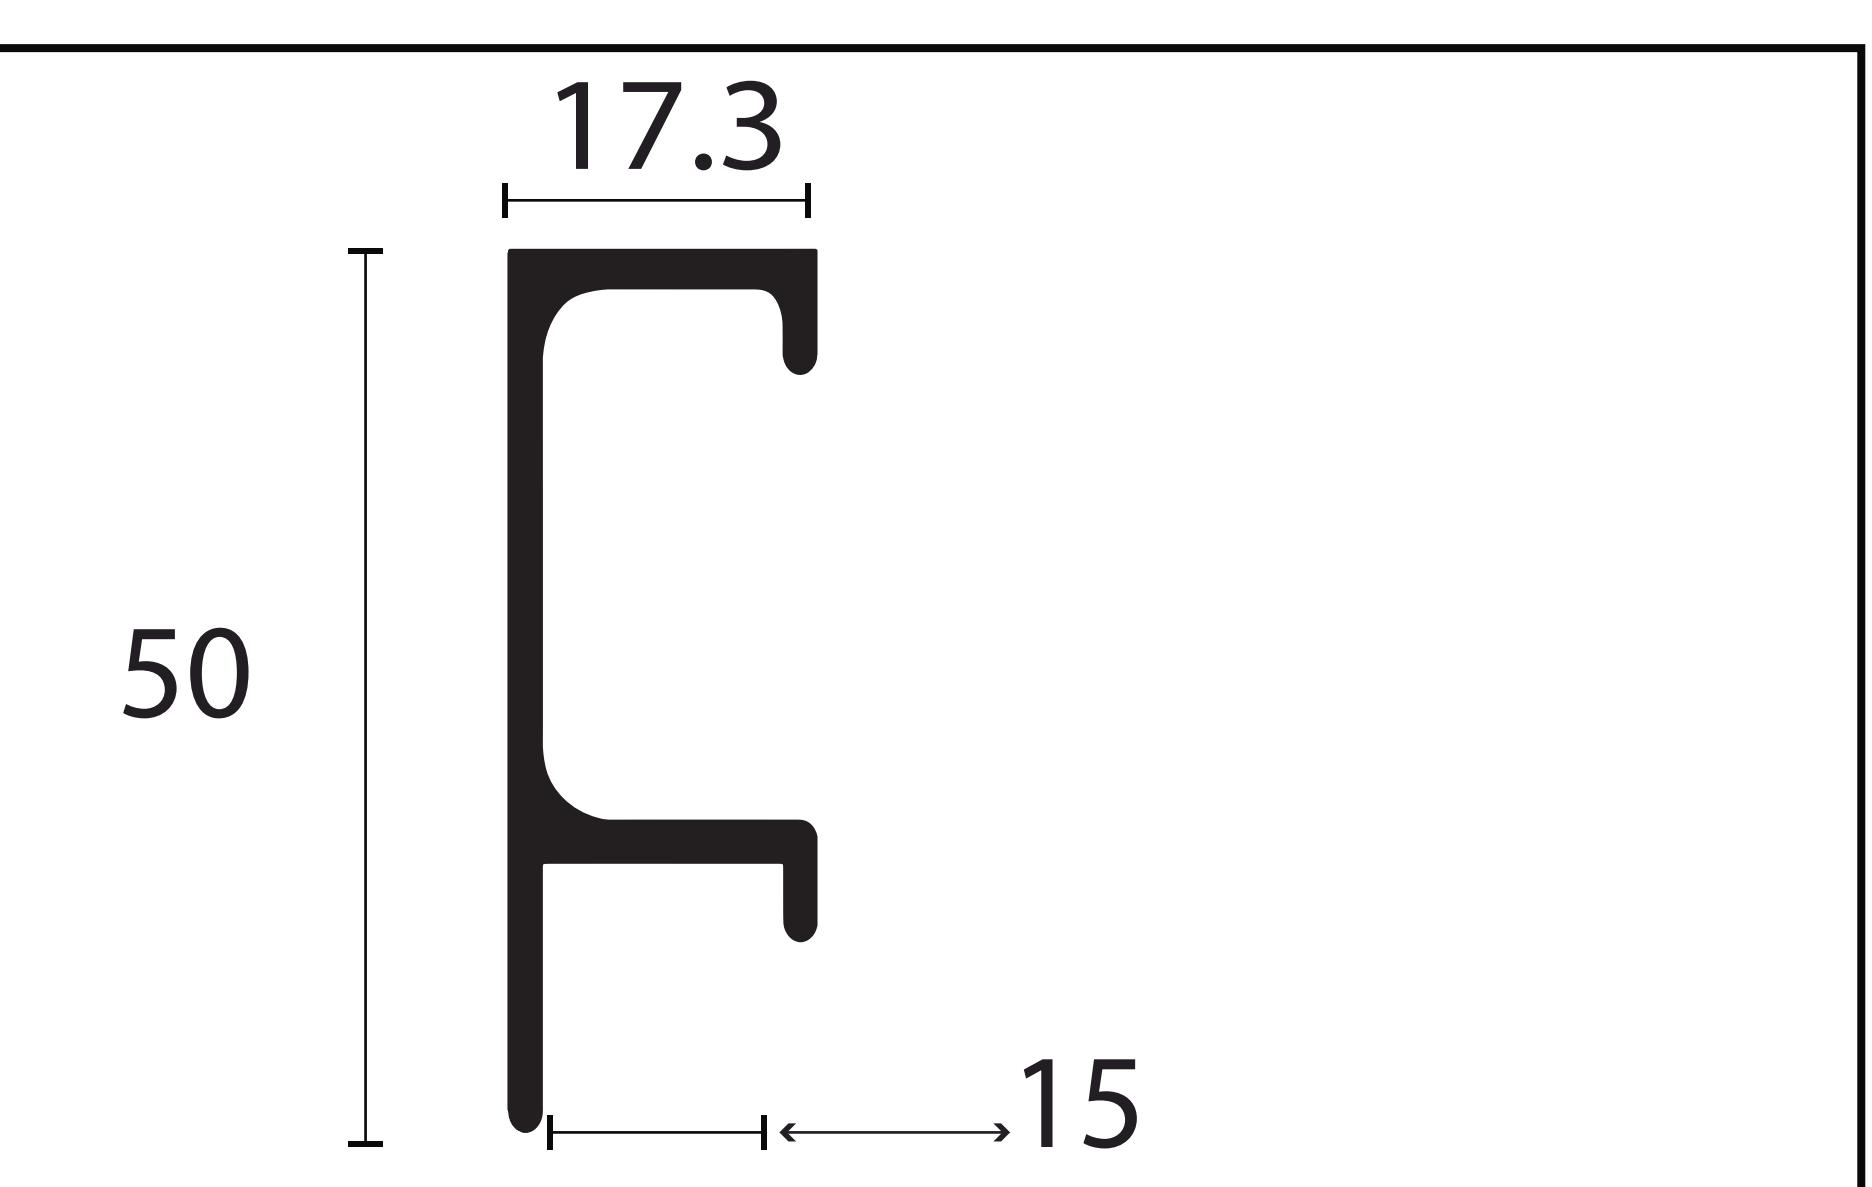

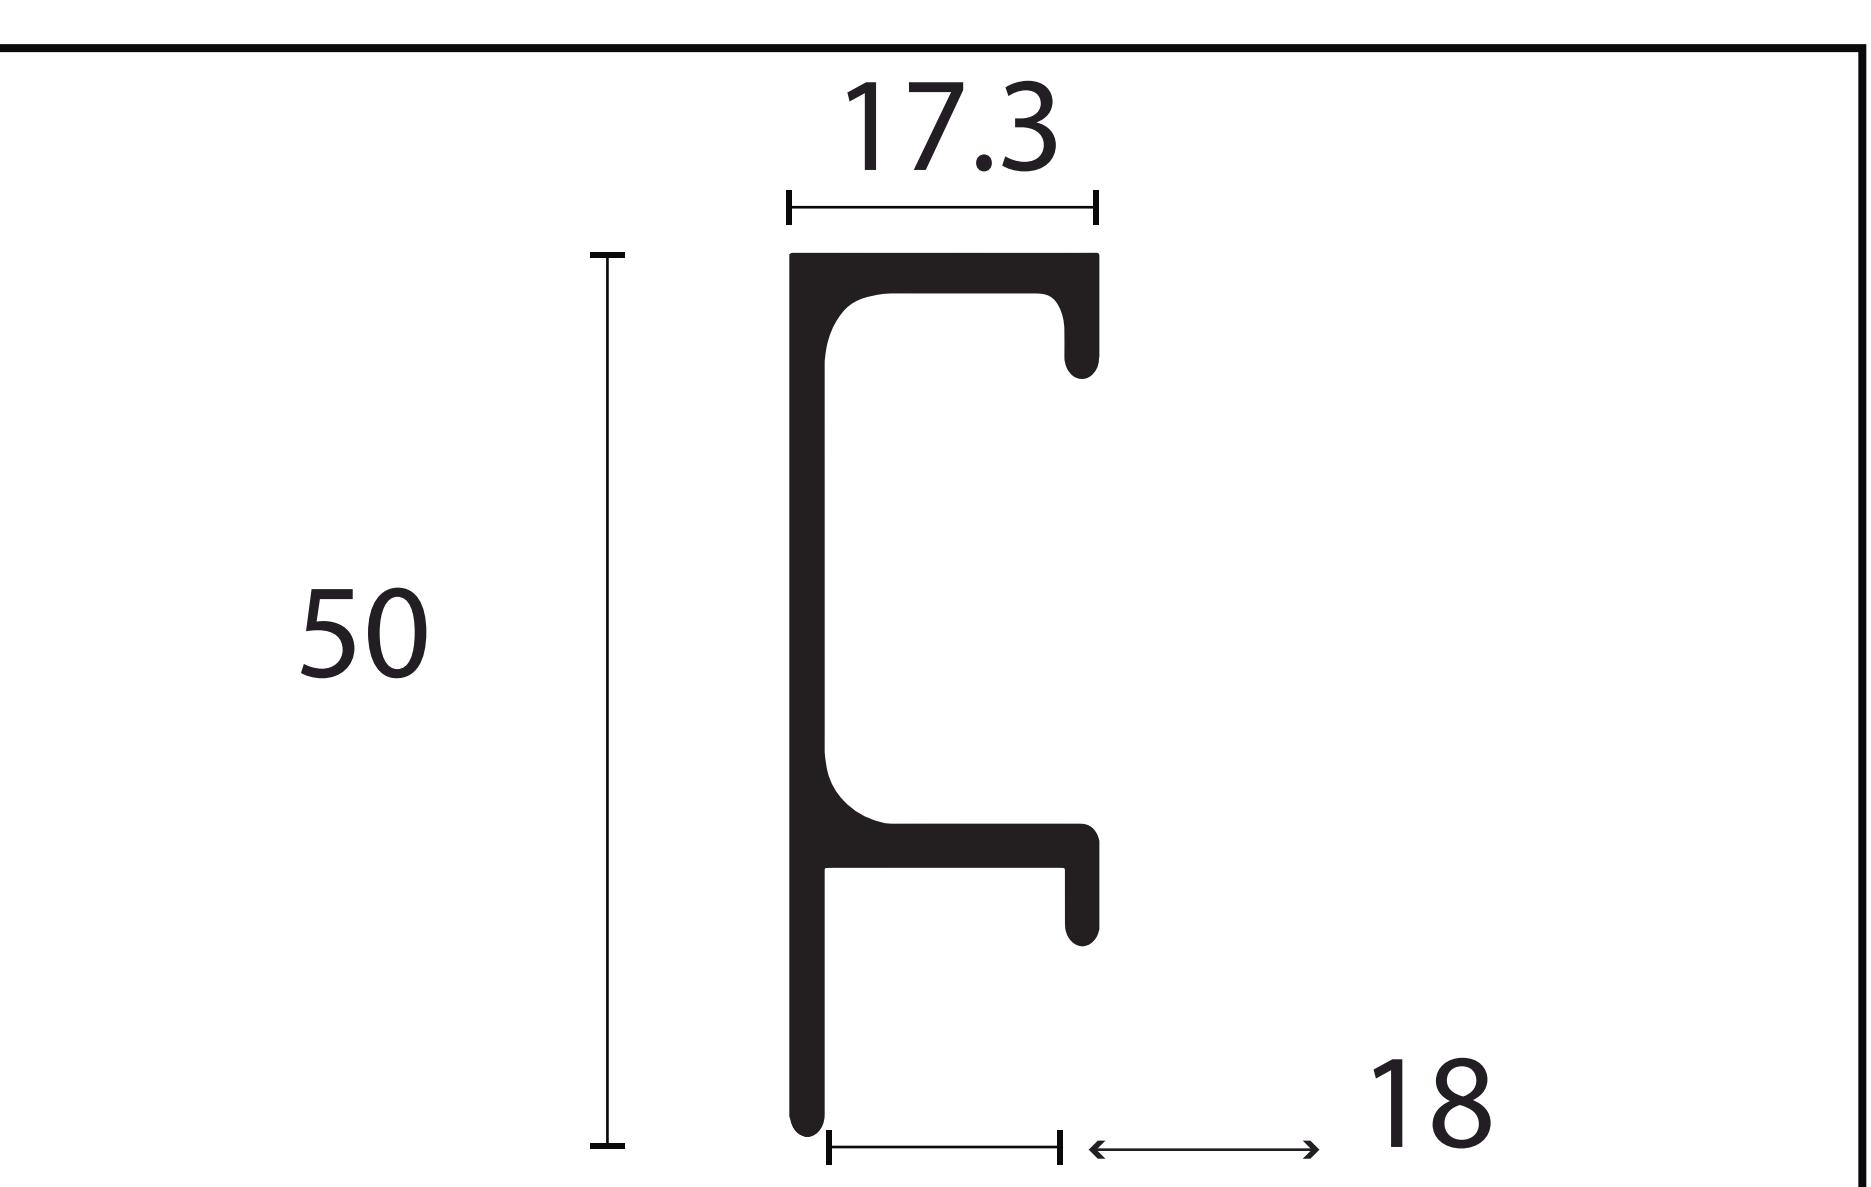

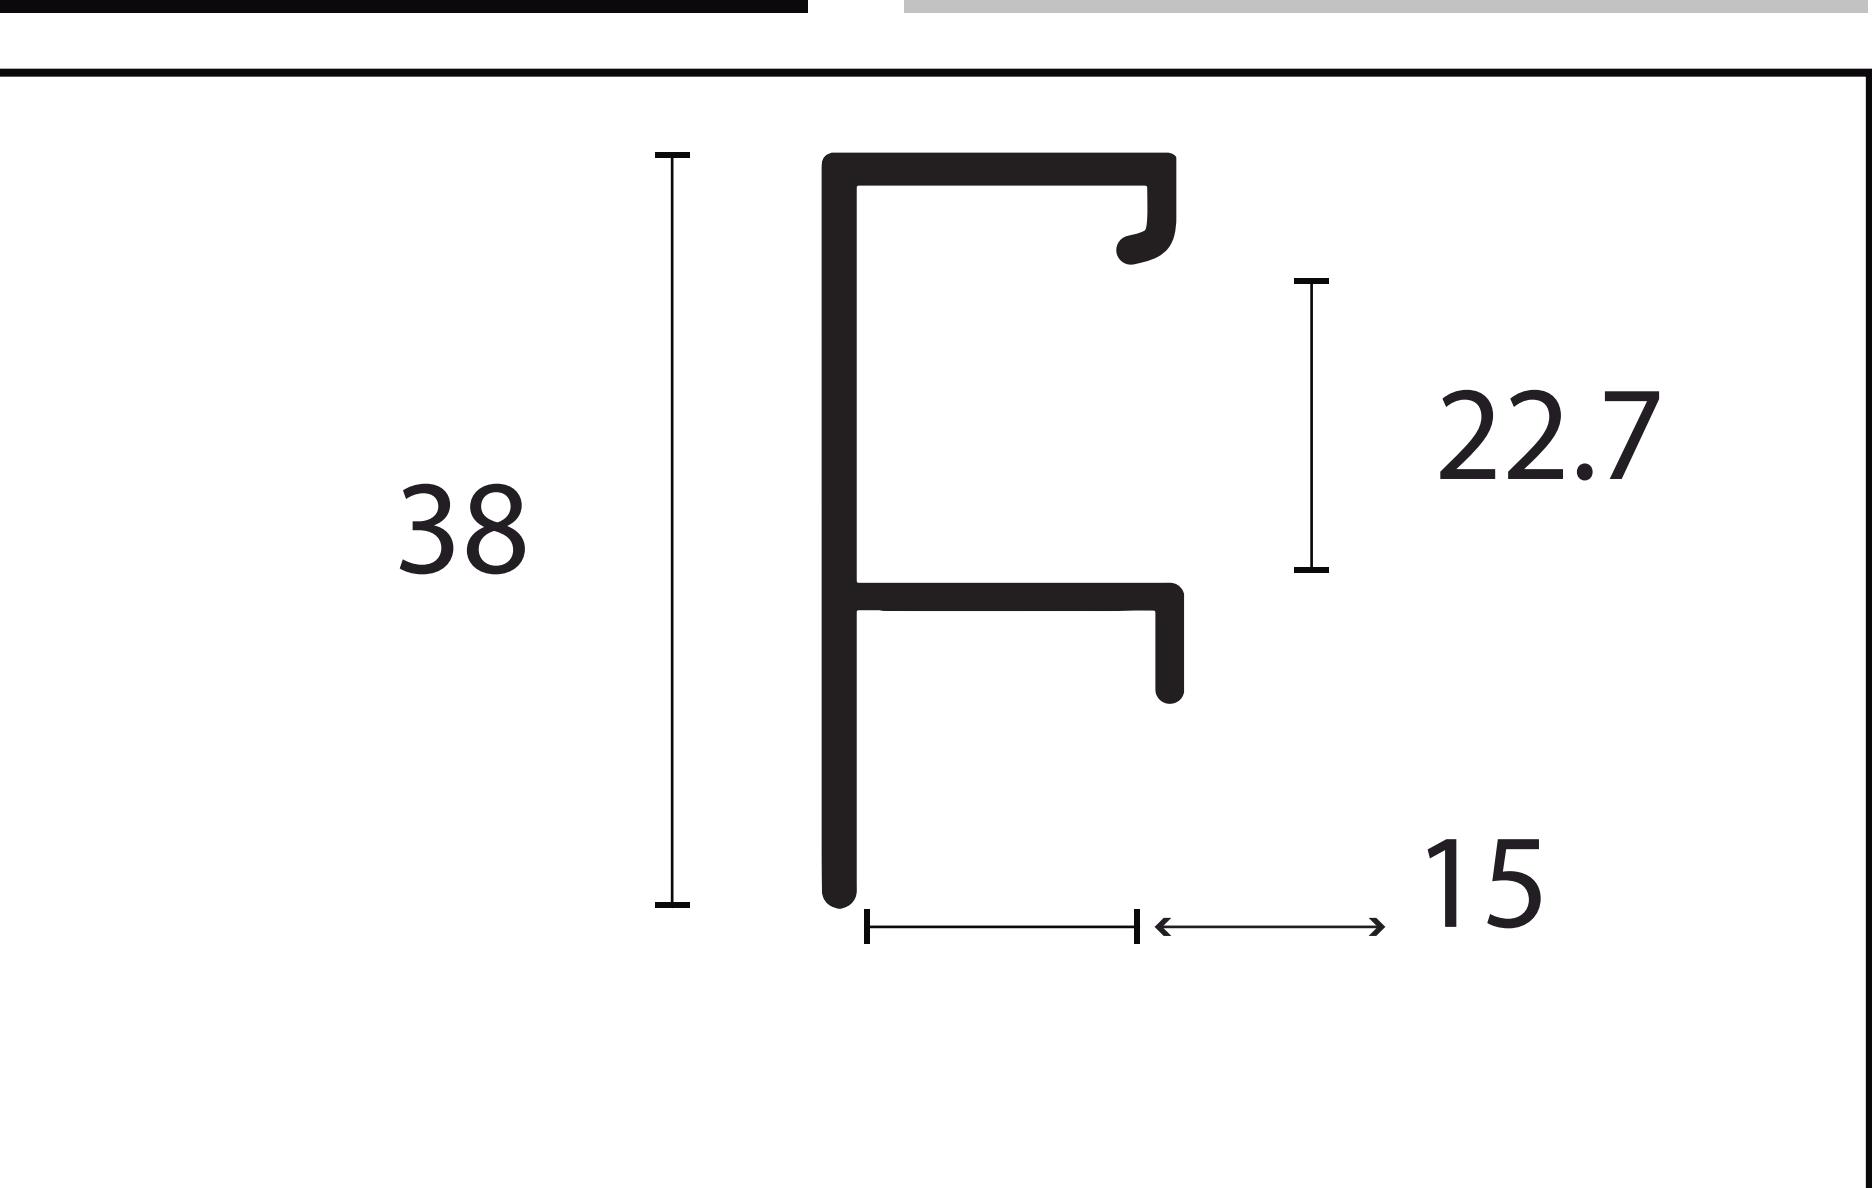

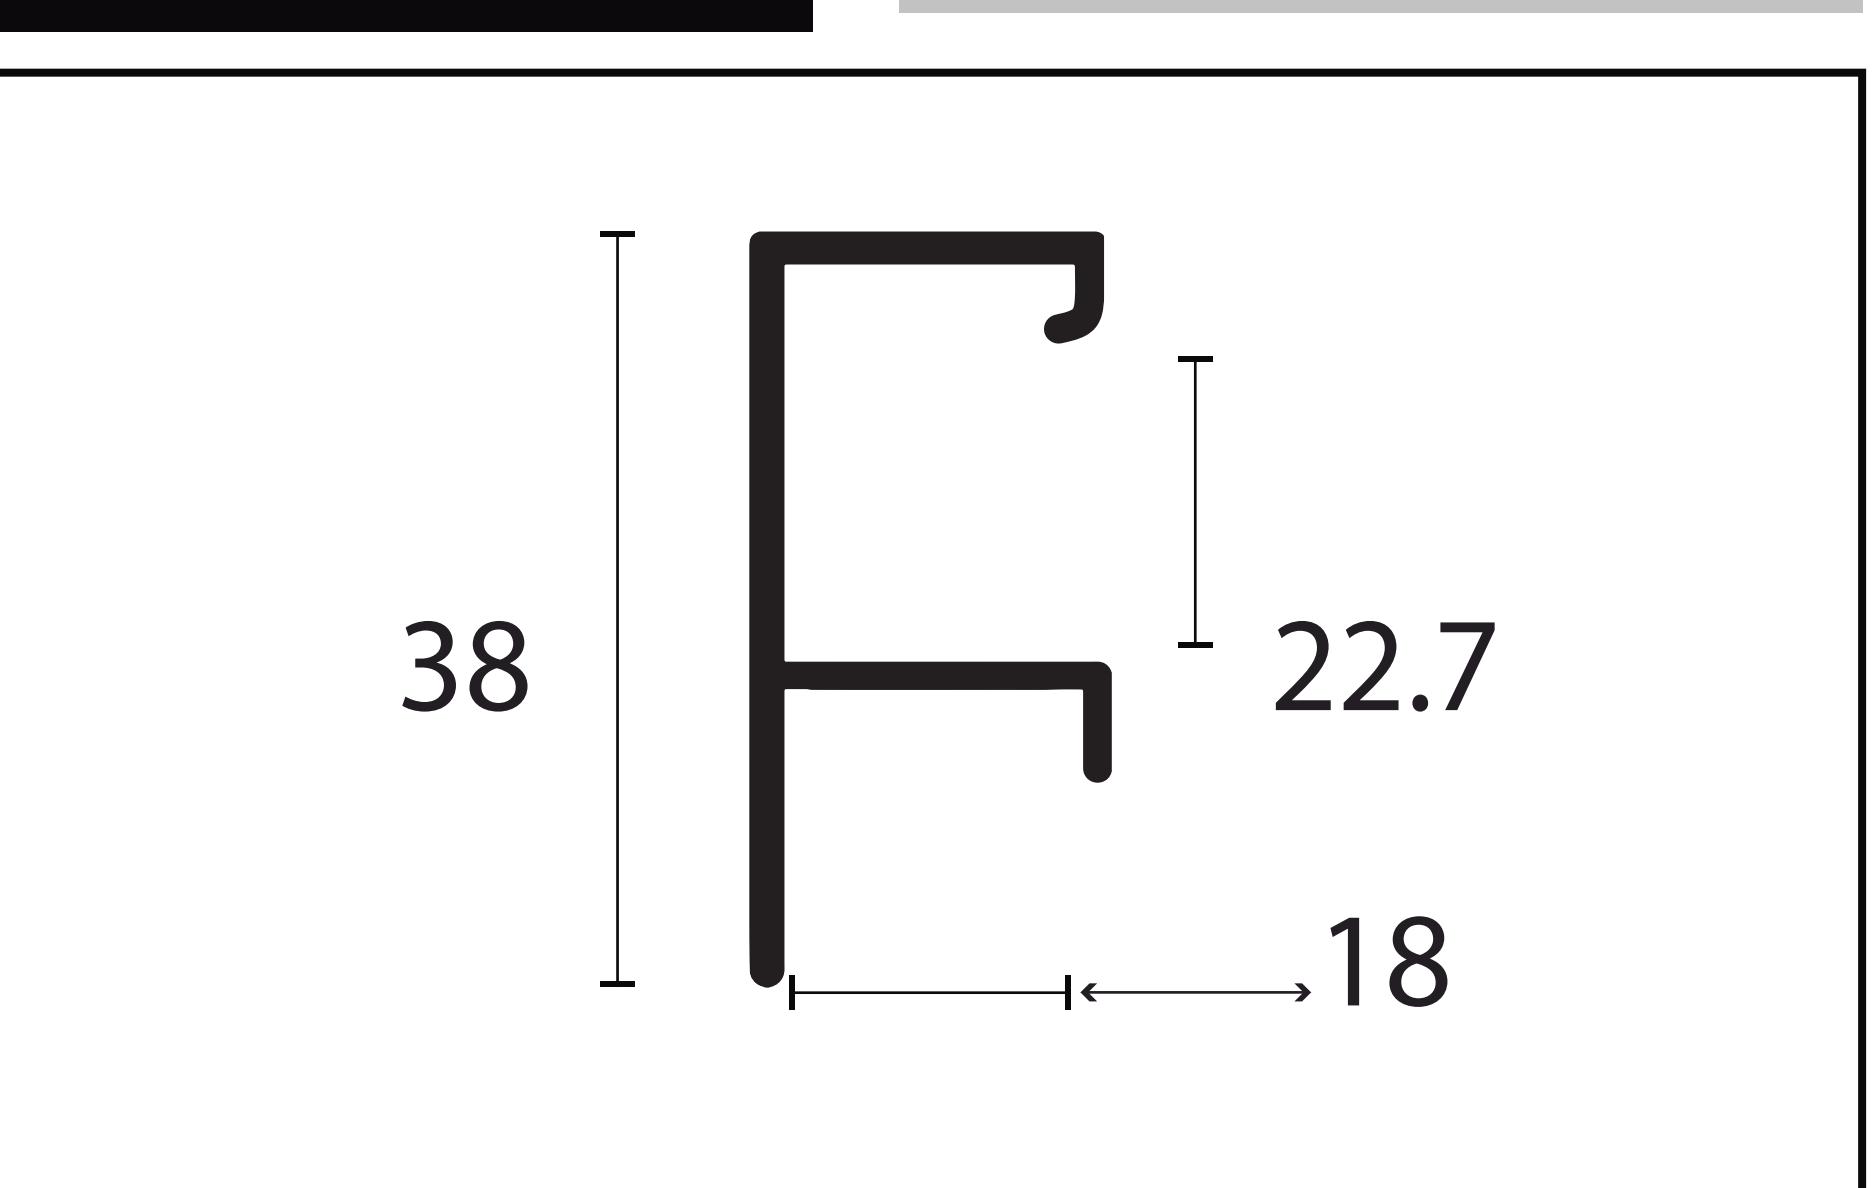

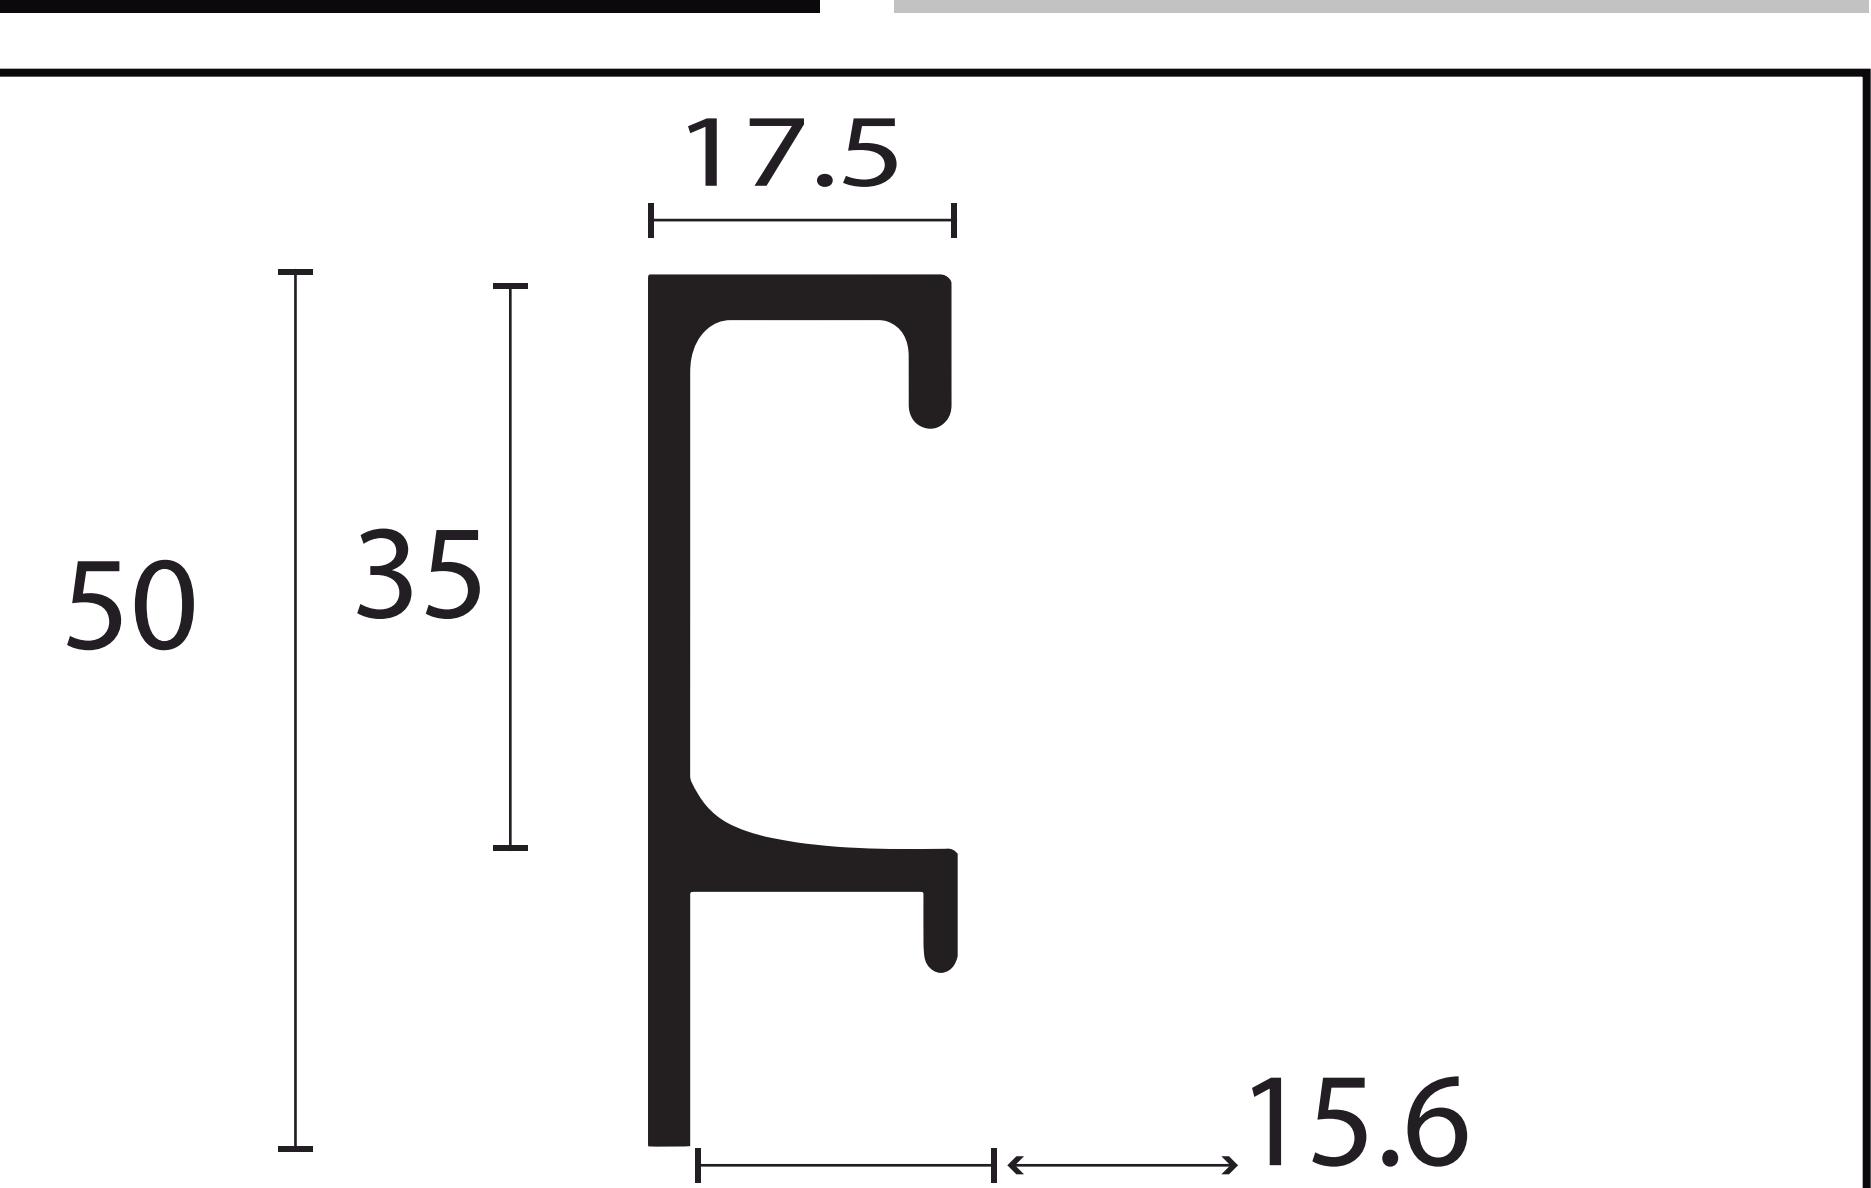

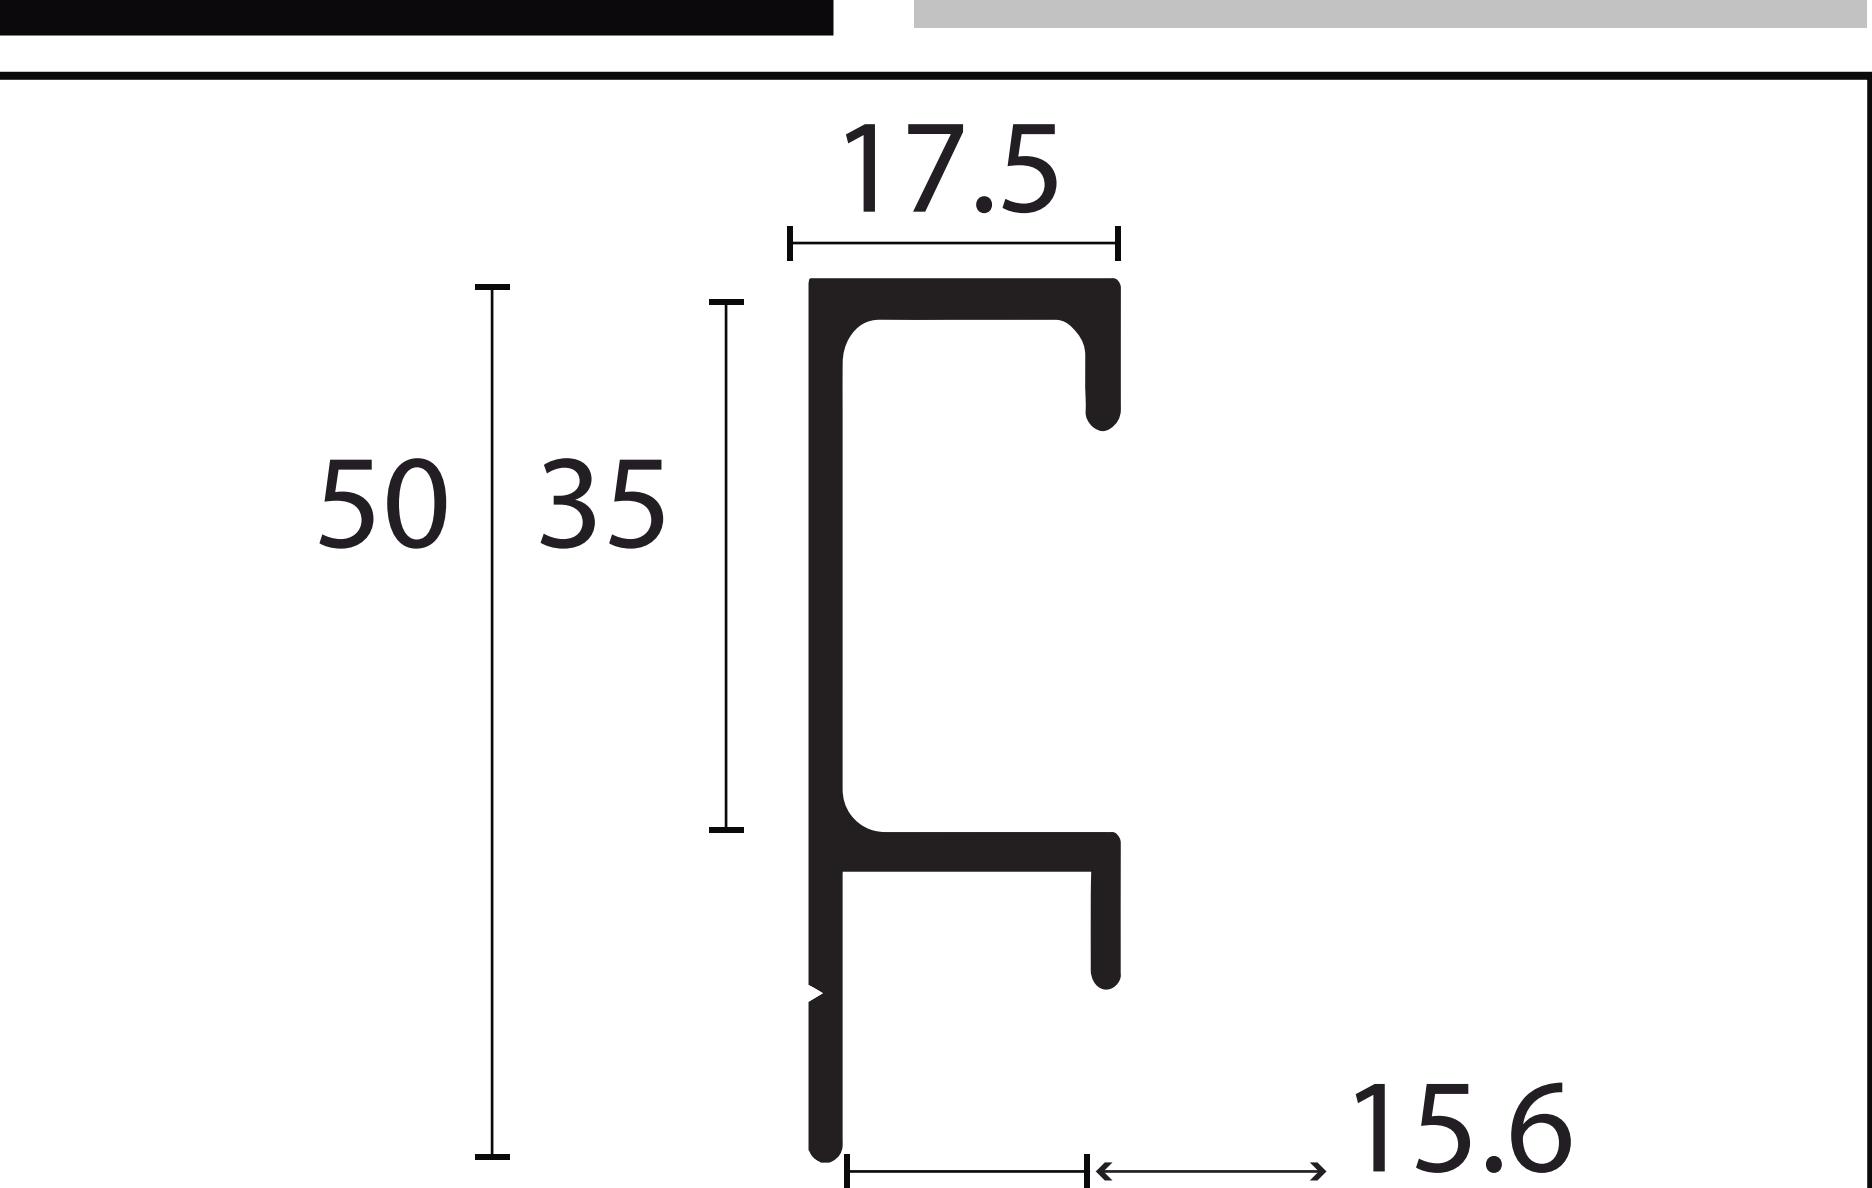

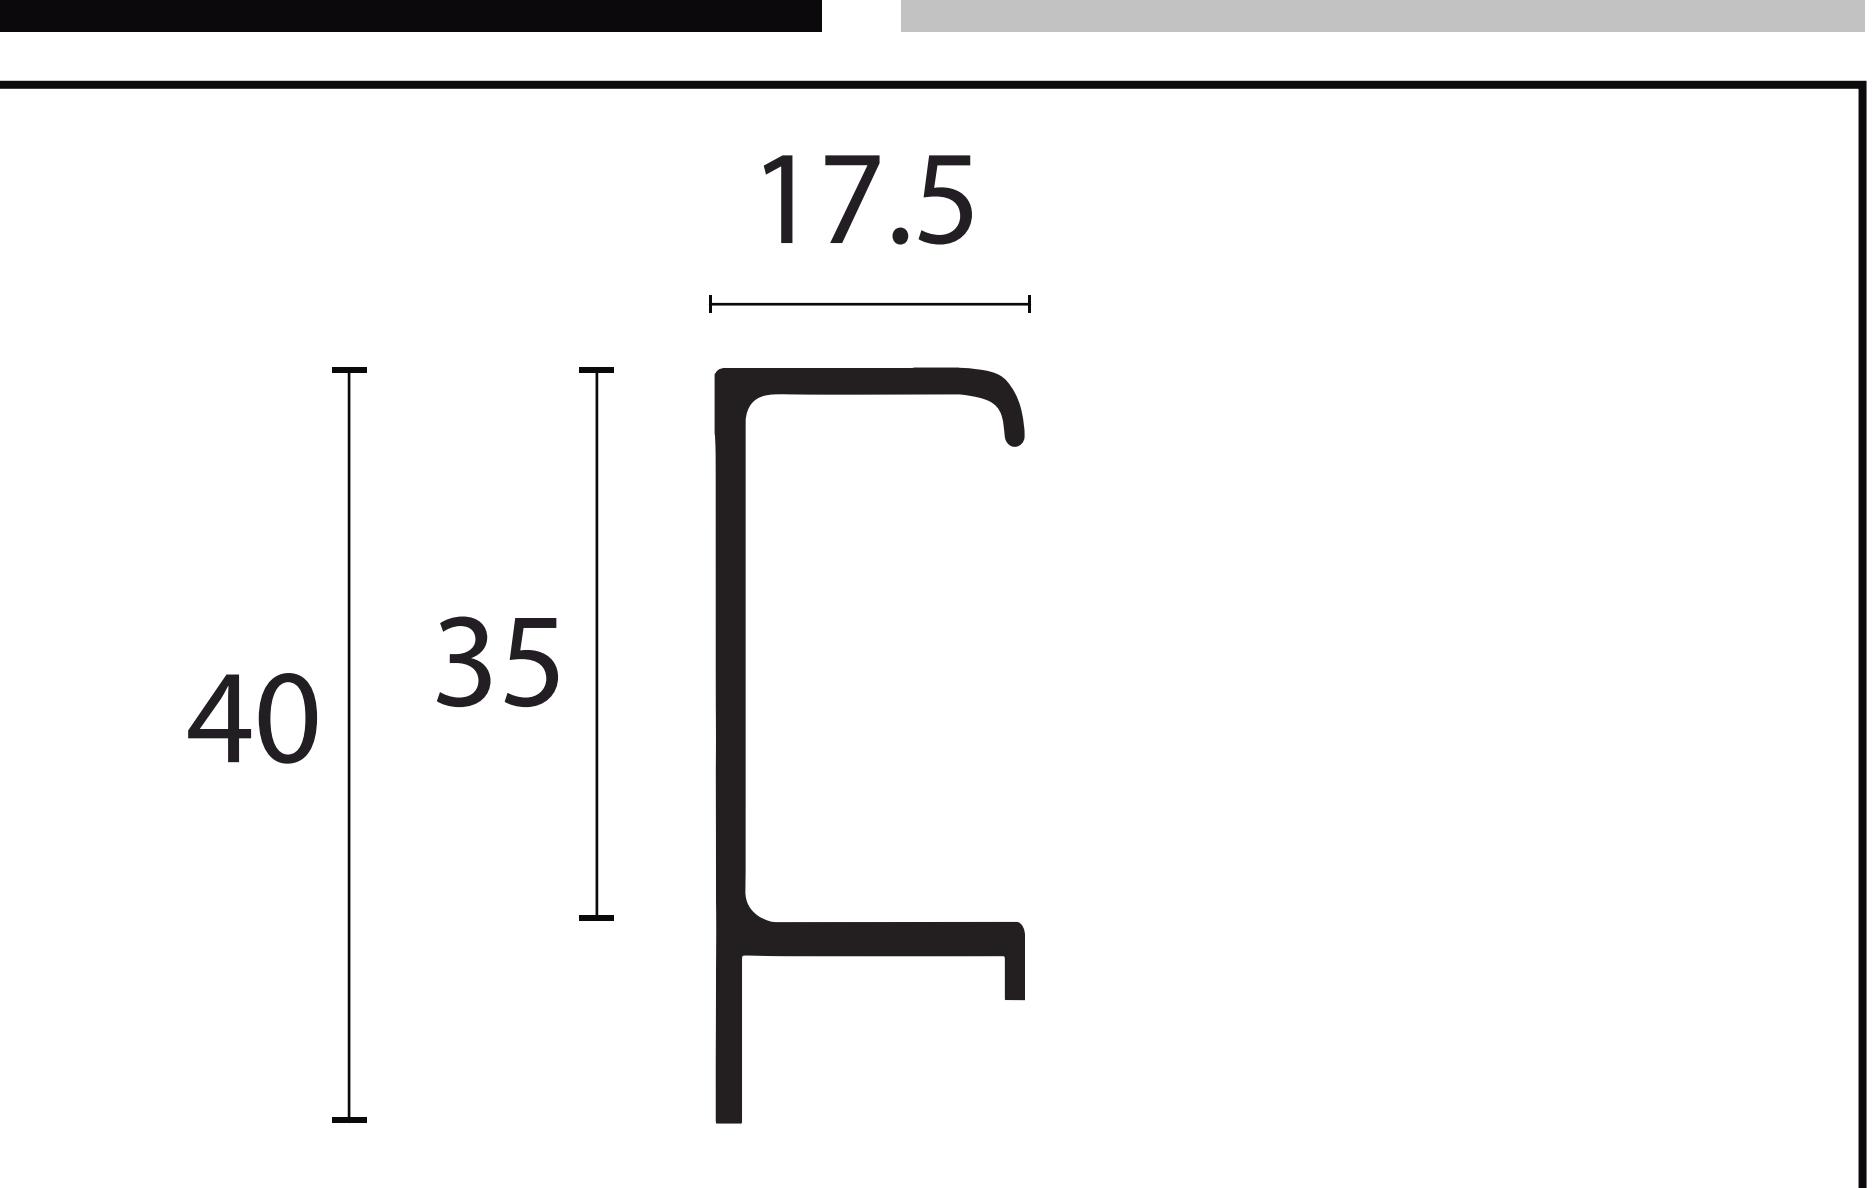

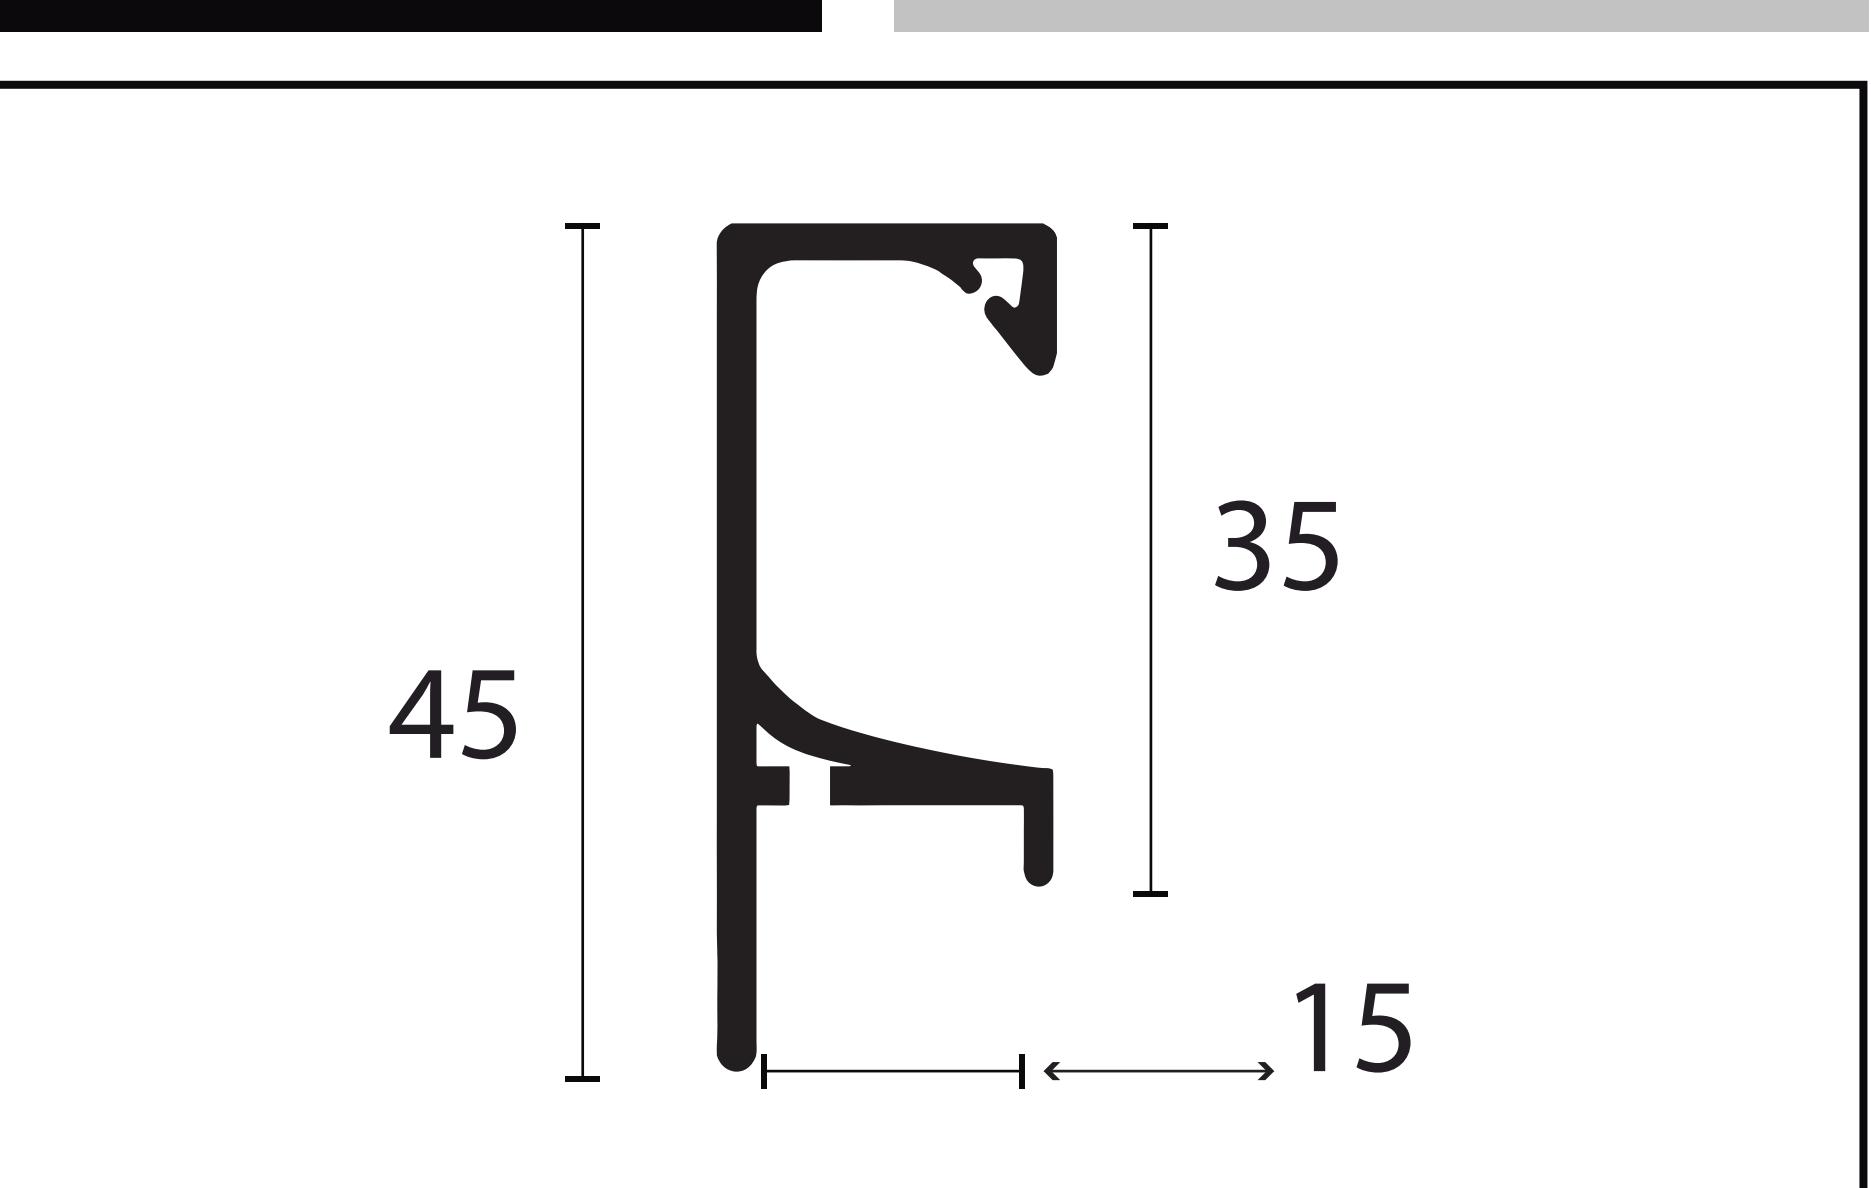

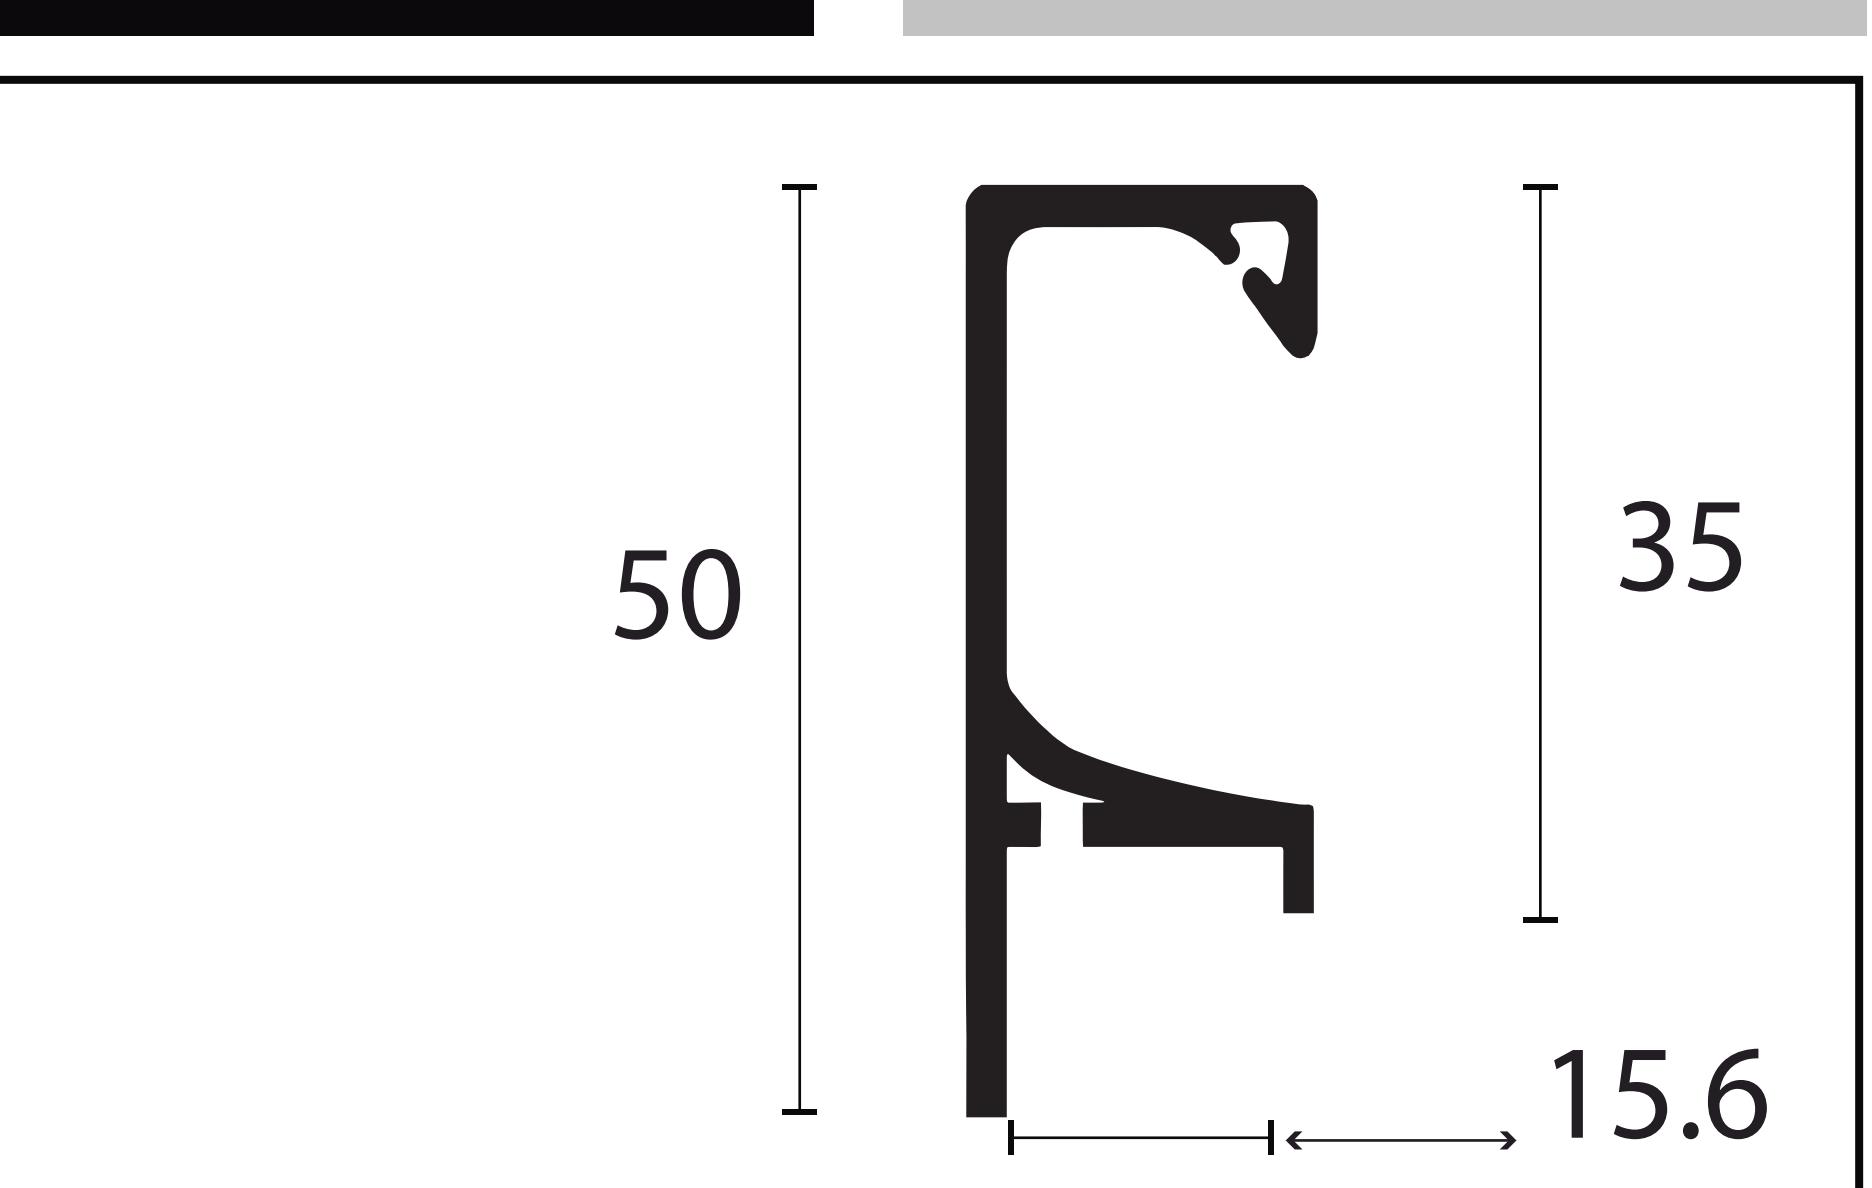

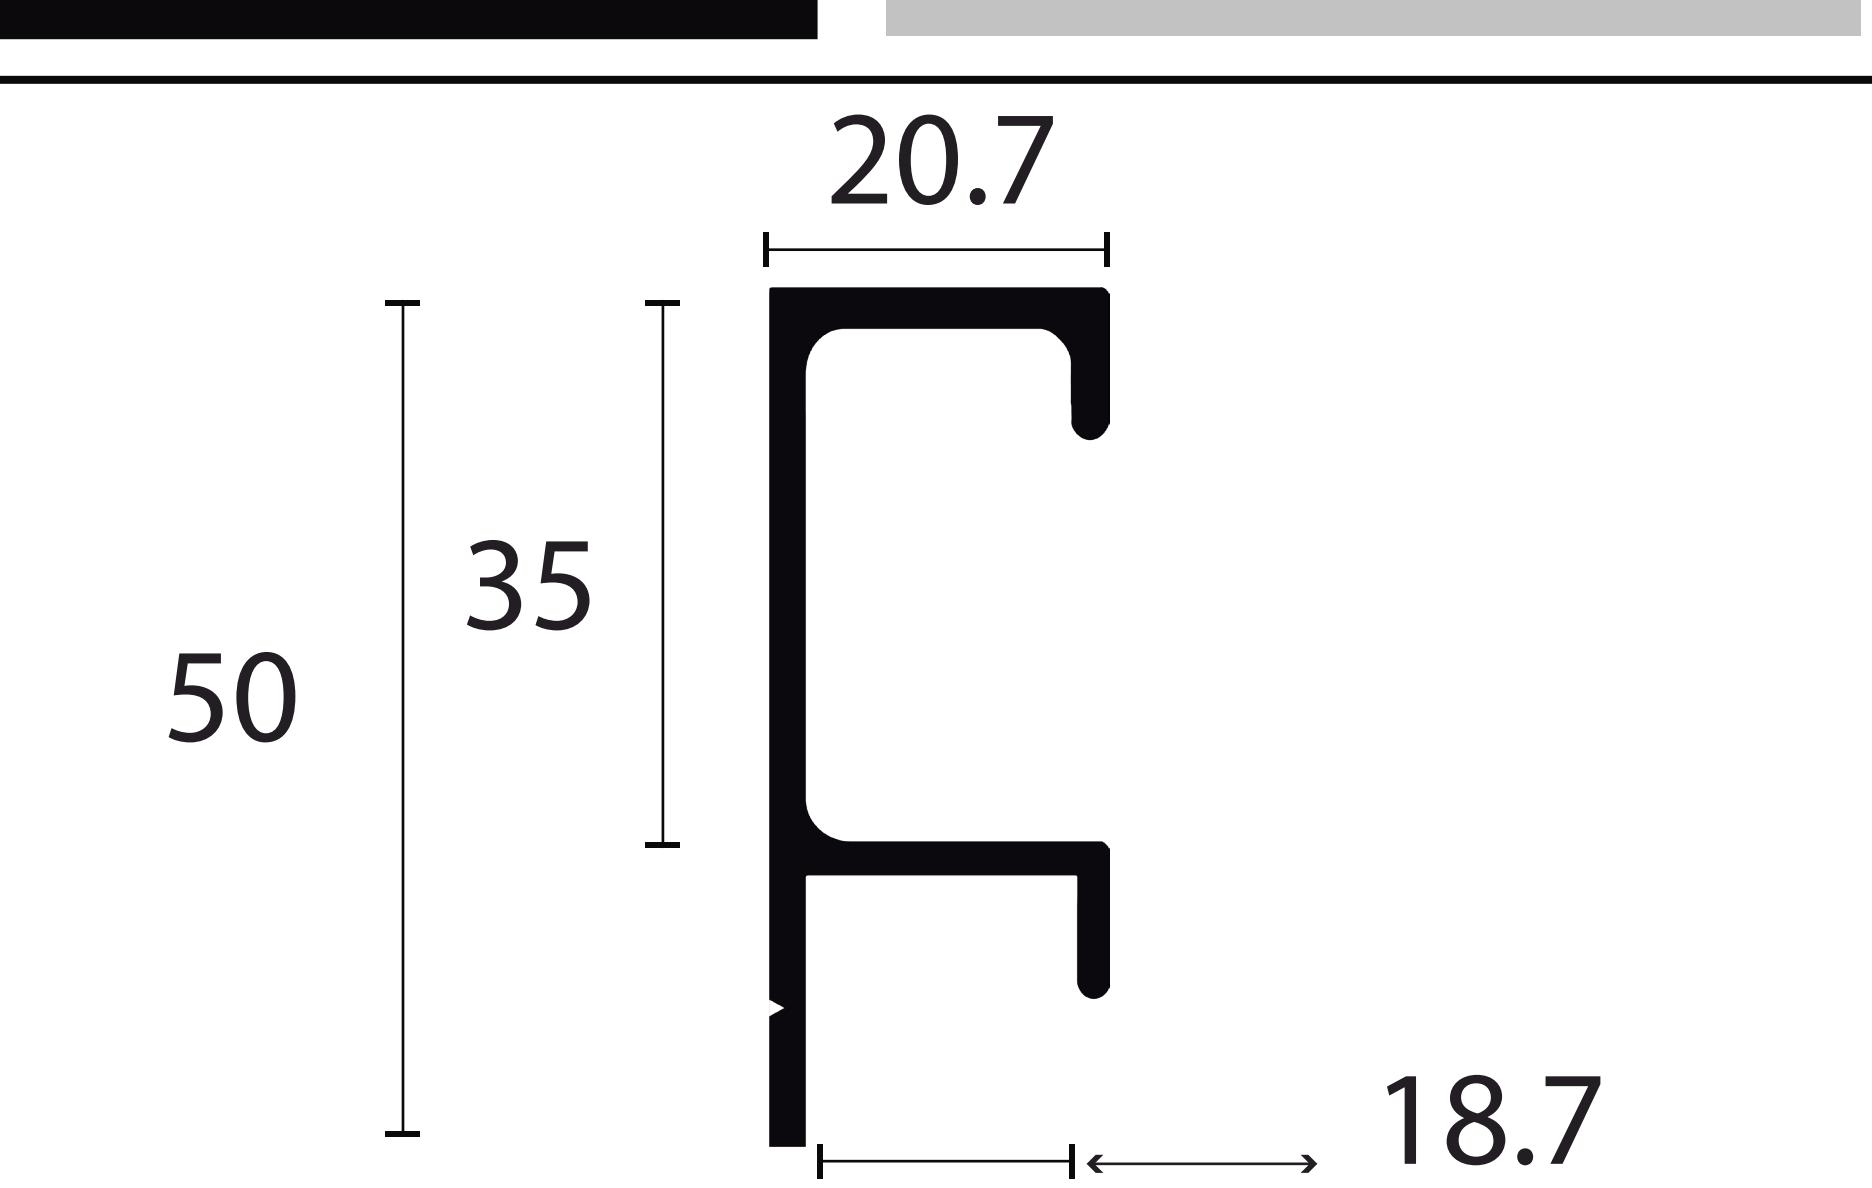

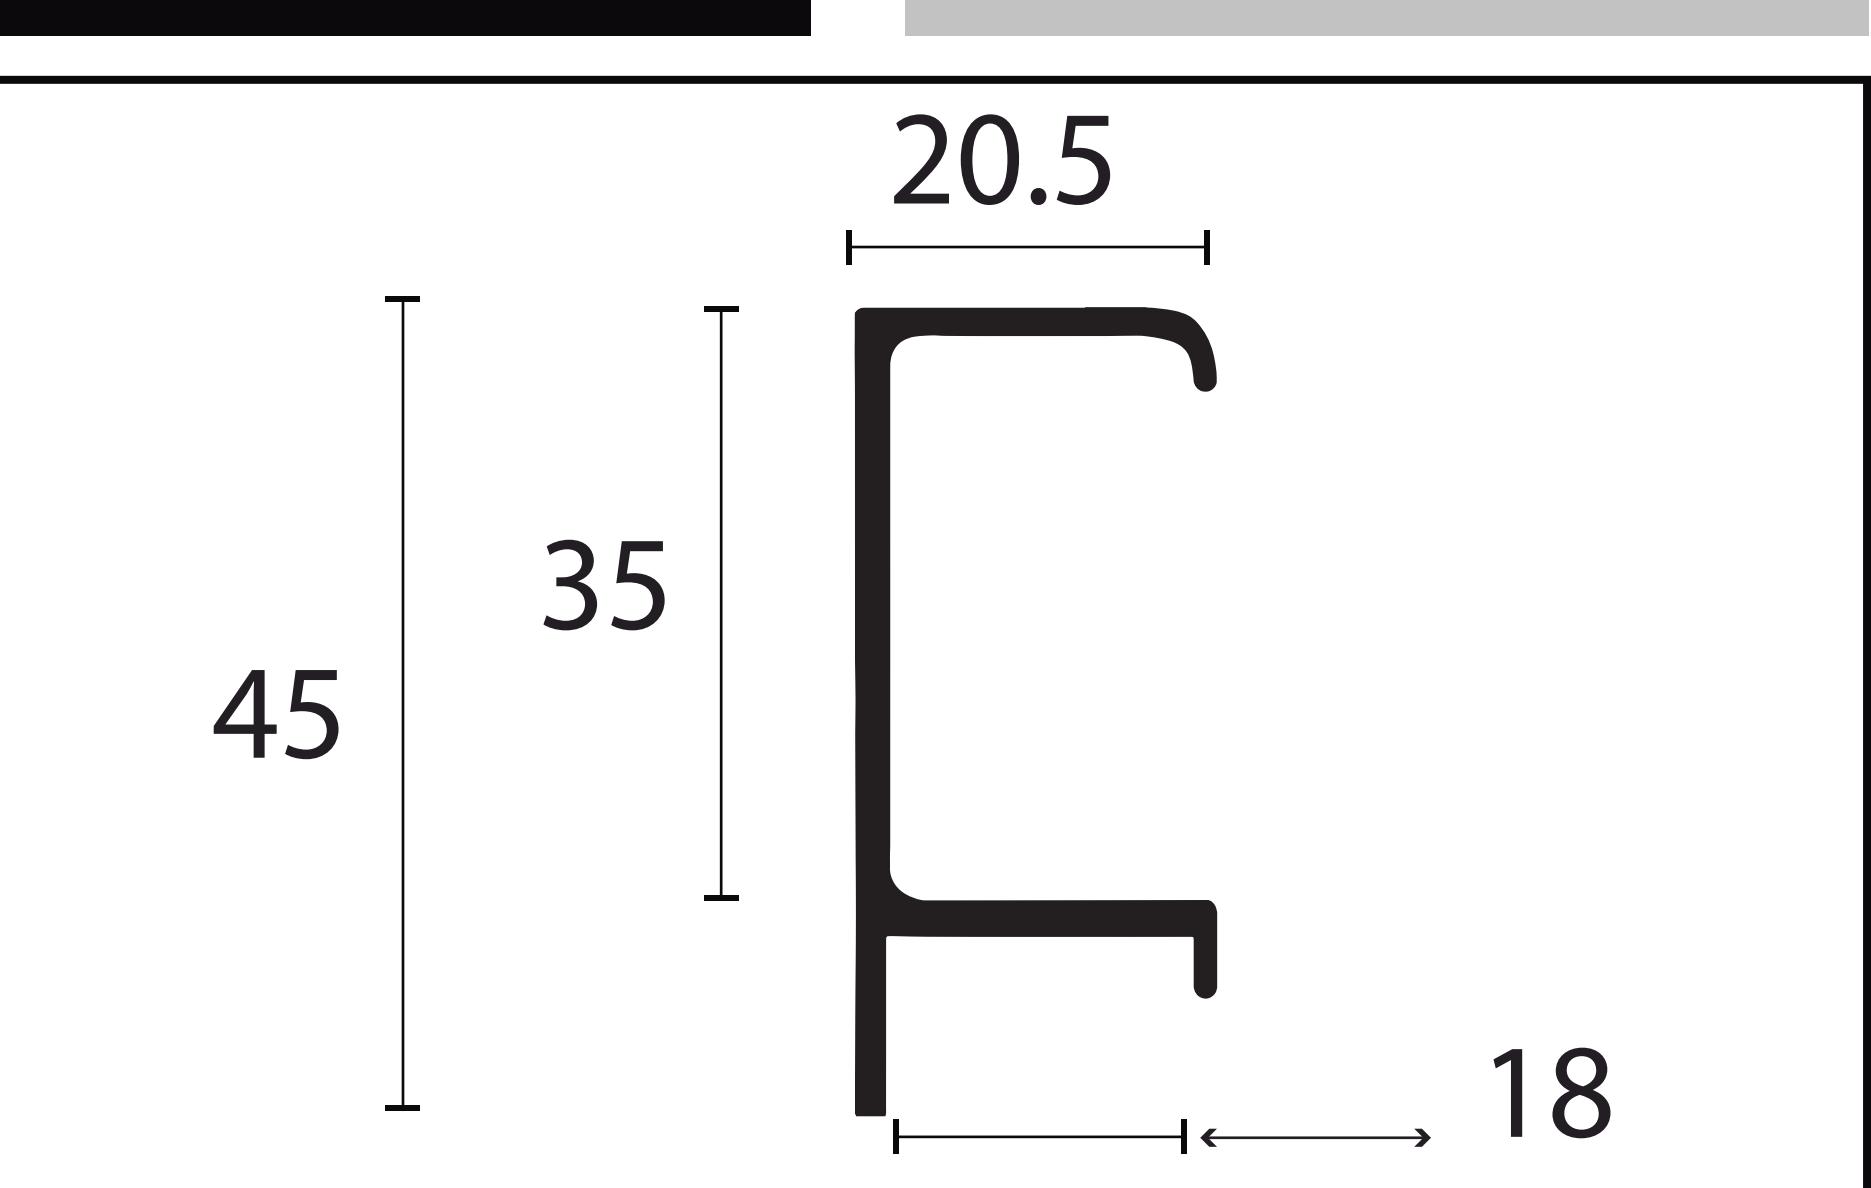

Possuímos também uma estrutura de Pintura a Pó para o Ramo Moveleiro e da Construção Civil, atendendo as necessidades amplas do mercado.

Contamos com uma produção 100% verticalizada, nossa Planta Industrial atende todas as exigências do Ramo Moveleiro, com capacidade de Extrusão dos Perfis de Alumínio, aliada a nossa anodização de alto padrão de qualidade.

A GAP & CIA MOVELEIRA atende com todo rigor Industrial e Organizacional a gama de solicitações de nossos clientes, visando sempre a Excelência em nossos produtos e serviços.
